PURPOSE: To establish a uniform method of procurement and purchasing management procedures consistent with District policy and public contracting rules, Oregon Revised Statutes, and Oregon Administrative Rules, to the extent applicable.

POLICY: Clackamas Fire District #1 ("District" or "CFD1") will provide a standardized system of purchasing management within the guidelines provided by the District's Purchasing Policy and Procedures and Public Contracting Rules (see Appendix A), Oregon Revised Statutes ("ORS"), and Oregon Administrative Rules ("OAR"), to the extent applicable.

Pursuant to ORS 279A.065(5), the District has opted out of the AGs Model rules, and adopted its own Public Contracting Rules. The District's Public Contracting Rules reflect and incorporate the Oregon Public Contracting Code, Revised Statutes, Chapters 279A, 279B, and 279C. Where appropriate, in accordance with Local Contract Review Board (LCRB) Resolution #13-01, the LCRB has made all required findings and approvals necessary to authorize the adoption of the following purchasing policies.

PROCEDURE:**I. GENERAL POLICY**

- A. The District will follow the Public Contracting Rules adopted by the Board for its purchasing policy and procedures, unless otherwise stated in this Standard Operating Procedure (SOP). These rules explain all the requirements needed to solicit a goods and services, public improvements contracts, and personal services. Personnel authorized to perform purchasing for CFD1 will do so within the policies and laws cited in this (SOP).
- B. All contracts will be awarded by competitive process, except as otherwise allowed by the District's public contracting rules, state statutes, OARs, the guidelines of this SOP, LCRB resolutions, and/or as authorized by Board policy.
- C. Purchases and contracts that are not subject to competitive solicitation requirements, including extended personal services contracts or those entered into or extended by direct appointment, and that are within budgeted parameters may be executed without further approval by the Board. These items include, but are not limited to employee insurance, including workers' compensation, medical, dental, or life; taxes and PERS payments; investment purchases as authorized by Board policy or other adopted investment policies;

payments on personal services contracts within contracted amounts for legal and medical supervision services, dispatch, data, and video and voice connectivity; and property and liability insurance purchases.

- D. The District is tax exempt as a political subdivision or instrumentality of government under Internal Revenue Code Section 115.

II. AUTHORITY AND RESPONSIBILITY

- A. Board of Directors: Prior to execution, the Board of Directors must approve all purchases or contracts that exceed \$50,000 except in cases of emergency and certain contract extensions.
 - 1. Signature: Executive staff is authorized to sign all contract documents for the Board of Directors, unless otherwise stated on the contract. The Finance Director and Deputy Chiefs are authorized to sign contracts for the Board (under delegated amounts) established through this SOP.
- B. Fire Chief or designee: The Board of Directors authorizes the Fire Chief, or the Fire Chief's designee to approve purchases or contracts that are subject to competitive solicitation requirements without prior approval of the Board, provided such contracts do not exceed \$50,000 and are within budget parameters.
- C. Deputy and Division Chiefs: The Deputy and Division Chiefs are authorized to approve purchases or contracts, provided such contracts do not exceed \$15,000 and are within budget parameters.
- D. Finance Director: The Finance Director is authorized to approve purchases or contracts, provided such contracts do not exceed \$15,000 and are within budget parameters. This authorization is not replaced by a Deputy or Division Chief authorization, but is required in addition.
- E. Budget/Department Head: Budget control begins with the individual responsible for a cost center within the overall District budget. A cost center includes stations and programs such as wellness, volunteers, fire prevention, training, and individual fire stations. A full list of the current cost centers may be found in Budget Documents on the Fire District's internal D1Net. The budget responsibility for the cost center lies with the individual program manager, station captain, or battalion chief or deputy chief assigned to the program or station. For the purposes of this policy, this individual will be known as the Department Head, and is responsible for exercising general supervision and control over his or her budget. The Department Head is authorized to approve purchases or contracts, provided such purchases do not exceed \$5,000 and are within budget parameters.
 - 1. Delegation of authority: Purchasing responsibility may be delegated to a

subordinate with the understanding that ultimate budget responsibility remains with the individual assigned overall budget responsibility. No expenditure will be made without express authorization and request of the individual responsible for the cost center.

- F. Employee: Employees must have been granted authority to purchase for the District by their Department Head or as delegated under the Purchase Card SOP or Petty Cash procedures. Each employee is responsible for knowing their individual purchase authority.
- G. Completed authorization: Vendor purchases are authorized when a Munis requisition has been approved, except as allowed by the Purchasing Card SOP or emergency procedures described herein.

III. PURCHASING GUIDELINES

- A. To maintain consistency, all purchases will require a formal process to be followed. The purchasing process may differ depending on type and amount of purchase.
 - 1. **Budget Authorization** - No purchase shall be approved without budget authorization (i.e., available funds, authorized items of capital outlay) unless authorized in writing by the Finance Director and Deputy or Division Chief for amounts up to \$15,000, and the Fire Chief if the unbudgeted purchase exceeds \$15,000. The Fire Chief may require that certain Requisition Orders be authorized by him/her and or the Finance Director prior to sending the requests to the Logistics Department. Such authorization does not allow District funds to be expended or committed without following the prescribed procedures. No purchases will be made until approval had been established.
 - 2. **Goods or Services and Trade Services** - Unless a special procurement or exemption applies, when the total contract or purchase amount is estimated to be:
 - (1) Less than or equal to \$5,000: Requires authorization from the individual responsible for the cost center, or his/her delegate. No quotes are required, but obtaining three verbal quotes is recommended to ensure the best price and product.
 - (2) Over \$5,000 but no more than \$15,000: Requires review and approval from the individual responsible for the cost center, a Deputy or Division Chief, and the Finance Director. Three written quotes are required in conformance with the procedures set forth in District

Public Contracting Rule 137-047-0270 (see Appendix A - p. 18) and ORS 279B.070.

- (3) Greater than \$15,000 but no more than \$50,000: Requires the authorization, approval, and/or review from the individual responsible for the cost center, the Finance Director, a Deputy or Division Chief, and the Fire Chief. Three written quotes are required.
- (4) Greater than \$50,000: Requires authorization and approval from the Fire Chief and Board of Directors.
- (5) Purchases exceeding \$150,000: In addition to requirements above, these purchases will require a formal Invitation to Bid or Request for Proposals process. See District Public Contracting Rules 137-047-0260 (see Appendix A - p. 56) for further information.

3. Personal Services - Personal Services are defined in District Public Contracting Rule 137-046-0110(23) and (24) (see Appendix A - p. 2) and are also commonly referred to as 'independent contractor', 'professional services', or 'consulting services.' Personal Services contracts engage third party service providers who possess professional knowledge or specialized skills required to perform the service. Examples include: doctor, financial advisor, attorney, auditor, mediator, real estate broker, trainer/speaker, and lobbyist.

- a) In all cases, the District shall follow the rules and procedures in District Public Contracting Rule E-17 (see Appendix A - p. 90) unless governed by Public Contracting Rules, Division 48 (see Appendix A - p. 37).
- b) Employee vs. Independent Contractor Determination: Generally, an established vendor is an independent contractor. A compensated individual, like a sole proprietor, who works for the District providing personal services, may be considered an employee unless the individual is capable of meeting the requirements to be categorized as an independent contractor.
- c) District Employees as Independent Contractors: In very rare cases, a District employee may contract with the District as a vendor:
 - (1) The employee must be classified as an independent contractor by Finance and Human Resources.
 - (2) The employee is required to execute a formal contract under the employee's business name, and the contract

may only be awarded to the employee after an appropriate competitive solicitation process is performed.

- (3) The employee must abide by the Code of Ethics and Conduct and Conflict of Interest SOPs.
- d) Unless a special procurement or exemption applies, when the total Personal Services contract is estimated to be:
 - (1) No more than \$ 10,000: No quotes are required, however, obtaining three verbal quotes is recommended. Approval from the Fire Chief is required.
 - (2) Over \$10,000 to \$50,000: Three written quotes are required per District Public Contracting Rule E-17 (see Appendix A - p. 90). Approval from the Fire Chief is required.
 - (3) Over \$50,000: Three written quotes are required per District Public Contracting Rule E-17 (see Appendix A - p. 90) . Approval from the Board of Directors is required.

4. Public Improvement and Related Professional Services

- a) Architectural, Engineering and Related Services refers to professional services that are required to be performed by an architect, engineer, transportation planner or land surveyor. Contracting for these services must be pursuant to the District Public Contracting Rules Division 48 (see Appendix A - p. 37) and Board Policy.
- b) Public Improvement Contract generally means a contract for construction, reconstruction or major renovation, as more specifically defined in ORS 279A.010(1)(cc). Contracting for such projects is governed by District Public Contracting Rules, ORS.729C, and applicable Board Policy.

5. Employee Reimbursement Requests

- a) District employees will be reimbursed when prior approval has been given and the employee incurs personal expense for the purchase of goods, training or travel for the District.
 - (1) Except for emergencies, employees are encouraged to use one of multiple methods for purchasing goods/services using Fire District funds. Use of personal funds for Fire District purchases should be very minimal, if at all.
 - (2) Employees seeking reimbursement should plan on a 2-week processing period before reimbursement is issued.

- b) To seek reimbursement, the employee should submit a Request for Check to a designated administrative contact for entry into Munis.
 - (1) To seek reimbursement for training and travel use, the employee must include a signed Travel Authorization Form. This form must be completed prior to the event/travel.
 - (2) To seek reimbursement for mileage for non-overnight District travel, the employee must include supporting documentation tracking trips and miles driven.
- c) Except for expenses covered by authorized per diem rates, employees must submit receipts/invoices with reimbursement requests.
- d) Approval – the Department Head or authorized designee of the cost center being expensed should review and approve/disapprove the request through Munis Workflow. If the employee is a Director, the Deputy Chief, the Finance Director, or the Fire Chief or designee will approve the form.

IV. PURCHASING PROTOCOL

A. Requisitions - A Requisition Order must be generated for all materials and/or services to be purchased, unless another pre-approved method has been set up with Finance. A Requisition Order will initiate and authorize the order of an item or service, request an item from inventory, and “order” internal services from Fleet, IT, Facilities and others. The Requisition must be approved by the appropriate personnel through Munis Workflow as referenced in Table 1.

1. A Requisition will be entered into Munis for all purchases. Purchases of more than \$5,000 should have three written quotes attached in Munis prior to release through Workflow. Reference Table 1 for Quote and Documentation Requirements.
2. To enter a Requisition for a purchase in Munis, you will need:
 - a) The vendor’s name, address, phone number
 - b) Cost Center and account number to be charged (i.e. 101650 - 7110 for Finance professional services)
 - c) Description of material or service, and what needs to be ordered
 - d) Quantity and price per item
 - e) Total Cost, including shipping (if an exact amount is not yet known, enter the best estimate possible)
 - f) The date the materials are required should be entered in the “Notes” or “General Notes” section in Munis Requisition Entry.
 - g) Any required written quotes scanned and attached in Munis.
 - (1) If quotes are required but the requestor was unable to obtain three written quotes, include a note with the reason in the “Notes” or “General Notes” section in Munis Requisition Entry, i.e. the item is sole-source or available through a cooperative purchasing agreement.
 - (2) If the order has been previously bid out by another government entity with cooperative language, then three quotes are not needed, but the reason for not obtaining three quotes should be noted on the “Notes” or “General Notes” section in Munis Requisition Entry.
 - h) Upon receipt of a Requisition Order, the Logistics Department will obtain a source of supply, if the requesting department has not already done so. This is done by selection of options that will give the best price, proper quality, and service.
3. All purchases shall be routed electronically through Munis Workflow for approval with appropriate documentation. Reference Table 1 for

appropriate approval authority.

4. Once completed, the requisition is forwarded to the Logistics Department for conversion to:
 - a) Purchase Order – Requisitions will be converted to a purchase order if the purchase is periodic or infrequent (i.e. SCBA replacement); incident or event-based (i.e. mechanical failure or purchase of firefighting equipment); or required by a vendor to complete an order. Also use this process to order inventory items that will be “received” by Logistics.
 - b) Contract – Contracts function as a blanket purchase order, an agreement for future purchases, for purposes of tracking future renewal, and for services requiring a bid. Requisitions will be converted to a Contract if the purchase is an ongoing cost (i.e. monthly lease payments, bulk fuel purchases, dispatch services); requires progress payments (i.e. construction projects or software implementation); or has agreed upon pricing (i.e. per copy costs on printers, insurance).
 - c) Work Order – Requisitions will be converted to a work order if related to an internal repair or service requiring the purchase of items (i.e. a ticket is submitted to repair a broken transmission, requiring the purchase of the transmission).
 - d) Pick Ticket – Requisitions will be converted to a work order if the item has already been purchased and is in Logistics inventory. Logistics will pull the item from inventory and send to the requestor.
 5. Completed Requisition Orders will be routed to the Logistics Department for order processing upon completion of approvals through Workflow.
- B. Request for Check** - The Request for Check process may be used for employee reimbursements, travel advances, mileage, conference registrations, tuition reimbursements, and other reimbursements or advance payments as authorized by the Finance Department. See Section III.5 above for further details.
- C. Purchasing Cards** - The District uses the purchasing card program for small items, one-time and occasional vendors, travel, and certain types of recurring purchases in order to improve the efficiency and cost-effectiveness of the ordering process. This program will be periodically updated as needed by the Finance Department. Purchasing cards are not to be used as a method to circumvent the purchasing policy but simply as a method of payment. The policy and process for purchasing card use and reporting the requirements is defined in

the Purchasing Card SOP found under the Finance Section of the SOP reference on the D1Net.

V. Petty Cash / Card Purchases

- A. To improve efficiency and availability, the Fire District may use petty cash funds or purchasing cards for material purchases of \$50 or less. Such expenses will be refunded to the employee upon presentation of a properly documented, authorized request for payment to a petty cash custodian. This documentation must include the original receipt, proper account code, approval by an authorized individual or designee, and any other pertinent back-up documentation.
- B. Staffed fire stations and certain departments will be issued purchasing cards for use in lieu of cash.
 1. The cards will have a \$200 maximum limit.
 2. Staff may check cards out from the petty cash custodian for use on qualifying purchases.
 3. The Fire District's SOP on Purchasing Cards applies to use of these cards as well.
 4. Petty cash purchasing cards will be reconciled by each petty cash custodian monthly in the same timing and manner as other purchasing cards. See the SOP on Purchasing Cards for further information.
 - a) Administration will retain \$400 in petty cash funds and the Boring fire station will retain \$200 in petty cash funds. Employees seeking a cash reimbursement may present documentation and authorization at Administration or Boring for immediate reimbursement.
 5. Petty cash funds will be reconciled by each petty cash custodian, submitted to the Finance Department, and replenished on an as needed basis, but at least quarterly.
- C. The petty cash account should be used for casual purchases only when:
 1. There is immediate need for the item, which is not obtainable through the Logistics Department;
 2. The employee does not have a purchasing card or the vendor will not take a purchasing card;
 3. The purchase is under \$50.

VI. Inspection and Receiving

- A. It is the responsibility of the Logistics Department to check materials against the purchase order for conformance to quality, quantity, and specifications.
- B. When materials and services are received, the following procedures will be

observed:

1. Deliveries should not be accepted without obtaining some form of delivery ticket or packing list. Every vendor must obtain a signature for their records, but personnel should make certain that he/she leaves a copy for District records. Exceptions to this are UPS and Federal Express, when District personnel can obtain needed information via the vendor Web site.
2. When personnel receive goods, they must not sign collect freight bills, but should instead notify the delivery service that the freight bills must be prepaid, and advise the Department/Division Head.
3. Personnel must examine the container at the point of delivery and make a notation on the packing/delivery slip and/or carrier freight bill for each dent or tear, no matter how minor the damage.
4. The delivery slip must be verified to see that it agrees with the materials and services received.
5. The delivery slip should be compared with the purchase order and any price adjustments, shipping costs, etc., made directly on the receiving purchase order.
6. If there is a discrepancy with the order (i.e., overage or shortage), the vendor and/or delivery driver should be contacted to determine resolution.
7. The verified items should be entered into the Munis system. If the personnel does not enter (or is not responsible for entering) the items into the accounting system, they must forward to the Logistics Department the receiving purchase order, along with the words "Okay to receive in accounting system" written on it.
8. If the purchase order is received in its entirety (complete), the original receiving purchase order shall be marked as "Received", and the packing/delivery slip scanned and attached in Munis. Once this is complete, it constitutes authorization for **final** payment.
9. If the order is not complete:
 - a) The items received should be recorded on the receiving purchase order.
 - b) The packing/delivery slips and invoice (if available) should be scanned and attached to the purchase order in Munis as authorization for partial payment.
 - c) The verified items should be entered into the inventory system. If the receiving party does not enter (or is not responsible for

entering) the items into the inventory system, a copy of the receiving purchase order should be forwarded to the Logistics Department as stated in (8) above.

- d) When final delivery is made and the purchase order is complete, the remaining packing/delivery slips should be scanned and attached in Munis as stated in (8) above.

10. The receiving purchase order will be filed alphabetically by vendor, along with the paid invoice and copy of voucher/check in the Finance Department's current fiscal year vendor files.

VII. Payment of Invoices

A. All invoices from vendors shall be mailed directly to the Finance Department for payment.

- 1.** All invoices should be submitted by postal mail to:

Clackamas Fire District #1
Attn: Accounts Payable
11300 SE Fuller Rd
Milwaukie, OR 97222

Or, via email to: accountspayableinbox@clackamasfire.com

- 2.** If the originating department/division receives the invoice directly, they will immediately:

- a) Forward a scanned copy of the invoice to Accounts Payable via the email address.
- b) Hand deliver the original invoice to Accounts Payable.
- c) Send the invoice to Accounts Payable through interoffice mail.
- d) Vendors will be encouraged to send invoices directly to the Finance Department address or the Accounts Payable email address.
- e) Vendors will also be encouraged to indicate the related Purchase Order or Requisition number on each invoice.
- f) HeThe Finance Department will process all invoices for payment purposes. Vendor statements cannot be used for payment purposes.

B. Most goods will be received through Logistics and entered into Munis as 'Received' by Logistics. For services and goods not received through Logistics, personnel receiving the goods or services must notify Logistics or Accounts Payable in writing of satisfactory receipt of the purchase before an invoice can be paid.

- 1.** Note: One item requiring special clarification is the "F.O.B. shipping

point." In those cases, freight charges will be prepaid and shown as a separate item on the invoice. In no case will the District receive freight on a collector COD basis, unless those arrangements have been pre-approved by the Logistics Manager.

- C. Payments to vendors are generally issued weekly on Thursday. Payment requests must be submitted with all required documentation to the Accounts Payable office no later than 4:30 PM on Tuesday to be included in that week's check run. See the SOP titled "Accounts Payable Check Request Deadline and Process" for further details.

VIII. Emergency Purchases

- A. "Emergency" shall be defined as follows: "Circumstances that (a) could not have reasonably been foreseen; (b) create a substantial risk of loss, damage, or interruption of services or a substantial threat to property, public health, welfare, or safety; and (c) require prompt execution of a contract to remedy the situation."
- B. When emergency conditions will not permit bids to be obtained, bids or quotations may not be required. However, ratification of the purchase decision must be obtained by the appropriate approving party within the next working day.
- C. In the event of a natural disaster or calamity, expenditures or authorization to borrow money not contemplated in the budget shall be authorized by:
 - 1. The Board of Directors by resolution, or
 - 2. The Fire Chief or the Fire Chief's designee by written order in the event prompt action is necessary to protect the public health or safety following such an emergency, and when it is not practical to convene a meeting of the Board of Directors. (ORS 294.481)
 - 3. The Fire Chief or the Fire Chief's designee shall have authority to approve and execute contracts in any amount without approval of the Board: provided, however, that the Fire Chief or the Fire Chief's designee shall make all reasonable efforts to obtain approval of the Board Chair before entering into a contract in excess of \$50,000.
 - 4. The Fire Chief or designee shall have authority to determine when emergency conditions exist sufficient to warrant an emergency contract. The nature of the emergency and the method used for the selection of the contractor shall be documented.
 - 5. Emergency contracts may be awarded as follows:
 - a) Goods and Services - Emergency contracts for procurement of goods and services may be awarded pursuant to ORS 279B.080,

the District's Public Contracting Rules, and Section VII herein.

- b) Public Improvements - Emergency contract for public improvements may be awarded according to the process set forth in the District Public Contracting Rules.
- IX. Exemptions from Competitive Bidding on Contracts

 - B. The Logistics Department Manager or designee will have the authority to join other units of government in cooperative purchasing when it serves the best interest of the District. This is usually done by entering into intergovernmental agreements with other federal, state, and/or local governments for intergovernmental and cooperative purchasing as needed for the District's benefit.
 - XII. Requests for Proposals ("RFP")
 - A. An RFP process may be desirable for the procurement of certain goods and services, or public improvement projects. These circumstances usually arise when considerations beyond the price of the product, service, or work are important to the District. When this occurs, it is the District's responsibility to identify the criteria, associated weights, specifications and other requirements that would satisfy the District's needs. Contact the Finance Director for assistance with this method of procurement.
 1. In making an award using the request for proposal process for goods and services, the District shall follow the procedures laid out in District Public Contracting Rule 137-047-0260 (see Appendix A - p. 13) and other

applicable Division 47 rules (see Appendix A - p. 10). The evaluation process(s) to be used shall be stated in the RFPs. Contact Finance Director for assistance with RFP preparation.

137-046-0300

Preference for Oregon Goods and Services; Nonresident Bidders

(1) **Award When Offers Identical.** When a Contracting Agency receives Offers identical in price, fitness, availability and quality, and chooses to award a Contract, the Contracting Agency shall award the Contract based on the following order of precedence:

- (a) The Agency shall award the Contract to the Offeror among those submitting identical offers that is offering Goods or Services or Personal Services that have been manufactured or produced in Oregon.
- (b) If two or more Offerors submit identical Offers, and both offer Goods or Services or Personal Services manufactured or produced in Oregon, the Contracting Agency shall award the Contract by drawing lots among the identical Offers offering Goods or Services or Personal Services that have been manufactured or produced in Oregon. The Offerors that submitted the identical Offers subject to the drawing of lots shall be given notice and an opportunity to be present when the lots are drawn.
- (c) If the Contracting Agency receives identical Offers, and none of the identical Offers offer Goods or Services or Personal Services manufactured or produced in Oregon, then the Contracting Agency shall award the Contract by drawing lots among the identical Offers. The Offerors that submitted the identical Offers subject to the drawing of lots shall be given notice and an opportunity to be present when the lots are drawn.

(2) **Determining if Offers are Identical.** A Contracting Agency shall consider Offers identical in price, fitness, availability and quality as follows:

- (a) Bids received in response to an Invitation to Bid are identical in price, fitness, availability and quality if the Bids are Responsive, and offer the Goods or Services or Personal Services described in the Invitation to Bid at the same price.

For the purposes of complying with section 1 of this Rule, Contracting Agencies may request, either in a Solicitation Document, following Closing, or at any other time determined appropriate by the Contracting Agency, any information the Contracting Agency determines is appropriate and necessary to allow the Contracting Agency to determine if the Goods or Services or Personal Services are manufactured or produced in Oregon. A Contracting Agency may use any reasonable criteria to determine if Goods or Services or Personal Services are manufactured or produced in Oregon, provided that the criteria reasonably relate to that determination, and provided that the Contracting Agency applies those criteria equally to each Bidder or Proposer.

(4) **Procedure for Drawing Lots.** In any instance when this Section calls for the drawing of lots, the Contracting Agency shall draw lots by a procedure that affords each Offeror subject to the drawing a substantially equal probability of being selected, and that does not allow the person making the selection the opportunity to manipulate the drawing of lots to increase the probability of selecting one Offeror over another.

An Invitation to Bid is used to initiate a competitive sealed bidding solicitation and shall contain the information required by ORS 279B.055(2) and by section 2 of this rule. The Contracting Agency shall provide public notice of the competitive sealed bidding solicitation as set forth in 137-047-0300.

(B) The form and instructions for submission of Bids and any other special information, e.g., whether Bids may be submitted by electronic means (See Rule 137-047-0330 for required provisions of electronic Bids);

(C) The time, date and place of Opening;

(D) The office where the Solicitation Document may be reviewed;

(E) A statement that each Bidder must identify whether the Bidder is a "resident Bidder," as defined in ORS 279A.120(1);

Pursuant to ORS 279B.055, the Contracting Agency's description of its need to purchase must:
- (A) Identify the scope of the work to be performed under the resulting Contract, if the Contracting Agency awards one;
- (B) Outline the anticipated duties of the Contractor under any resulting Contract;
- (C) Establish the expectations for the Contractor's performance of any resulting Contract; and
- (D) Unless the Contracting Agency for good cause specifies otherwise, the scope of work must require the Contractor to meet the highest standards prevalent in the industry or business most closely involved in providing the goods or services that the Contracting Agency is purchasing.
- (c) Bidding and Evaluation Process.
- (A) The anticipated solicitation schedule, deadlines, protest process, and evaluation process;
- (B) The Contracting Agency shall set forth objective evaluation criteria in the Solicitation Document in accordance with the requirements of ORS 279B.055(6)(a). Evaluation criteria need not be precise predictors of actual future costs, but to the extent possible, such evaluation factors shall be reasonable estimates of actual future costs based on information the Contracting Agency has available concerning future use; and
- (C) If the Contracting Agency intends to Award Contracts to more than one Bidder pursuant to Rule 137-047-0600(4)(c), the Contracting Agency shall identify in the Solicitation Document the manner in which it will determine the number of Contracts it will Award.
- (d) Applicable preferences pursuant to ORS 279B.055(6)(b).
- (e) For Contracting Agencies subject to ORS 305.385, Contractor's certification of compliance with the Oregon tax laws in accordance with ORS 305.385.

Pursuant to ORS 279B.055, the Contract terms and conditions must specify the consequences of the Contractor's failure to perform the scope of work or to meet the performance standards established by the resulting Contract. Those consequences may include, but are not limited to:
- (A) The Contracting Agency's reduction or withholding of payment under the Contract;
- (B) The Contracting Agency's right to require the Contractor to perform, at the Contractor's expense, any additional work necessary to perform the statement of work or to meet the performance standards established by the resulting Contract; and

For the purposes of this rule, "Good Cause" means a reasonable explanation for not requiring Contractor to meet the highest standards, and may include an explanation of circumstances that support a finding that the requirement would unreasonably limit competition or is not in the best interest of the Contracting Agency. The Contracting Agency shall document in the Procurement file the basis for the determination of Good Cause for specification otherwise. A Contracting Agency will have Good Cause to specify otherwise under the following circumstances:
- (a) The use or purpose to which the Goods or Services will be put does not justify a requirement that the Contractor meet the highest prevalent standards in performing the Contract;
- (b) Imposing express technical, standard, dimensional or mathematical specifications will better ensure that the Goods or Services will be compatible with or will operate efficiently or effectively with components, equipment, parts, Services or information technology including hardware, Services or software with which the Goods or Services will be used, integrated, or coordinated;
- (c) The circumstances of the industry or business that provides the Goods or Services are sufficiently volatile in terms of innovation or evolution of products, performance, techniques, scientific developments, that a reliable highest prevalent standard does not exist or has not been developed;
- (d) Any other circumstances in which Contracting Agency's interest in achieving economy, efficiency, compatibility or availability in the Procurement of the Goods or Services reasonably outweighs the Contracting Agency's practical need for the highest prevalent standard in the applicable or closest industry or business that supplies the Goods or Services to be delivered under the resulting Contract.

Multistep Sealed Bids

(1) Generally. A Contracting Agency may procure Goods or Services by using multistep competitive sealed Bids pursuant to ORS 279.055(12).

(2) Phased Process. Multistep bidding is a phased process that seeks necessary information or unpriced technical Bids in the initial phase and regular competitive sealed bidding, inviting Bidders who submitted technically eligible Bids in the initial phase to submit competitive sealed price Bids on the technical Bids in the final phase. The Contract shall be Awarded to the lowest Responsible Bidder. If time is a factor, the Contracting Agency may require Bidders to submit a separate sealed price Bid during the initial phase to be opened after the technical evaluation.

(3) Public Notice. Whenever multistep sealed Bids are used, public notice for the first phase shall be given in accordance with Rule 137-047-0300. Public notice is not required for the subsequent phases. However, a Contracting Agency shall give notice of subsequent phases to all Bidders and inform Bidders of the right to protest Addenda issued after initial Closing pursuant to Rule 137-047-430 and inform Bidders excluded from the subsequent phases of the right, if any, to protest exclusion pursuant to Rule 137-047-0720.

(4) Procedures Generally. In addition to the procedures set forth in Rules 137-047-0300 through 137-047-0490, a Contracting Agency shall employ the procedures set forth in this rule for multistep bidding:

(a) Solicitation Protest. Prior to the Closing of phase one, a Contracting Agency shall provide an opportunity to protest the solicitation and under ORS 279B.405 and Rule 137-047-0730.

(b) Addenda Protest. A Contracting Agency may, provide an opportunity to protest any Addenda issued during phase two pursuant to Rule 137-047-0430(3)(b).

(c) Exclusion Protest. A Contracting Agency may, but is not required to provide an opportunity for a Bidder to protest exclusion from the second round of multistep sealed Bids as set forth in Rule 137-047-0720.

(d) Administrative Remedy. Proposers may submit a protest to any Addenda or to any action by the Contracting Agency that has the effect of excluding the Proposer from the second phase of multistep bidding to the extent such protests are provided for in the Solicitation Document or required by this section. Failure to so protest shall be considered the Bidder's failure to pursue an administrative remedy made available to the Bidder by the Contracting Agency.

(e) Award Protest. A Contracting Agency shall provide an opportunity to protest its intent to Award a Contract pursuant to ORS 279B.410 and Rule 137-047-0740. An Affected Bidder may protest, for any of the bases set forth in Rule 137-047-0720(2), its exclusion from the second phase of a multistep sealed Bid, or an Addendum issued following initial Closing, if the Contracting Agency did not previously provide Bidders the opportunity to protest such exclusion or Addendum.

(5) Procedure for Phase One of Multistep Sealed Bids.

(a) Form. Multistep sealed bidding shall be initiated by the issuance of an Invitation to Bid in the form and manner required for competitive sealed Bids except as hereinafter provided. In addition to the requirements set forth in Rule 137-047-0255(2), the multistep Invitation to Bid shall state:

(A) That un-priced technical Bids are requested;

(B) Whether price Bids are to be submitted at the same time as un-priced technical Bids; if they are, that such price Bids shall be submitted in a separate sealed envelope;

(C) That the solicitation is a multistep sealed Bid Procurement, and priced Bids will be considered only in the second phase and only from those Bidders whose un-priced technical Bids are found eligible in the first phase;

(D) The criteria to be used in the evaluation of un-priced technical Bids;

(E) That the Contracting Agency, to the extent that it finds necessary, may conduct oral or written discussions for the purposes of clarification of the un-priced technical Bids;

(F) That the Goods or Services being procured shall be furnished generally in accordance with the Bidder's technical Bid as found to be finally eligible and shall meet the requirements of the Invitation to Bid.

(G) Whether Bidders excluded from subsequent phases have a right to protest the exclusion before the notice of intent to Award. Such information can be given or changed by Addenda.

(b) Addenda to the Invitation to Bid. After receipt of un-priced technical Bids, Addenda to the Invitation to Bid shall be distributed only to Bidders who submitted un-priced technical Bids.

(c) Receipt and Handling of Un-priced Technical Bids. Un-priced technical Bids need not be opened publicly.

(d) Evaluation of Un-Priced Technical Bids. Un-priced technical Bids submitted by Bidders shall be evaluated solely in accordance with the criteria set forth in the Invitation to Bid. Un-priced technical Bids shall be categorized as:

(A) Eligible;

(B) Potentially eligible; that is, reasonably susceptible of being made eligible; or

(C) Ineligible. The Contracting Agency shall record in writing the basis for determining a Bid ineligible and make it part of the Procurement file. The Contracting Agency may initiate phase two of the procedure if, in the Contracting Agency's opinion, there are sufficient eligible un-priced technical Bids to assure effective price competition in the second phase without technical discussions. If the Contracting Agency finds that

such is not the case, the Contracting Agency may issue an Addendum to the Invitation to Bid or engage in technical discussions as set forth in subsection (5)(e) of this rule.

(e) Discussion of Un-priced Technical Bids. The Contracting Agency may seek clarification of a technical Bid by any eligible, or potentially eligible Bidder. During the course of such discussions, the Contracting Agency shall not disclose any information derived from one un-priced technical Bid to any other Bidder. Once discussions are begun, any Bidder who has not been notified that its Bid has been finally found ineligible may submit supplemental information amending its technical Bid at any time until the Closing of the final step established by the Contracting Agency. Such submission may be made at the request of the Contracting Agency or upon the Bidder's own initiative.

(f) Notice of Ineligible Un-priced Technical Bid. When the Contracting Agency determines a Bidder's un-priced technical Bid to be ineligible, such Bidder shall not be afforded an additional opportunity to supplement its technical Bids.

In addition to the procedures set forth in Rules 137-047-0300 through 137-047-0490 for methods of Contractor selection, a Contracting Agency may provide for a multi-tiered or multi-step selection process that permits awards to the highest ranked proposer at any tier or step, calls for the establishment of a competitive range, or permits either serial or competitive simultaneous discussions or negotiations with one or more proposers. A Contracting Agency may employ one or more or any combination of the procedures set forth in this rule for competitive range, multi-tiered and multi-step proposals.

(2) Solicitation Protest. Prior to the initial Closing, a Contracting Agency shall provide an opportunity to protest the solicitation under ORS 279B.405 and Rule 137-047-0730.

(a) Determining Competitive Range.

(A) The Contracting Agency shall establish a Competitive Range after evaluating all Responsive Proposals in accordance with the evaluation criteria set forth in the Request for Proposals. After evaluation of all Proposals in accordance with the criteria set forth in the Request for Proposals, the Contracting Agency shall determine and rank the Proposers in the Competitive Range. Notwithstanding the foregoing, a Contracting Agency may establish a Competitive Range of all Proposers to enter into discussions with Proposers for the purpose of correcting deficiencies in Proposals under subsection (2) of this rule.

(B) The Contracting Agency may increase or decrease the number of Proposers in the Competitive Range if the Contracting Agency's evaluation of Proposals establishes a natural break in the scores of Proposers indicating a number of Proposers greater or less than the initial Competitive Range are closely competitive, or have a reasonable chance of being determined the most Advantageous Proposer.

(b) Protesting Competitive Range. The Contracting Agency shall provide written notice to all Proposers identifying Proposers in the Competitive Range. A Contracting Agency may provide an opportunity for Proposers excluded from the Competitive Range to protest the Contracting Agency's evaluation and determination of the Competitive Range in accordance with Rule 137-030-0720.

(c) Intent to Award; Discuss or Negotiate. After determination of the Competitive Range and after any protest period provided in accordance with subsection (1)(b) expires, or after the Contracting Agency has provided a final response to any protest, whichever date is later, the Contracting Agency may either:

(A) Provide written notice to all Proposers in the Competitive Range of its intent to Award the Contract to the highest-ranked Proposer in the Competitive Range.

(i) An unsuccessful Proposer may protest the Contracting Agency's intent to Award in accordance with Rule 137-047-0740 and ORS 279B.410.

(ii) After the protest period provided in accordance with Rule 137-047-0740 expires, or after the Contracting Agency has provided a final response to any protest, whichever date is later, the Contracting Agency shall commence negotiations in accordance with section (3) of this rule with Proposers in the Competitive Range; or

(B) Engage in discussions with Proposers in the Competitive Range and accept revised Proposals from them as set forth in section (2) of this rule and following such discussions and receipt and evaluation of

(2) Discussions; Revised Proposals. If the Contracting Agency chooses to enter into discussions with and receive best and final Offers (See Rule 137-047-0262(4)), the Contracting Agency shall proceed as follows:

(a) Initiating Discussions. The Contracting Agency shall initiate oral or written discussions with all Proposers submitting Responsive Proposals or all Proposers in the Competitive Range (collectively "eligible Proposers") regarding their Proposals with respect to the provisions of the RFP that the Contracting Agency identified in the RFP as the subject of discussions. The Contracting Agency may conduct discussions for the following purposes:

(A) Informing eligible Proposers of deficiencies in their initial Proposals;

(B) Notifying eligible Proposers of parts of their Proposals for which the Contracting Agency would like additional information; or

(C) Otherwise allowing eligible Proposers to develop revised Proposals that will allow the Contracting Agency to obtain the best Proposal based on the requirements and evaluation criteria set forth in the Request for Proposals.

(b) Conducting Discussions. The Contracting Agency may conduct discussions with each eligible Proposer necessary to fulfill the purposes of this section 2, but need not conduct the same amount of discussions with each eligible Proposer. The Contracting Agency may terminate discussions with any eligible Proposer at any time. However, the Contracting Agency shall offer all eligible Proposers the same opportunity to discuss their Proposals with the Contracting Agency before the Contracting Agency notifies eligible Proposers of the date and time pursuant to section 4 that best and final Proposals will be due.

(A) In conducting discussions, the Contracting Agency:

(i) Shall treat all eligible Proposers fairly and shall not favor any eligible Proposer over another;

(ii) Shall disclose other eligible Proposer's Proposals or discussions only in accordance with ORS 279B.060(6)(a)(B) or (C);

(iii) May adjust the evaluation of a Proposal as a result of a discussion under this section. The conditions, terms, or price of the Proposal may be altered or otherwise changed during the course of the discussions provided the changes are within the scope of the Request for Proposals.

(B) At any time during the time allowed for discussions, the Contracting Agency may:

(i) Continue discussions with a particular eligible Proposer;

(ii) Terminate discussions with a particular eligible Proposer and continue discussions with other eligible Proposers; or

(iii) Conclude discussions with all remaining eligible Proposers and provide notice pursuant to section 4 of this rule to the eligible Proposers requesting best and final Offers.

(3) Negotiations.

(a) Initiating Negotiations. The Contracting Agency may commence serial negotiations with the highest-ranked eligible Proposers or commence simultaneous negotiations with all eligible Proposers as follows:

(A) After initial determination of which Proposals are Responsive; or

(B) After initial determination of the Competitive Range in accordance with section (1) of this rule; or

(C) After conclusion of discussions with all eligible Proposers and evaluation of revised Proposals (See section (2) of this rule).

(b) Conducting Negotiations.

(A) Scope. The Contracting Agency may negotiate:

(i) The statement of Work;

(ii) The Contract Price as it is affected by negotiating the statement of Work; and

Accordingly, Proposers shall not submit, and the Contracting Agency shall not accept, for negotiation any alternative terms and conditions that are not reasonably related to those expressly authorized for negotiation in the Request for Proposals or Addenda thereto.

(B) Terminating Negotiations. At any time during discussions or negotiations that the Contracting Agency conducts in accordance with sections (2) or (3) of this rule, the Contracting Agency may terminate discussions or negotiations with the highest-ranked Proposer, or the Proposer with whom it is currently discussing or negotiating, if the Contracting Agency reasonably believes that:

(i) The Proposer is not discussing or negotiating in good faith; or

(ii) Further discussions or negotiations with the Proposer will not result in the parties agreeing to the terms and conditions of a final Contract in a timely manner.

(c) Continuing Serial Negotiations. If the Contracting Agency is conducting serial negotiations and the Contracting Agency terminates negotiations with a Proposer in accordance with paragraph 3(b)(B) of this rule, the Contracting Agency may then commence negotiations with the next highest scoring Proposer in the Competitive Range, and continue the process described in section (3) of this rule until the Contracting Agency has either:

(A) Determined to Award the Contract to the Proposer with whom it is currently discussing or negotiating; or

(B) Completed one round of discussions or negotiations with all Proposers in the Competitive Range, unless the Contracting Agency provided for more than one round of discussions or negotiations in the Request for Proposals, in which case the Contracting Agency has completed all rounds of discussions or negotiations.

(A) Shall treat all Proposers fairly and shall not favor any Proposer over another;

(B) May disclose other Proposer's Proposals or the substance of negotiations with other Proposers only if the Contracting Agency notifies all of the Proposers with whom the Contracting Agency will engage in negotiations of the Contracting Agency's intent to disclose before engaging in negotiations with any Proposer.

(e) Any oral modification of a Proposal resulting from negotiations under this section (3) shall be reduced to Writing by the Proposer.

(4) Best and Final Offers. If best and final Offers are required, a Contracting Agency shall establish a common date and time by which Proposers must submit best and final Offers. Best and final Offers shall be submitted only once; provided, however, the Contracting Agency may make a written determination that it is in the Contracting Agency's best interest to conduct additional discussions, negotiations or change the Contracting Agency's requirements and require another submission of best and final Offers. Otherwise, no discussion of or changes in the best and final Offers shall be allowed prior to Award. Proposers shall also be informed if they do not submit notice of withdrawal or another best and final Offer, their immediately previous Offer will be construed as their best the final Offer. The Contracting Agency shall evaluate Offers as modified by the best and final Offer. The Contracting Agency shall conduct evaluations conducted as described in Rule 137-047-0600. The Contracting Agency shall not modify evaluation factors or their relative importance after the date and time that best and final Offers are due.

Multistep Sealed Proposals

(1) Generally. A Contracting Agency may procure Goods or Services by using multistep competitive sealed Proposals pursuant to ORS 279.060(6)(b)(G).

(2) Phased Process. Multistep sealed Proposals is a phased Procurement process that seeks necessary information or un-priced technical Proposals in the initial phase and invites Proposers who submitted technically qualified Proposals in the initial phase to submit competitive sealed price Proposals on the technical Proposers in the final phase. The Contract shall be Awarded to the Responsible Proposer submitting the most Advantageous Proposal in accordance with the terms of the Solicitation Document applicable to the final phase. If time is a factor, the Contracting Agency may require Proposers to submit a separate sealed price Proposal during the initial phase to be opened after the technical evaluation.

(3) Public Notice. Whenever multistep sealed Proposals are used, public notice for the first phase shall be given in accordance with Rule 137-047-0300. Public notice is not required for the subsequent phases. However, a Contracting Agency shall give notice of the subsequent phases to all Proposers and inform any Proposers excluded from the subsequent phases of the right, if any, to protest exclusion pursuant to Rule 137-047-0720.

(a) Form. Multistep sealed Proposals shall be initiated by the issuance of a Request for Proposal in the form and manner required for competitive sealed Proposals except as provided in this rule. In addition to the requirements set forth in Rule 137-047-0260(2), the multistep Request for Proposal shall state:

(A) That un-priced technical Proposals are requested;

(B) Whether price Proposals are to be submitted at the same time as un-priced technical Proposals; that if they are, such price Proposals shall be submitted in a separate sealed envelope;

(C) That the solicitation is a multistep sealed Proposal Procurement, and that priced Proposals will be considered only in the subsequent phases from those Proposers whose un-priced technical Proposals are found qualified in the first phase;

(D) The criteria to be used in the evaluation of un-priced technical Proposals;

(E) That the Contracting Agency, to the extent that it finds necessary, may conduct oral or written discussions of the un-priced technical Proposals;

(F) That the Goods or Services being procured shall be furnished generally in accordance with the Proposer's technical Proposal as found to be finally qualified and shall meet the requirements of the Request for Proposal.

(G) Whether Proposers excluded from subsequent phases have a right to protest the exclusion. Such information can be given or changed through Addenda.

(b) Addenda to the Request for Proposal. After receipt of un-priced technical Proposals, Addenda to the Request for Proposal shall be distributed only to Proposers who submitted un-priced technical Proposals.

- (c) Receipt and Handling of Un-priced Technical Proposals. Un-priced technical Proposals need not be opened publicly.

- (A) Qualified;
 - (B) Potentially qualified; that is, reasonably susceptible of being made qualified; or
 - (C) Unqualified. The Contracting Agency shall record in writing the basis for determining a Proposal unqualified and make it part of the Procurement file. The Contracting Agency may initiate phase two of the procedure if, in the Contracting Agency's opinion, there are sufficient qualified or potentially qualified un-priced technical Proposals to assure effective price competition in the second phase without technical discussions. If the Contracting Agency finds that such is not the case, the Contracting Agency shall issue an Addendum to the Request for Proposal or engage in technical discussions as set forth in subsection 4(e).
- (e) Discussion of Un-priced Technical Proposals. The Contracting Agency may seek clarification of a technical Proposal of any Proposer who submits a qualified, or potentially qualified technical Proposal. During the course of such discussions, the Contracting Agency shall not disclose any information derived from one un-priced technical Proposal to any other Proposer. Once discussions are begun, any Proposer who has not been notified that its Proposal has been finally found unqualified may submit supplemental information amending its technical Proposal at any time until the Closing date established by the Contracting Agency. Such submission may be made at the request of the Contracting Agency or upon the Proposer's own initiative.
- (f) Notice of Unqualified Un-priced Technical Proposal. When the Contracting Agency determines a Proposer's un-priced technical Proposal to be unqualified, such Proposer shall not be afforded an additional opportunity to supplement its technical Proposals.
- (g) Mistakes During Multistep Sealed Proposals. Mistakes may be corrected or Proposals may be withdrawn during phase one:
- (A) Before un-priced technical Proposals are considered;
 - (B) After any discussions have commenced under subsection 4(e) of this rule;

 - (B) If price Proposals have not been submitted, technical discussions have been held, or Addenda to the Request for Proposals have been issued, invite each qualified Proposer to submit price Proposals.
- (b) Conduct. Phase two shall be conducted as any other competitive sealed Proposal solicitation except:
- (A) As specifically set forth in this rule; and

(3) Content of Advertisement. All advertisements for Offers shall set forth:

- (a) Where, when, how, and for how long the Solicitation Document may be obtained;
- (b) A general description of the Goods or Services to be acquired;
- (c) The interval between the first date of notice of the Solicitation Document given in accordance with subsection 2(a) or (b) above and Closing, which shall not be less than fourteen (14) Days for an Invitation to Bid and thirty (30) Days for a Request for Proposals, unless the Contracting Agency determines that a shorter interval is in the public's interest, and that a shorter interval will not substantially affect competition. However, in no event shall the interval between the first date of notice of the Solicitation Document given in accordance with subsection 2(a) or (b) above and Closing be less than seven (7) Days as set forth in ORS 279B.055(4)(f). The Contracting Agency shall document the specific reasons for the shorter public notice period in the Procurement file;

Bids or Proposals are Offers

(1) Offer and Acceptance. The Bid or Proposal is the Bidder's or Proposer's Offer to enter into a Contract. The Offer is a "Firm Offer," i.e., the Offer shall be held open by the Offeror for the Contracting Agency's

acceptance for the period specified in Rule 137-047-0480. The Contracting Agency's Award of the Contract constitutes acceptance of the Offer and binds the Offeror to the Contract.

(a) In competitive bidding and competitive Proposals, the Offer is always a "Firm Offer," i.e. the Offer shall be held open by the Offeror for the Contracting Agency's acceptance for the period specified in Rule 137-047-0480. The Contracting Agency may elect to accept the Offer at any time during the specified period, and the Contracting Agency's Award of the Contract constitutes acceptance of the Offer and binds the Offeror to the Contract.

(b) Notwithstanding the fact that a competitive Proposal is a "Firm Offer" for the period specified in Rule 137-047-0480, the Contracting Agency may elect to discuss or negotiate certain contractual provisions, as identified in these rules or in the Solicitation Document, with the Proposer. Where negotiation is permitted by the rules or in the Solicitation Document, Proposers are obligated to negotiate in good faith and only on those terms or conditions that the rules or the Solicitation Document have reserved for negotiation.

(2) Contingent Offers. Except to the extent the Proposer is authorized to propose certain terms and conditions pursuant to Rule 137-047-0262, a Proposer shall not make its Offer contingent upon the Contracting Agency's acceptance of any terms or conditions (including Specifications) other than those contained in the Solicitation Document.

(3) Offeror's Acknowledgment. By Signing and returning the Offer, the Offeror acknowledges it has read and understands the terms and conditions contained in the Solicitation Document and that it accepts and agrees to be bound by the terms and conditions of the Solicitation Document. If the Request for Proposals permits proposal of alternative terms under Rule 137-047-0262, the Offeror's Offer includes the nonnegotiable terms and conditions and any proposed terms and conditions offered for negotiation upon and to the extent accepted by the Contracting Agency in Writing, and Offeror's agreement to perform the scope of work and meet the performance standards set forth in the final negotiated scope of work.

Facsimile Bids and Proposals

(1) Contracting Agency Authorization. A Contracting Agency may authorize Offerors to submit facsimile Offers. If the Contracting Agency determines that Bid or Proposal security is or will be required, the Contracting Agency should not authorize facsimile Offers unless the Contracting Agency has another method for receipt of such security. Prior to authorizing the submission of facsimile Offers, the Contracting Agency shall determine that the Contracting Agency's equipment and personnel are capable of receiving the size and volume of anticipated Offers within a short period of time. In addition, the Contracting Agency shall establish administrative procedures and controls:

(a) To receive, identify, record, and safeguard facsimile Offers;

(b) To ensure timely delivery of Offers to the location of Opening; and

(c) To preserve the Offers as sealed.

(2) Provisions To Be Included in Solicitation Document. In addition to all other requirements, if the Contracting Agency authorizes a facsimile Offer, the Contracting Agency will include in the Solicitation Document the following:

(a) A provision substantially in the form of the following: "A 'facsimile Offer,' as used in this Solicitation Document, means an Offer, modification of an Offer, or withdrawal of an Offer that is transmitted to and received by the Contracting Agency via a facsimile machine";

(b) A provision substantially in the form of the following: "Offerors may submit facsimile Offers in response to this Solicitation Document. The entire response must arrive at the place and by the time specified in this Solicitation Document";

(c) A provision that requires Offerors to Sign their facsimile Offers;

(d) A provision substantially in the form of the following: "The Contracting Agency reserves the right to Award the Contract solely on the basis of a facsimile Offer. However, upon the Contracting Agency's request the apparent successful Offeror shall promptly submit its complete original Signed Offer";

(e) The data and compatibility characteristics of the Contracting Agency's receiving facsimile machine as follows:

(A) Telephone number; and

(B) Compatibility characteristics, e.g. make and model number, receiving speed, communications protocol; and

(f) A provision that the Contracting Agency is not responsible for any failure attributable to the transmission or receipt of the facsimile Offer including, but not limited to the following:

(A) Receipt of garbled or incomplete documents;

(B) Availability or condition of the receiving facsimile machine;

(C) Incompatibility between the sending and receiving facsimile machine;

(D) Delay in transmission or receipt of documents;

(E) Failure of the Offeror to properly identify the Offer documents;

- (F) Illegibility of Offer documents; and

Electronic Procurement

(1) Electronic Procurement Authorized.

(a) A Contracting Agency may conduct all phases of a Procurement, including without limitation the posting of Electronic Advertisements and the receipt of Electronic Offers, by electronic methods if and to the extent the Contracting Agency specifies in a Solicitation Document, a request for quotes, or any other Written instructions on how to participate in the Procurement.

(b) The Contracting Agency shall open an Electronic Offer in accordance with electronic security measures in effect at the Contracting Agency at the time of its receipt of the Electronic Offer. Unless the Contracting Agency provides procedures for the secure receipt of Electronic Offers, the Person submitting the Electronic Offer assumes the risk of premature disclosure due to submission in unsealed form.

(c) The Contracting Agency's use of electronic Signatures shall be consistent with applicable statutes and rules. A Contracting Agency may limit the use of electronic methods of conducting a Procurement as Advantageous to the Contracting Agency.

(d) If the Contracting Agency determines that Bid or Proposal security is or will be required, the Contracting Agency should not authorize Electronic Offers unless the Contracting Agency has another method for receipt of such security.

(2) Rules Governing Electronic Procurements. The Contracting Agency shall conduct all portions of an electronic Procurement in accordance with these division 47 rules, unless otherwise set forth in this rule.

(3) Preliminary Matters. As a condition of participation in an electronic Procurement the Contracting Agency may require potential Contractors to register with the Contracting Agency before the date and time on which the Contracting Agency will first accept Offers, to agree to the terms, conditions, or other requirements of a Solicitation Document, or to agree to terms and conditions governing the Procurement, such as procedures that the Contracting Agency may use to attribute, authenticate or verify the accuracy of an Electronic Offer, or the actions that constitute an electronic Signature.

(4) Offer Process. A Contracting Agency may specify that Persons must submit an Electronic Offer by a particular date and time, or that Persons may submit multiple Electronic Offers during a period of time established in the Electronic Advertisement. When the Contracting Agency specifies that Persons may submit multiple Electronic Offers during a specified period of time, the Contracting Agency must designate a time and date on which Persons may begin to submit Electronic Offers, and a time and date after which Persons may no longer submit Electronic Offers. The date and time after which Persons may no longer submit Electronic Offers need not be specified by a particular date and time, but may be specified by a description of the conditions that, when they occur, will establish the date and time after which Persons may no longer submit Electronic Offers. When the Contracting Agency will accept Electronic Offers for a period of time, then at the designated date and time that the Contracting Agency will first receive Electronic Offers, the Contracting Agency must begin to accept real time Electronic Offers on the Contracting Agency's Electronic Procurement System, and shall continue to accept Electronic Offers in accordance with subsection 5(b) of this rule until the date and time specified by the Contracting Agency, after which the Contracting Agency will no longer accept Electronic Offers.

(5) Receipt of Electronic Offers.

(a) When a Contracting Agency conducts an electronic Procurement that provides that all Electronic Offers must be submitted by a particular date and time, the Contracting Agency shall receive the Electronic Offers in accordance with these division 47 rules.

(b) When the Contracting Agency specifies that Persons may submit multiple Offers during a period of time, the Contracting Agency shall accept Electronic Offers, and Persons may submit Electronic Offers, in accordance with the following:

(A) Following receipt of the first Electronic Offer after the day and time the Contracting Agency first receives Electronic Offers the Contracting Agency shall post on the Contracting Agency's Electronic Procurement System, and updated on a real time basis, the lowest Electronic Offer price or the highest ranking Electronic Offer. At any time before the date and time after which the Contracting Agency will no longer receive Electronic Offers, a Person may revise its Electronic Offer, except that a Person may not lower its price unless that price is below the then lowest Electronic Offer.

(B) A Person may not increase the price set forth in an Electronic Offer after the day and time that the Contracting Agency first accepts Electronic Offers.

(C) A Person may withdraw an Electronic Offer only in compliance with these division 47 rules. If a Person withdraws an Electronic Offer, it may not later submit an Electronic Offer at a price higher than that set forth in the withdrawn Electronic Offer.

(6) Failure of the E-Procurement System. In the event of a failure of the Contracting Agency's Electronic Procurement System that interferes with the ability of Persons to submit Electronic Offers, protest or to otherwise participate in the Procurement, the Contracting Agency may cancel the Procurement in accordance with Rule 137-047-0660, or may extend the date and time for receipt of Electronic Offers by providing notice of the extension immediately after the Electronic Procurement System becomes available.

Pre-Offer Conferences

- (1) Purpose. A Contracting Agency may hold pre-Offer conferences with prospective Offerors prior to Closing, to explain the Procurement requirements, obtain information, or to conduct site inspections.
- (2) Required Attendance. The Contracting Agency may require attendance at the pre-Offer conference as a condition for making an Offer.
- (3) Scheduled Time. If a Contracting Agency holds a pre-Offer conference, it shall be held within a reasonable time after the Solicitation Document has been issued, but sufficiently before the Closing to allow Offerors to consider information provided at that conference.
- (4) Statements Not Binding. Statements made by a Contracting Agency's representative at the pre-Offer conference do not change the Solicitation Document unless the Contracting Agency confirms such statements with a Written Addendum to the Solicitation Document.

(5) Agency Announcement. The Contracting Agency must set forth notice of any pre-Offer conference in the Solicitation Document in accordance with Rules 137-047-0255(2) or 137-047-0260(2).

Addenda to Solicitation Document

(1) Issuance; Receipt. The Contracting Agency may change a Solicitation Document only by Written Addenda. An Offeror shall provide Written acknowledgment of receipt of all issued Addenda with its Offer, unless the Contracting Agency otherwise specifies in the Addenda.

(2) Notice and Distribution. The Contracting Agency shall notify prospective Offerors of Addenda in a manner intended to foster competition and to make prospective Offerors aware of the Addenda. The Solicitation Document shall specify how the Contracting Agency will provide notice of Addenda and how the Contracting Agency will make the Addenda available before Closing, and at each subsequent step or tier of evaluation if the Contracting Agency will engage in a multistep competitive sealed Bid process in accordance with Rule 137-047-0257, or a multi-tiered or multistep competitive sealed Proposal process in accordance with Rules 137-047-0261 through 137-047-0263. The following is an example of how a Contracting Agency may specify how it will provide notice of Addenda: "Contracting Agency will not mail notice of Addenda, but will publish notice of any Addenda on Contracting Agency's web site. Addenda may be downloaded off the Contracting Agency's web site. Offerors should frequently check the Contracting Agency's web site until Closing, i.e., at least once weekly until the week of Closing and at least once daily the week of the Closing."

(3) Timelines; Extensions.

(a) The Contracting Agency shall issue Addenda within a reasonable time to allow prospective Offerors to consider the Addenda in preparing their Offers. The Contracting Agency may extend the Closing if the Contracting Agency determines prospective Offerors need additional time to review and respond to Addenda. Except to the extent required by a countervailing public interest, the Contracting Agency shall not issue Addenda less than 72 hours before the Closing unless the Addendum also extends the Closing.

(b) Notwithstanding subsection 3(a) of this rule, an Addendum that modifies the evaluation criteria, selection process or procedure for any tier of competition under a multistep sealed Bid or a multi-tiered or multistep sealed Proposal issued in accordance with ORS 279B.060(6)(d) and Rules 137-047-0261 through 137-047-0263 must be issued no fewer than five (5) Days before the beginning of that tier or step of competition, unless the Contracting Agency determines that a shorter period is sufficient to allow Offerors to prepare for that tier or step of competition. The Contracting Agency shall document the factors it considered in making that determination, which may include, without limitation, the scope of the changes to the Solicitation Document, the location of the remaining eligible Proposers, or whether shortening the period between issuing an Addendum and the beginning of the next tier or step of competition favors or disfavors any particular Proposer or Proposers.

(4) Request for Change or Protest. Unless a different deadline is set forth in the Addendum, an Offeror may submit a Written request for change or protest to the Addendum, as provided in Rule 137-047-0730, by the close of the Contracting Agency's next business day after issuance of the Addendum, or up to the last day allowed to submit a request for change or protest under Rule 137-047-0730, whichever date is later. If the date established in the previous sentence falls after the deadline for receiving protests to the Solicitation Document in accordance with Rule 137-047-0730, then the Contracting Agency may consider an Offeror's request for change or protest to the Addendum only, and the Contracting Agency shall not consider a request for change or protest to matters not added or modified by the Addendum. Notwithstanding any provision of this section (4) of this rule, a Contracting Agency is not required to provide a protest period for Addenda issued after initial Closing during a multi-tier or multistep Procurement process conducted pursuant to ORS 279B.055 or ORS 279B.060.

The Offeror shall mark the submitted modification as follows:

(2) Withdrawals.

The Offeror or authorized representative of the Offeror may also withdraw its Offer in person prior to the Closing, upon presentation of appropriate identification and evidence of authority satisfactory to the Contracting Agency.

(b) The Contracting Agency may release an unopened Offer withdrawn under subsection 2(a) of this rule to the Offeror or its authorized representative, after voiding any date and time stamp mark.

(c) The Offeror shall mark the Written request to withdraw an Offer as follows:

The Contracting Agency shall not open the Offer or modification upon receipt, but shall maintain it as confidential and secure until Opening. If the Contracting Agency inadvertently opens an Offer or a modification prior to the Opening, the Contracting Agency shall return the Offer or modification to its secure and confidential state until Opening. The Contracting Agency shall document the resealing for the Procurement file (e.g. "Contracting Agency inadvertently opened the Offer due to improper identification of the Offer.").

(2) Opening and Recording. A Contracting Agency shall publicly open Offers including any modifications made to the Offer pursuant to Rule 137-047-0440(1). In the case of Invitations to Bid, to the extent practicable, the Contracting Agency shall read aloud the name of each Bidder, and such other information as the Contracting Agency considers appropriate. However, the Contracting Agency may withhold from disclosure information in accordance with ORS 279B.055(5)(c) and 279B.060(5). Mistakes

(1) Generally. To protect the integrity of the competitive Procurement process and to assure fair treatment of Offerors, a Contracting Agency should carefully consider whether to permit waiver, correction or withdrawal of Offers for certain mistakes.

(2) Contracting Agency Treatment of Mistakes. A Contracting Agency shall not allow an Offeror to correct or withdraw an Offer for an error in judgment. If the Contracting Agency discovers certain mistakes in an Offer after Opening, but before Award of the Contract, the Contracting Agency may take the following action:

(a) A Contracting Agency may waive, or permit an Offeror to correct, a minor informality. A minor informality is a matter of form rather than substance that is evident on the face of the Offer, or an insignificant mistake that can be waived or corrected without prejudice to other Offerors. Examples of minor informalities include an Offeror's failure to:

(A) Return the correct number of Signed Offers or the correct number of other documents required by the Solicitation Document;

(B) Sign the Offer in the designated block, provided a Signature appears elsewhere in the Offer, evidencing an intent to be bound; and

(C) Acknowledge receipt of an Addendum to the Solicitation Document, provided that it is clear on the face of the Offer that the Offeror received the Addendum and intended to be bound by its terms; or the Addendum involved did not affect price, quality or delivery.

(b) A Contracting Agency may correct a clerical error if the error is evident on the face of the Offer or other documents submitted with the Offer, and the Offeror confirms the Contracting Agency's correction in Writing. A clerical error is an Offeror's error in transcribing its Offer. Examples include typographical mistakes, errors in extending unit prices, transposition errors, arithmetical errors, instances in which the intended correct unit or amount is evident by simple arithmetic calculations (for example a missing unit price may be established by dividing the total price for the units by the quantity of units for that item or a missing, or incorrect total price for an item may be established by multiplying the unit price by the quantity when those figures are available in the Offer). In the event of a discrepancy, unit prices shall prevail over extended prices.

(c) A Contracting Agency may permit an Offeror to withdraw an Offer based on one or more clerical errors in the Offer only if the Offeror shows with objective proof and by clear and convincing evidence:

(A) The nature of the error;

(B) That the error is not a minor informality under this subsection or an error in judgment;

(C) That the error cannot be corrected or waived under subsection (b) of this section;

(D) That the Offeror acted in good faith in submitting an Offer that contained the claimed error and in claiming that the alleged error in the Offer exists;

(E) That the Offeror acted without gross negligence in submitting an Offer that contained a claimed error;

(F) That the Offeror will suffer substantial detriment if the Contracting Agency does not grant the Offeror permission to withdraw the Offer;

(G) That the Contracting Agency's or the public's status has not changed so significantly that relief from the forfeiture will work a substantial hardship on the Contracting Agency or the public it represents; and

(H) That the Offeror promptly gave notice of the claimed error to the Contracting Agency.

(d) The criteria in subsection (2)(c) of this rule shall determine whether a Contracting Agency will permit an Offeror to withdraw its Offer after Closing. These criteria also shall apply to the question of whether a Contracting Agency will permit an Offeror to withdraw its Offer without forfeiture of its Bid bond (or other Bid or Proposal security), or without liability to the Contracting Agency based on the difference between the amount of the Offeror's Offer and the amount of the Contract actually awarded by the Contracting Agency, whether by Award to the next lowest Responsive and Responsible Bidder or the most Advantageous Responsive and Responsible Proposer, or by resort to a new solicitation.

(3) Rejection for Mistakes. The Contracting Agency shall reject any Offer in which a mistake is evident on the face of the Offer and the intended correct Offer is not evident or cannot be substantiated from documents submitted with the Offer.

(4) Identification of Mistakes after Award. The procedures and criteria set forth above are Offeror's only opportunity to correct mistakes or withdraw Offers because of a mistake. Following Award, an Offeror is bound by its Offer, and may withdraw its Offer or rescind a Contract entered into pursuant to this division 47 only to the extent permitted by applicable law.

(b) Evaluation of Proposals.

(A) Award When Proposals are Identical. If the Contracting Agency determines that one or more Proposals are identical under Rule 137-046-0300, the Contracting Agency shall Award a Contract in accordance with the procedures set forth in Rule 137-046-0300.

(B) Public Printing. The Contracting Agency shall for the purpose of evaluating Proposals apply the public printing preference set forth in ORS 282.210.

(c) Recycled Materials. When procuring Goods, the Contracting Agency shall give preference for recycled materials as set forth in ORS 279A.125 and Rule 137-046-0320.

(2) Clarification of Bids or Proposals. After Opening, a Contracting Agency may conduct discussions with apparent Responsive Offerors for the purpose of clarification to assure full understanding of the Offer. All Offers, in the Contracting Agency's sole discretion, needing clarification shall be accorded such an opportunity. The Contracting Agency shall document clarification of any Offer in the Procurement file.

(3) Negotiations.

(a) Bids. Except as permitted by section 2 of this rule, a Contracting Agency shall not negotiate with any Bidder. After Award of the Contract, the Contracting Agency and Contractor may only modify the Contract in accordance with Rule 137-047-0800.

(b) Requests for Proposals. A Contracting Agency may conduct discussions or negotiate with Proposers only in accordance with ORS 279B.060(6)(b) and Rule 137-047-0262 After Award of the Contract, the Contracting Agency and Contractor may only modify the Contract in accordance with Rule 137-047-0800.

(4) Award.

(a) General. If Awarded, the Contracting Agency shall Award the Contract to the Responsible Bidder submitting the lowest, Responsive Bid or the Responsible Proposer submitting the most Advantageous, Responsive Proposal. The Contracting Agency may Award by item, groups of items or the entire Offer provided such Award is consistent with the Solicitation Document and in the public interest.

(b) Multiple Items. An Invitation to Bid or Request for Proposals may call for pricing of multiple items of similar or related type with Award based on individual line item, group total of certain items, a "market basket" of items representative of the Contracting Agency's expected purchases, or grand total of all items.

(c) Multiple Awards - Bids.

(A) Notwithstanding subsection 4(a) of this rule, a Contracting Agency may Award multiple Contracts under an Invitation to Bid in accordance with the criteria set forth in the Invitation to Bid. Multiple Awards shall not be made if a single Award will meet the Contracting Agency's needs, including but not limited to adequate availability, delivery, service, or product compatibility. A multiple Award may be made if Award to two or more Bidders of similar Goods or Services is necessary for adequate availability, delivery, service or product compatibility. Multiple Awards may not be made for the purpose of dividing the Procurement into multiple solicitations, or to allow for user preference unrelated to utility or economy. A notice to prospective Bidders that multiple Contracts may be Awarded for any Invitation to Bid shall not preclude the Contracting Agency from Awarding a single Contract for such Invitation to Bid.

(B) If an Invitation to Bid permits the Award of multiple Contracts, the Contracting Agency shall specify in the Invitation to Bid the criteria it will use to choose from the multiple Contracts when purchasing Goods or Services.

(d) Multiple Awards – Proposals.

(A) Notwithstanding subsection 4(a) of this rule, a Contracting Agency may Award multiple Contracts under a Request for Proposals in accordance with the criteria set forth in the Request for Proposals. Multiple Awards shall not be made if a single Award will meet the Contracting Agency's needs, including but not limited to adequate availability, delivery, service or product compatibility. A multiple Award may be made if Award to two or more Proposers of similar Goods or Services is necessary for adequate availability, delivery, service or product compatibility. Multiple Awards may not be made for the purpose of dividing the Procurement into multiple solicitations, or to allow for user preference unrelated to obtaining the most Advantageous Contract. A notice to prospective Proposers that multiple Contracts may be Awarded for any Request for Proposals shall not preclude the Contracting Agency from Awarding a single Contract for such Request for Proposals.

(B) If a Request for Proposals permits the Award of multiple Contracts, the Contracting Agency shall specify in the Request for Proposals the criteria it will use to choose from the multiple Contracts when purchasing Goods or Services.

(e) Partial Awards. If after evaluation of Offers, the Contracting Agency determines that an acceptable Offer has been received for only parts of the requirements of the Solicitation Document:

(A) The Contracting Agency may Award a Contract for the parts of the Solicitation Document for which acceptable Offers have been received; or

(B) The Contracting Agency may reject all Offers and may issue a new Solicitation Document on the same or revised terms, conditions and Specifications.

(f) All or none Offers. A Contracting Agency may Award all or none Offers if the evaluation shows an all or none Award to be the lowest cost for Bids or the most Advantageous for Proposals of those submitted.

Rejection of an Offer

(1) Rejection of an Offer.

(a) A Contracting Agency may reject any Offer as set forth in ORS 279B.100.

(b) The Contracting Agency shall reject an Offer upon the Contracting Agency's finding that the Offer:

(A) Is contingent upon the Contracting Agency's acceptance of terms and conditions (including Specifications) that differ from the Solicitation Document;

(B) Takes exception to terms and conditions (including Specifications) set forth in the Solicitation Document;

(C) Attempts to prevent public disclosure of matters in contravention of the terms and conditions of the Solicitation Document or in contravention of applicable law;

(D) Offers Goods or Services that fail to meet the Specifications of the Solicitation Document;

(E) Is late;

(F) Is not in substantial compliance with the Solicitation Document; or

(G) Is not in substantial compliance with all prescribed public Procurement procedures.

(c) The Contracting Agency shall reject an Offer upon the Contracting Agency's finding that the Offeror:

(A) Has not been prequalified under ORS 279B.120 and the Contracting Agency required mandatory prequalification;

(B) Has been Debarred as set forth in ORS 279B.130 or has been disqualified pursuant to Rule 137-046-0210(4) (DBE Disqualification);

(C) Has not met the requirements of ORS 279A.105, if required by the Solicitation Document;

(D) Has not submitted properly executed Bid or Proposal security as required by the Solicitation Document;

(E) Has failed to provide the certification of non-discrimination required under ORS 279A.110(4); or

(F) Is non-Responsible. Offerors are required to demonstrate their ability to perform satisfactorily under a Contract. Before Awarding a Contract, the Contracting Agency must have information that indicates that the Offeror meets the applicable standards of Responsibility. To be a Responsible Offeror, the Contracting Agency must determine pursuant to ORS 279B.110 that the Offeror:

(i) Has available the appropriate financial, material, equipment, facility and personnel resources and expertise, or ability to obtain the resources and expertise, necessary to meet all contractual responsibilities; and

(ii) Has completed previous contracts of a similar nature with a satisfactory record of performance. A satisfactory record of performance means that to the extent the costs associated with and time available to perform a previous contract were within the Offeror's control, the Offeror stayed within the time and budget allotted for the Procurement and otherwise performed the contract in a satisfactory manner. A Contracting Agency should carefully scrutinize an Offeror's record of contract performance if the Offeror is or recently has been materially deficient in contract performance. In reviewing the Offeror's performance, the Contracting Agency should determine whether the Offeror's deficient performance was expressly excused under the terms of the contract, or whether the Offeror took appropriate corrective action. The Contracting Agency may review the Offeror's performance on both private and public contracts in determining the Offeror's record of contract performance. The Contracting Agency shall make its basis for determining an Offeror non-Responsible under this subparagraph part of the Procurement file pursuant to ORS 279B.110(2)(b);

(iii) Has a satisfactory record of integrity. An Offeror may lack integrity if a Contracting Agency determines the Offeror demonstrates a lack of business ethics such as violation of state environmental laws or false certifications made to a Contracting Agency. A Contracting Agency may find an Offeror non-Responsible based on the lack of integrity of any Person having influence or control over the Offeror (such as a key employee of the Offeror that has the authority to significantly influence the Offeror's performance of the Contract or a parent company, predecessor or successor Person). The standards for Debarment under ORS 279B.130 may be used to determine an Offeror's integrity. A Contracting Agency may find an Offeror non-responsible based on previous convictions of offenses related to obtaining or attempting to obtain a contract or subcontract or in connection with the Offeror's performance of a contract or subcontract. The Contracting Agency shall make its basis for determining that an Offeror is non-Responsible under this subparagraph part of the Procurement file pursuant to ORS 279B.110(2)(c);

(iv) Is legally qualified to contract with the Contracting Agency; and

(v) Has supplied all necessary information in connection with the inquiry concerning Responsibility. If the Offeror fails to promptly supply information requested by the Contracting Agency concerning Responsibility, the Contracting Agency shall base the determination of Responsibility upon any available information, or may find the Offeror non-Responsible.

(2) Form of Business Entity. For purposes of this rule, the Contracting Agency may investigate any Person submitting an Offer. The investigation may include that Person's officers, directors, owners, affiliates, or any other Person acquiring ownership of the Person to determine application of this rule or to apply the Debarment provisions of ORS 279B.130.

 - (c) Misconduct, error, or ambiguous or misleading provisions in the Solicitation Document threaten the fairness and integrity of the competitive process;

These causes may include, without limitation, those that tend to limit competition, such as restrictions on competition, collusion, corruption, unlawful anti-competitive conduct, and inadvertent or intentional errors in the Solicitation Document;
 - (e) The Contracting Agency cancels the Procurement or solicitation in accordance with Rule 137-047-0660; or

(2) Basis for Protest. An Affected Offeror may protest its exclusion from a tier or step of competition only if the Offeror is Responsible and submitted a Responsive Offer and but for the Contracting Agency's mistake in evaluating the Offeror's or other Offerors' Offers, the protesting Offeror would have been eligible to participate in the next tier or step of competition. (For example, the protesting Offeror must claim it is eligible for inclusion in the Competitive Range if all ineligible higher-scoring Offerors are removed from consideration, and that those ineligible Offerors are ineligible for inclusion in the Competitive Range because: their Proposals were not Responsive, or the Contracting Agency committed a substantial violation of a provision in the Solicitation Document or of an applicable Procurement statute or administrative rule, and the protesting Offeror was unfairly evaluated and would have, but for such substantial violation, been included in the Competitive Range.)

Also, if multiple contracts with a single Contractor are restated as a single Contract, the term of the single Contract may not have a total term greater than one (1) year longer than the longest term of any of the prior Contracts.

(d) If a Contractor offers a lower price in exchange for a change in term or condition that was expressly rejected in the original solicitation, the amended Contract may be structured with this changed term as an optional, but not as a mandatory Contract term.

(e) If the Contract is the result of a Cooperative Procurement, the amended Contract may not materially change the terms, conditions, and prices of the Original Contract.

(3) Small or Intermediate Contract. A Contracting Agency may amend a Contract Awarded as small or intermediate Procurement pursuant to sections 1 or 2 of this rule, provided also the total increase in Contract price does not exceed the amount set forth in Rule 137-047-0265 for small Procurements and Rule 137-047-0270 for intermediate Procurements.

(4) Emergency Contract. A Contracting Agency may amend a Contract Awarded as an emergency Procurement if the emergency justification for entering into the Contract still exists, and the amendment is necessary to address the continuing emergency.

Definitions

In addition to the definitions set forth in ORS 279A.010, 279C.100, and Rule 137-046-0110, the following definitions apply to these division 48 rules:

- (1) **"Consultant"** means an Architect, Engineer, Photogrammetrist, Transportation Planner, Land Surveyor or provider of Related Services. A Consultant includes a business entity that employs Architects, Engineers, Photogrammetrists, Transportation Planners, Land Surveyors or providers of Related Services, or any combination of the foregoing.
- (2) **"Estimated Fee"** means Contracting Agency's reasonably projected fee to be paid for a Consultant's services under the anticipated Contract, excluding all anticipated reimbursable or other non-professional fee expenses. The Estimated Fee is used solely to determine the applicable Contract solicitation method and is distinct from the total amount payable under the Contract.
- (3) **"Price Agreement,"** for purposes of this Division 48, is limited to mean an agreement related to the procurement of Architectural, Engineering, Photogrammetric Mapping, Transportation Planning or Land Surveying Services, or Related Services, under agreed-upon terms and conditions, including, but not limited to terms and conditions of later work orders or task orders for Project-specific Services, and which may include price or Consultant compensation information, with:
 - (a) No guarantee of a minimum or maximum purchase; or
 - (b) An initial work order, task order or minimum purchase, combined with a continuing Consultant obligation to provide Architectural, Engineering, Photogrammetric Mapping, Transportation Planning or Land Surveying Services or Related Services in which the Contracting Agency does not guarantee a minimum or maximum additional purchase.
- (4) **"Project"** means all components of a Contracting Agency's planned undertaking that gives rise to the need for a Consultant's Architectural, Engineering, Photogrammetric Mapping, Transportation Planning or Land Surveying Services, or Related Services, under a Contract.
- (5) **"Transportation Planning Services"** include only Project-specific transportation planning involved in categorical exclusions, environmental assessments, environmental impact statements and other documents required for compliance with the National Environmental Policy Act, 42 USC 4321 et. seq. Transportation Planning Services do not include transportation planning for corridor plans, transportation system plans, interchange area management plans, refinement plans and other transportation plans not associated with an individual Project that will require compliance with the National Environmental Policy Act, 42 USC 4321 et. seq. Transportation Planning Services also do not include transportation planning for Projects not subject to the National Environmental Policy Act, 42 USC 4321 et. seq.
- (6) **"Related Services"** means personal services, other than architectural, engineering, photogrammetric, mapping, Transportation Planning or land surveying services, that are related to planning, designing, engineering or overseeing public improvement projects or components of public improvements, including, but not limited to, landscape architectural services, facilities planning services, energy planning services, space planning services, hazardous substances or hazardous waste or toxic substances testing services, cost estimating services, appraising services,

material testing services, mechanical system balancing services, commissioning services, project management services, construction management services, and owner's representation services or land-use planning services.

Applicable Selection Procedures; Pricing Information; Disclosure of Proposals; Conflicts of Interest

(1) When selecting the most qualified Consultant to perform Architectural, Engineering, Photogrammetric Mapping, Transportation Planning or Land Surveying Services, Contracting Agency shall follow the applicable selection procedure under either Rule 137-048-0200 (Direct Appointment Procedure), 137-048-0210 (Informal Selection Procedure) or 137-048-0220 (Formal Selection Procedure). For projects utilizing Informal or Formal Selection Procedures, Contracting Agency may solicit or use pricing policies and pricing proposals, or other pricing information, including the number of hours proposed for the services required, expenses, hourly rates and overhead, to determine a Consultant's compensation only after the Contracting Agency has selected the most qualified Consultant in accordance with the applicable selection procedure.

(2) When selecting Consultants to perform Related Services Contracting Agency shall follow either its Division 47 or Division 48 rules, as determined in its sole discretion.

(3) A Contracting Agency is not required to follow the procedures in Section (1) or Section (2) of this rule, when the Contracting Agency has established Price Agreements with more than one Consultant and is selecting a single Consultant to perform Architectural, Engineering, Photogrammetric Mapping, Transportation Planning or Land Surveying Services or Related Services under an individual work order or task order. Provided, however, the criteria and procedures the Contracting Agency uses to select a single Consultant, when the Contracting Agency has established Price Agreements with more than one Consultant, must meet the requirements of Rule 137-048-0270 (Price Agreements).

(4) Contracting Agency may use electronic methods to screen and select a Consultant in accordance with the procedures described in Rule 137-047-0330 (Electronic Procurement).

(5) For purposes of these division 48 rules, a "mixed" Contract is one requiring the Consultant to perform Architectural, Engineering, Photogrammetric Mapping, Transportation Planning or Land Surveying Services, and also provide Related Services, other Services or other related Goods under the Contract. A Contracting Agency's classification of a procurement that will involve a "mixed" Contract will be determined by the predominant purpose of the Contract. A Contracting Agency will determine the predominant purpose of the Contract by determining which of the Services involves the majority of the total Estimated Fee to be paid under the Contract. If the majority of the total Estimated Fee to be paid under the Contract is for Architectural, Engineering, Photogrammetric Mapping, Transportation Planning or Land Surveying Services, the Contracting Agency shall comply with the requirements of ORS 279C.110 and Section (1) of this rule. If the majority of the total Estimated Fee to be paid under the Contract is for Related Services, the Contracting Agency shall comply with the requirements of ORS 279C.120 and Section (2) of this rule. If the majority of the total Estimated Fee to be paid under the Contract is for some other Services or Goods under the Public Contracting Code, the Contracting Agency shall comply with the applicable provisions of the Public Contracting Code and Divisions 46, 47 and 49 of these Rules that match the predominant purpose of the Contract.

(6) Consistent with the requirements of ORS 279C.107 and the remaining requirements of ORS 279C.100, 279C.105 and 279C.110 through 279C.125, the following provisions apply to proposals received by a Contracting Agency for Architectural, Engineering, Photogrammetric Mapping, Transportation Planning or Land Surveying Services or Related Services:

(a) The term "competitive proposal," for purposes of ORS 279C.107, includes proposals submitted under these Division 48 Rules.

(b) In the limited circumstances permitted by ORS 279C.110, 279C.115 and 279C.120, where the Contracting Agency is conducting discussions or negotiations with proposers who submit proposals that the Contracting Agency has determined to be closely competitive or to have a reasonable chance of being selected for award, the Contracting Agency may open proposals so as to avoid disclosure of proposal contents to competing Proposers, consistent with the requirements of ORS 279C.107. Otherwise, Contracting Agency may open proposals in such a way as to avoid disclosure of the contents until after the Contracting Agency executes a Contract with the selected Consultant. If the Contracting Agency determines that it is in the best interest of the Contracting Agency to do so, the Contracting Agency may make proposals available for public inspection following the Contracting Agency's issuance of a notice of intent to award a Contract to a Consultant.

(c) Disclosure of proposals and proposal information is otherwise governed by ORS 279C.107.

(7) As required by ORS 279C.307, pertaining to requirements to ensure the objectivity and independence of providers of certain Personal Services which are procured under ORS chapter 279C, Contracting Agency may not:

(a) Procure services for the purpose of administering, managing, monitoring, inspecting, evaluating compliance with or otherwise overseeing a public contract from a Contractor or an affiliate of a Contractor who is a party to the Public Contract that is subject to administration, management, monitoring, inspection, evaluation or oversight by means of the Services; or

(b) Procure services for the purpose of administering, managing, monitoring, inspecting, evaluating compliance with or otherwise overseeing a public contract through the Public Contract that is subject to administration, management, monitoring, inspection, evaluation or oversight by means of the Services.

(8) The requirements of ORS 279C.307 and Section (7) of this rule apply in the following circumstances, except as provided in Section (9) of this rule:

(a) A Contracting Agency requires the Procurement of Personal Services for the purpose of administering, managing, monitoring, inspecting, evaluating compliance with or otherwise overseeing a Public Contract or performance under a Public Contract that is subject to ORS chapter 279C. A Public Contract that is "subject to ORS chapter 279C" includes a Public Contract for Architectural, Engineering, Photogrammetric Mapping, Transportation Planning or Land Surveying Services, a Public Contract for Related Services or a Public Contract for construction services under ORS chapter 279C.

(b) The Procurements of Personal Services subject to the restrictions of ORS 279C.307 include, but are not limited to, the following:

(A) Procurements for Architectural, Engineering, Photogrammetric Mapping, Transportation Planning or Land Surveying Services, which involve overseeing or monitoring the performance of a construction Contractor under a Public Contract for construction services subject to ORS chapter 279C;

(B) Procurements for commissioning services, which involve monitoring, inspecting, evaluating or otherwise overseeing the performance of a Contractor providing Architectural, Engineering, Photogrammetric Mapping, Transportation Planning or Land Surveying Services or the performance of a construction Contractor under a Public Contract for construction services subject to ORS chapter 279C;

(C) Procurements for project management services, which involve administration, management, monitoring, inspecting, evaluating compliance with or otherwise overseeing the performance of a Contractor providing Architectural, Engineering, Photogrammetric Mapping, Transportation Planning or Land Surveying Services, construction services subject to ORS chapter 279C, commissioning services or other Related Services for a Project;

(D) Procurements for special inspections and testing services, which involve inspecting, testing or otherwise overseeing the performance of a construction Contractor under a Public Contract for construction services subject to ORS chapter 279C; and

(E) Procurements for other Related Services or Personal Services, which involve administering, managing, monitoring, inspecting, evaluating compliance with or otherwise overseeing the Public Contracts described in Section (8)(a) of this rule.

(9) The restrictions of ORS 279C.307 do not apply in the following circumstances, except as further specified below:

(a) To a Contracting Agency's Procurement of both design services and construction services through a single "Design-Build" Procurement, as that term is defined in Rule 137-049-0610. Such a Design-Build Procurement includes a Procurement under an Energy Savings Performance Contract, as defined in ORS 279A.010. Provided, however, the restrictions of ORS 279C.307 do apply to a Contracting Agency's Procurement of Personal Services for the purpose of administering, managing, monitoring, inspecting, evaluating compliance with or otherwise overseeing a Design-Build Contract or performance under such a Contract resulting from a Design-Build Procurement; and

(b) To a Contracting Agency's Procurement of both pre-construction services and construction services through a single "Construction Manager/General Contractor" Procurement, as defined in Rule 137-049-0610. Provided, however, the restrictions of ORS 279C.307 do apply to a Contracting Agency's Procurement of Personal Services for the purpose of administering, managing, monitoring, inspecting, evaluating compliance with or otherwise overseeing a Construction Manager/General Contractor Contract or performance under such a Contract resulting from a Construction Manager/General Contractor Procurement.

SELECTION PROCEDURES

137-048-0200

Direct Appointment Procedure

(1) Contracting Agency may enter into a Contract directly with a Consultant without following the selection procedures set forth elsewhere in these rules if:

- (a) Contracting Agency finds that an Emergency exists; or
- (b) The Estimated Fee to be paid under the Contract does not exceed \$100,000; or
- (c) The following requirements are met:
 - (A) The services consist of or are related to Architectural, Engineering, Photogrammetric Mapping, Transportation Planning or Land Surveying Services or Related Services that have been substantially described, planned or otherwise previously studied in an earlier Contract with the same Consultant and are rendered for the same Project as the Architectural, Engineering, Photogrammetric Mapping, Transportation Planning or Land Surveying Services or Related Services rendered under the earlier Contract; and
 - (B) Contracting Agency used either the formal selection procedure under Rule 137-048-0220 (Formal Selection Procedure) or the formal selection procedure applicable to selection of the Consultant at the time of original selection to select the Consultant for the earlier Contract.
- (d) Continuation of Project With Extensive Estimated Fee. Where a Project is being under subsection 1(c) of this rule, and the Estimated Fee is expected to exceed \$250,000, the Contracting Agency must make written findings that entering into a Contract with the Consultant, whether in the form of an amendment to an existing Contract or a separate Contract for the additional scope of services, will:
 - (A) Promote efficient use of public funds and resources and result in substantial cost savings to the Contracting Agency; and,
 - (B) Protect the integrity of the Public Contracting process and the competitive nature of the Procurement by not encouraging favoritism or substantially diminishing competition in the award of the Contract.
- (2) Contracting Agency may select a Consultant for a Contract under this rule from any and all Consultants offering the required Architectural, Engineering, Photogrammetric Mapping, Transportation Planning or Land Surveying Services or Related Services that the Contracting Agency reasonably can identify under the circumstances.
- (3) The Contracting Agency shall direct negotiations with a Consultant selected under this rule toward obtaining written agreement on:
 - (a) The Consultant's performance obligations and performance schedule;
 - (b) Payment methodology and a maximum amount payable to the Consultant for the Architectural, Engineering, Photogrammetric Mapping, Transportation Planning or Land Surveying Services or Related Services required under the Contract that is fair and reasonable to the Contracting Agency as determined solely by the Contracting Agency, taking into account the value, scope, complexity and nature of the Architectural, Engineering, Photogrammetric Mapping, Transportation Planning or Land Surveying Services or Related Services; and
 - (c) Any other provisions the Contracting Agency believes to be in the Contracting Agency's best interest to negotiate.

Informal Selection Procedure

- (1) Contracting Agency may use the informal selection procedure described in this rule to obtain a Contract if the Estimated Fee is expected not to exceed \$250,000.
- (2) Contracting Agency using the informal selection procedure shall:
 - (a) Create a Request for Proposals that includes at a minimum the following:
 - (A) A description of the Project for which a Consultant's Architectural, Engineering, Photogrammetric Mapping, Transportation Planning or Land Surveying Services or Related Services are needed and a description of the Architectural, Engineering, Photogrammetric Mapping, Transportation Planning or Land Surveying Services or Related Services that will be required under the resulting Contract;
 - (B) The anticipated Contract performance schedule;
 - (C) Conditions or limitations, if any, that may constrain or prohibit the selected Consultant's ability to provide additional services related to the Project, including construction services;
 - (D) The date and time Proposals are due and other directions for submitting Proposals;
 - (E) Criteria upon which the most qualified Consultant will be selected. Selection criteria may include, but are not limited to, the following:
 - (i) The amount and type of resources and number of experienced staff the Consultant has committed to perform the Architectural, Engineering, Photogrammetric Mapping, Transportation Planning or Land Surveying Services or Related Services described in the Request for Proposals within the applicable time limits, including the current and projected workloads of such staff and the proportion of time such staff would have available for the Architectural, Engineering, Photogrammetric Mapping, Transportation Planning or Land Surveying Services or Related Services;
 - (ii) Proposed management techniques for the Architectural, Engineering, Photogrammetric Mapping, Transportation Planning or Land Surveying Services or Related Services described in the Request for Proposals;
 - (iii) A Consultant's capability, experience and past performance history and record in providing similar Architectural, Engineering, Photogrammetric Mapping, Transportation Planning or Land Surveying Services or Related Services,

including but not limited to quality of work, ability to meet schedules, cost control methods and Contract administration practices;

(iv) A Consultant's approach to Architectural, Engineering, Photogrammetric Mapping, Transportation Planning or Land Surveying Services or Related Services described in the Request for Proposals and design philosophy, if applicable;

(v) A Consultant's geographic proximity to and familiarity with the physical location of the Project;

(vii) A Consultant's ownership status and employment practices regarding women, minorities and emerging small businesses or historically underutilized businesses;

(viii) If the Contracting Agency is selecting a Consultant to provide Related Services, pricing policies and pricing proposals or other pricing information, including the number of hours proposed for the services required, expenses, hourly rates and overhead.

(F) A Statement that Proposers responding to the RFP do so solely at their expense, and Contracting Agency is not responsible for any Proposer expenses associated with the RFP; and

(G) A statement directing Proposers to the protest procedures set forth in these Division 48 rules.

(b) Provide a Request for Proposals to a minimum of three (3) prospective Consultants drawn from any and all Consultants that the Contracting Agency reasonably can locate that offer the desired Architectural, Engineering, Photogrammetric Mapping, Transportation Planning or Land Surveying Services or Related Services, or any combination of the foregoing. If three (3) prospective Consultants cannot reasonably be located, Contracting Agency shall document its efforts in writing and provide the RFP to those Consultants that were located.

(c) Review and rank all Proposals received according to the criteria set forth in the Request for Proposals.

(3) If Contracting Agency does not cancel the RFP after it reviews and ranks each Proposer, Contracting Agency will begin negotiating a Contract with the highest ranked Proposer. Contracting Agency shall direct negotiations toward obtaining written agreement on:

(a) The Consultant's performance obligations and performance schedule;

(b) Payment methodology and a maximum amount payable to the Consultant for the Architectural, Engineering, Photogrammetric Mapping, Transportation Planning or Land Surveying Services or Related Services required under the Contract that is fair and reasonable to the Contracting Agency as determined solely by the Contracting Agency, taking into account the value, scope, complexity and nature of the Architectural, Engineering, Photogrammetric Mapping, Transportation Planning or Land Surveying Services or Related Services; and

(c) Any other provisions the Contracting Agency believes to be in the Contracting Agency's best interest to negotiate.

(4) The Contracting Agency shall, either orally or in writing, formally terminate negotiations with the highest ranked Proposer, if the Contracting Agency and Proposer are unable for any reason to reach agreement on a Contract within a reasonable amount of time. The Contracting Agency may thereafter negotiate with the second ranked Proposer, and if necessary, with the third ranked Proposer, in accordance with Section (3) of this rule, until negotiations result in a Contract. If negotiations with any of the Proposers do not result in a Contract within a reasonable amount of time, the Contracting Agency may end the particular informal solicitation and thereafter may proceed with a new informal solicitation under this rule or proceed with a formal solicitation under Rule 137-048-0220 (Formal Selection Procedure).

(5) The Contracting Agency shall terminate the informal selection procedure and proceed with the formal selection procedure under Rule 137-048-0220 if the scope of the anticipated Contract is revised during negotiations so that the Estimated Fee will exceed \$250,000.

(D) A copy of all records, if any, of Consultants' performance under Contracts with any other Contracting Agency;

(E) The number of Consultants' experienced staff committed to perform the Architectural, Engineering, Photogrammetric Mapping, Transportation Planning or Land Surveying Services or Related Services described in the RFQ, including such personnel's specific qualifications and experience and an estimate of the proportion of time that such personnel would spend on those services;

(F) Consultants' approaches to Architectural, Engineering, Photogrammetric Mapping, Transportation Planning or Land Surveying Services or Related Services described in the RFQ and design philosophy, if applicable;

(J) Consultants' ability to assist Contracting Agency in complying with the solar energy technology requirements of ORS 279C.527; and

(K) Any other information Contracting Agency deems reasonably necessary to evaluate Consultants' qualifications.

(c) Contracting Agency may use any reasonable screening or evaluation method to establish a short list of qualified Consultants, including but not limited to, the following:

- (A) Requiring Consultants responding to an RFQ to achieve a threshold score before qualifying for placement on the short list;
 - (B) Placing a pre-determined number of the highest scoring Consultants on a short list;
 - (C) Placing on a short list only those Consultants with certain essential qualifications or experience, whose practice is limited to a particular subject area, or who practice in a particular geographic locale or region, provided that such factors are material, would not unduly restrict competition, and were announced as dispositive in the RFQ.
 - (d) No Consultant will be eligible for placement on a Contracting Agency's short list established under subsection (3)(d) of this rule if Consultant or any of Consultant's principals, partners or associates are members of the Contracting Agency's RFQ evaluation committee.
 - (e) Except when the RFQ is cancelled, a Contracting Agency shall provide a copy of the subsequent RFP to each Consultant on the short list.
- (4) Formal Selection of Consultants Through Request for Proposals. Contracting Agency shall use the procedure described in this Section (4) of this rule when issuing an RFP for a Contract described in Section (1) of this rule.
- (a) RFP Required Contents. Contracting Agency using the formal selection procedure shall include at least the following in each Request for Proposals, whether or not the RFP is preceded by an RFQ:
- (A) General background information, including a description of the Project and the specific Architectural, Engineering, Photogrammetric Mapping, Transportation Planning or Land Surveying Services or Related Services sought for the Project, the estimated Project cost, the estimated time period during which the Project is to be completed, and the estimated time period in which the specific Architectural, Engineering, Photogrammetric Mapping, Transportation Planning or Land Surveying Services or Related Services sought will be performed.
 - (B) The RFP evaluation process and the criteria which will be used to select the most qualified Proposer, including the weights, points or other classifications applicable to each criterion. If the Contracting Agency does not indicate the applicable number of points, weights or other classifications, then each criterion is of equal value. Evaluation criteria may include, but are not limited to, the following:
 - (i) Proposers' availability and capability to perform the Architectural, Engineering, Photogrammetric Mapping, Transportation Planning or Land Surveying Services or Related Services described in the RFP;
 - (ii) Experience of Proposers' key staff persons in providing similar Architectural, Engineering, Photogrammetric Mapping, Transportation Planning or Land Surveying Services, or Related Services on comparable projects;
 - (iii) The amount and type of resources, and number of experienced staff persons Proposers have committed to perform the Architectural, Engineering, Photogrammetric Mapping, Transportation Planning or Land Surveying Services or Related Services described in the RFP;
 - (iv) The recent, current and projected workloads of the staff and resources referenced in subsection (4)(a)(B)(iii), above;
 - (v) The proportion of time Proposers estimate that the staff referenced in subsection (4)(a)(B)(iii), above, would spend on the Architectural, Engineering, Photogrammetric Mapping, Transportation Planning or Land Surveying Services or Related Services described in the RFP;
 - (vi) Proposers' demonstrated ability to complete successfully similar Architectural, Engineering, Photogrammetric Mapping, Transportation Planning or Land Surveying Services or Related Services on time and within budget, including whether or not there is a record of satisfactory performance;
 - (vii) References and recommendations from past clients;
 - (viii) Proposers' performance history in meeting deadlines, submitting accurate estimates, producing high quality work, meeting financial obligations, price and cost data from previous projects, cost controls and contract administration;
 - (ix) Status and quality of any required license or certification;
 - (x) Proposers' knowledge and understanding of the Project and Architectural, Engineering and Land Surveying Services or Related Services described in the RFP as shown in Proposers' approaches to staffing and scheduling needs for the Architectural, Engineering, Photogrammetric Mapping, Transportation Planning or Land Surveying Services or Related Services and proposed solutions to any perceived design and constructability issues;
 - (xi) Results from interviews, if conducted;
 - (xii) Design philosophy, if applicable, and approach to the Architectural, Engineering, Photogrammetric Mapping, Transportation Planning or Land Surveying Services or Related Services described in the RFP;
 - (xiii) If the Contracting Agency is selecting a Consultant to provide Related Services, pricing policies and pricing proposals or other pricing information, including the number of hours proposed for the services required, expenses, hourly rates and overhead; and
 - (xiv) Any other criteria that the Contracting Agency deems relevant to the Project and the Architectural, Engineering, Photogrammetric Mapping, Transportation Planning or Land Surveying Services or Related Services described in the RFP, including, where the nature and budget of the Project so warrant, a design competition between competing Proposers. Provided, however, these additional criteria cannot include pricing policies, pricing proposals or other pricing information, including the number of hours proposed for the services required, expenses, hourly rates and overhead, when the sole purpose or predominant purpose of the RFP is to obtain Architectural, Engineering, Photogrammetric Mapping, Transportation Planning or Land Surveying Services.

- (C) Conditions or limitations, if any, that may constrain or prohibit the selected Consultant's ability to provide additional services related to the Project, including but not limited to construction services;
- (D) Whether interviews are possible and if so, the weight, points or other classifications applicable to the potential interview;
- (E) The date and time Proposals are due, and the delivery location for Proposals;
- (F) Reservation of the right to seek clarifications of each Proposal;
- (G) Reservation of the right to negotiate a final Contract that is in the best interest of the Contracting Agency;
- (H) Reservation of the right to reject any or all Proposals and reservation of the right to cancel the RFP at anytime if doing either would be in the public interest as determined by the Contracting Agency;
- (I) A Statement that Proposers responding to the RFP do so solely at their expense, and Contracting Agency is not responsible for any Proposer expenses associated with the RFP;
- (J) A statement directing Proposers to the protest procedures set forth in these division 48 rules;
- (K) Special Contract requirements, including but not limited to disadvantaged business enterprise ("DBE"), minority business enterprise ("MBE"), women business enterprise ("WBE") and emerging small business enterprise ("ESB") participation goals or good faith efforts with respect to DBE, MBE, WBE and ESB participation, and federal requirements when federal funds are involved;
- (L) A statement whether or not the Contracting Agency will hold a pre-Proposal meeting for all interested Consultants to discuss the Project and the Architectural, Engineering, Photogrammetric Mapping, Transportation Planning or Land Surveying Services or Related Services described in the RFP and if a pre-Proposal meeting will be held, the location of the meeting and whether or not attendance is mandatory;
- (M) A request for any information the Contracting Agency deems reasonably necessary to permit the Contracting Agency to evaluate, rank and select the most qualified Proposer to perform the Architectural, Engineering, Photogrammetric Mapping, Transportation Planning or Land Surveying Services or Related Services described in the RFP; and
- (N) A sample form of the Contract.

(b) RFP Evaluation Committee. The Contracting Agency shall either establish a committee or designate an individual to review, score and rank Proposals according to the evaluation criteria set forth in the RFP. If the RFP has followed an RFQ, the Contracting Agency may include the same members who served on the RFQ evaluation committee. The Contracting Agency may appoint to the evaluation committee Contracting Agency employees or employees of other public agency with experience in Architectural, Engineering, Photogrammetric Mapping, Transportation Planning or Land Surveying, Related Services, construction services or Public Contracting. At least one member of an evaluation committee must be a Contracting Agency employee. If the Contracting Agency procedure permits, the Contracting Agency may include on the evaluation committee private practitioners of architecture, engineering, land surveying or related professions. If formed, the Contracting Agency shall designate a member of the evaluation committee as the evaluation committee chairperson.

(A) No Proposer will be eligible for award of the Contract under the RFP if Proposer or any of Proposer's principals, partners or associates are members of the Contracting Agency's RFP evaluation committee for the Contract;

(c) If the Contracting Agency does not cancel the RFP after completing the scoring and ranking for each Proposer, the Contracting Agency will begin negotiating a Contract with the highest ranked Proposer. The Contracting Agency shall direct negotiations toward obtaining written agreement on:

(A) The Consultant's performance obligations and performance schedule;

(B) Payment methodology and a maximum amount payable to the Consultant for the Architectural, Engineering, Photogrammetric Mapping, Transportation Planning or Land Surveying Services or Related Services required under the Contract that is fair and reasonable to the Contracting Agency as determined solely by the Contracting Agency, taking into account the value, scope, complexity and nature of the Architectural, Engineering, Photogrammetric Mapping, Transportation Planning or Land Surveying Services or Related Services; and

(C) Any other provisions the Contracting Agency believes to be in the Contracting Agency's best interest to negotiate.

(d) The Contracting Agency shall, either orally or in writing, formally terminate negotiations with the highest ranked Proposer if the Contracting Agency and Proposer are unable for any reason to reach agreement on a Contract within a reasonable amount of time. The Contracting Agency may thereafter negotiate with the second ranked Proposer, and if necessary, with the third ranked Proposer, and so on, in accordance with subsection (4)(c) of this rule, until negotiations result in a Contract. If negotiations with any Proposer do not result in a Contract within a reasonable amount of time, the Contracting Agency may end the particular formal solicitation. Nothing in this rule precludes a Contracting Agency from proceeding with a new formal solicitation for the same Architectural, Engineering, Photogrammetric Mapping, Transportation Planning or Land Surveying Services or Related Services described in the RFP that failed to result in a Contract.

Ties Among Proposers

(1) If Contracting Agency is selecting a Consultant on the basis of qualifications alone and determines after the ranking of Proposers that two or more Proposers are equally qualified, the Contracting Agency may select a candidate through any process that the Contracting Agency believes will result in the best value for the Contracting Agency taking into account the scope, complexity and nature of the Architectural, Engineering, Photogrammetric Mapping, Transportation Planning or Land Surveying Services. Provided, however, the tie breaking process established by the Contracting Agency under this Section (1) cannot be based on the Consultant's pricing policies, pricing proposals or other pricing information, including the number of hours proposed for the services required, expenses, hourly rates and overhead. The process must be designed to instill public confidence through ethical and fair dealing, honesty and good faith on the part of the Contracting Agency and Proposers and shall protect the integrity of the Public Contracting process. Once a tie is broken, the Contracting Agency and the selected Proposer shall proceed with negotiations under Rules 137-048-0210(3) or 137-048-0220(4)(c), as applicable.

(2) If Contracting Agency is selecting a Consultant on the basis of price alone, or on the basis of price and qualifications, and determines after the ranking of Proposers that two or more Proposers are identical in terms of price or are identical in terms of price and qualifications, then the Contracting Agency shall follow the procedure set forth in Rule 137-046-0300 (Preferences for Oregon Goods and Services), to select the Consultant.

Protest Procedures

(1) **RFP Protest and Request for Change.** Consultants may submit a written protest of anything contained in an RFP and may request a change to any provision, specification or Contract term contained in an RFP, no later than seven (7) calendar days prior to the date Proposals are due, unless a different deadline is indicated in the RFP. Each protest and request for change must include the reasons for the protest or request, and any proposed changes to the RFP provisions, specifications or Contract terms. The Contracting Agency may not consider any protest or request for change that is submitted after the submission deadline.

(2) **Protest of Consultant Selection.**

(a) **Single Award.** In the event of an award to a single Proposer, the Contracting Agency shall provide to all Proposers a copy of the selection notice that the Contracting Agency sent to the highest ranked Proposer. A Proposer who claims to have been adversely affected or aggrieved by the selection of the highest ranked Proposer may submit a written protest of the selection to the Contracting Agency no later than seven (7) calendar days after the date of the selection notice unless a different deadline is indicated in the RFP. A Proposer submitting a protest must claim that the protesting Proposer is the highest ranked Proposer because the Proposals of all higher ranked Proposers failed to meet the requirements of the RFP or because the higher ranked Proposers otherwise are not qualified to perform the Architectural, Engineering, Photogrammetric Mapping, Transportation Planning or Land Surveying Services or Related Services described in the RFP.

(b) **Multiple Award.** In the event of an award to more than one Proposer, the Contracting Agency shall provide to all Proposers copies of the selection notices that the Contracting Agency sent to the highest ranked Proposers. A Proposer who claims to have been adversely affected or aggrieved by the selection of the highest ranked Proposers may submit a written protest of the selection to the Contracting Agency no later than seven (7) calendar days after the date of the selection notices, unless a different deadline is indicated in the RFP. A Proposer submitting a protest must claim that the protesting Proposer is one of the highest ranked proposers because the Proposals of all higher ranked Proposers failed to meet the requirements of the RFP, or because a sufficient number of Proposals of higher ranked Proposers failed to meet the requirements of the RFP. In the alternative, a Proposer submitting a protest must claim that the Proposals of all higher ranked Proposers, or a sufficient number of higher ranked Proposers, are not qualified to perform the Architectural, Engineering, Photogrammetric Mapping, Transportation Planning or Land Surveying Services or Related Services described in the RFP.

(c) **Effect of Protest Submission Deadline.** A Contracting Agency may not consider any protest that is submitted after the submission deadline.

(3) **Resolution of Protests.** A duly authorized representative of the Contracting Agency shall resolve all timely submitted protests within a reasonable time following the Contracting Agency's receipt of the protest and once resolved, shall promptly issue a written decision on the protest to the Proposer who submitted the protest. If the protest results in a change to the RFP, the Contracting Agency shall revise the RFP accordingly and shall re-advertise the RFP in accordance with these rules.

Solicitation Cancellation, Delay or Suspension; Rejection of All Proposals or Responses; Consultant Responsibility For Costs

A Contracting Agency may cancel, delay or suspend a solicitation, RFQ or other preliminary Procurement document, whether related to a Direct Appointment Procedure (Rule 137-048-0200), the Informal Selection Procedure (Rule 137-048-0210), or the Formal Selection Procedure (Rule 137-048-0220), or reject all Proposals, responses to RFQs, responses to other preliminary Procurement documents, or any combination of the foregoing, if the Contracting Agency believes it is in the public interest to do so. In the event of any such cancellation, delay, suspension or rejection, the Contracting Agency is not liable to any Proposer for any loss or expense caused by or resulting from any such cancellation, delay, suspension or rejection. Consultants responding to either solicitations, RFQs or other preliminary Procurement documents are responsible for all costs they may incur in connection with submitting Proposals, responses to RFQs or responses to other preliminary Procurement documents.

Two-Tiered Selection Procedure when State Agency is Lead Contracting Agency

(1) If the Contracting Agency requires an Architect, Engineer, Photogrammetrist, Transportation Planner or Land Surveyor to perform Architectural, Engineering, Photogrammetric Mapping, Transportation Planning or Land Surveying Services or Related Services for a public improvement owned and maintained by that Local Contracting Agency, and a State Agency will serve as the lead Contracting Agency and will enter into Contracts with Architects, Photogrammetrists, Transportation Planners, Engineers or Land Surveyors for Architectural, Engineering, Photogrammetric Mapping, Transportation Planning or Land Surveying Services or Related Services for that public improvement, Contracting Agency shall utilize the two-tiered selection process described below to obtain these Contracts with Architects, Engineers, Photogrammetrists, Transportation Planners, or Land Surveyors.

(2) Tier One. The State Contracting Agency shall, when feasible, identify no fewer than the three (3) most qualified Proposers responding to an RFP pursuant to its own rules or, if permitted by state, by these Division 48 rules applicable selection procedures described in from among Architects, Engineers, Photogrammetrists, Transportation Planners, or Land Surveyors, and shall notify Contracting Agency of the Architects, Engineers, Photogrammetrists, Transportation Planners, or Land Surveyors selected.

(3) Tier Two. In accordance with the qualifications based selection requirements of ORS 279C.110, Contracting Agency shall either:

(a) Select an Architect, Engineer, Photogrammetrist, Transportation Planner or Land Surveyor from the State Contracting Agency's list of Proposers to perform the Architectural, Engineering, Photogrammetric Mapping, Transportation Planning or Land Surveying Services or Related Services for Local Contracting Agency's public improvement; or

(b) Select an Architect, Engineer, Photogrammetrist, Transportation Planner or Land Surveyor to perform the Architectural, Engineering, Photogrammetric Mapping, Transportation Planning or Land Surveying Services or Related Services for Local Contracting Agency's public improvement through an alternative process adopted by Contracting Agency, consistent with the provisions of the applicable RFP, if any, and these division 48 rules. Contracting Agency's alternative process must be described in the applicable RFP, may be structured to take into account the unique circumstances of Contracting Agency and may include provisions to allow Contracting Agency to perform its tier two responsibilities efficiently and economically, alone or in cooperation with other Local Contracting Agencies. Contracting Agency's alternative process may include, but is not limited to, one or more of the following methods:

(A) A general written direction from Contracting Agency to the State Contracting Agency, prior to the advertisement of a Procurement or series of Procurements or during the course of the Procurement or series of Procurements, that Contracting Agency's tier two selection shall be the highest-ranked firm identified by the State Contracting Agency during the tier one process, and that no further coordination or consultation with Contracting Agency is required. However, Contracting Agency may provide written notice to the State Contracting Agency that Contracting Agency's general written direction is not to be applied for a particular Procurement and describe the process that Contracting Agency will utilize for the particular Procurement. In order for a written direction from Contracting Agency consistent with this subsection to be effective for a particular Procurement, it must be received by the State Contracting Agency with adequate time for the State Contracting Agency to revise the RFP in order for Proposers to be notified of the tier

two process to be utilized in the Procurement. In the event of a multiple award under the terms of the applicable Procurement, the written direction from Contracting Agency may apply to the highest ranked firms that are selected under the terms of the Procurement document.

(B) An intergovernmental agreement between Contracting Agency and the State Contracting Agency outlining the alternative process that Contracting Agency has adopted for a Procurement or series of Procurements.

(C) Where multiple Local Government Agencies are involved in a two-tiered selection procedure, the Local Government Agencies may name one or more authorized representative(s) to act on behalf of all the Local Government Agencies, whether the Local Government Agencies are acting collectively or individually, to select the Architect, Engineer, Photogrammetrist, Transportation Planner or Land Surveyor to perform the Architectural, Engineering, Photogrammetric Mapping, Transportation Planning or Land Surveying Services or Related Services under the tier two selection process. In the event of a multiple award under the terms of the applicable Procurement, the authorized representative(s) of the Local Contracting Agencies may act on behalf of the Local Contracting Agencies to select the highest ranked firms that are required under the terms of the Procurement document, as part of the tier two selection process.

(4) Contracting Agency or State shall thereafter begin Contract negotiations with the selected Architect, Engineer, Photogrammetrist, Transportation Planner or Land Surveyor in accordance with the negotiation provisions in Rule 137-048-0200 (Direct Appointment Procedure), 137-048-0210 (Informal Selection Procedure) or 137-048-0220 (Formal Selection Procedure) as applicable.

(5) Nothing in these division 48 rules should be construed to deny or limit Contracting Agency's ability to enter into a Contract directly with Architects, Engineers, Photogrammetrists, Transportation Planners, or Land Surveyors pursuant to ORS 279C.125(4), through a selection process established by Contracting Agency.

Price Agreements

(1) Contracting Agency may establish Price Agreements for Architectural, Engineering, Photogrammetric Mapping, Transportation Planning or Land Surveying Services or Related Services, when the Contracting Agency cannot determine the precise quantities of those Services which the Contracting Agency will require over a specified time period.

(2) When establishing Price Agreements under this rule, a Contracting Agency shall select no fewer than three Consultants, when feasible. The selection procedures for establishing Price Agreements shall be in accordance with Rule 137-048-0130(1) or 137-048-0130(2), as applicable. Contracting Agency may select a single Consultant, when a Price Agreement is awarded to obtain services for a specific Project or a closely-related group of Projects.

(3) Solicitation materials and the terms and conditions for a Price Agreement for Architectural, Engineering, Photogrammetric Mapping, Transportation Planning or Land Surveying Services or Related Services must:

(a) Include a scope of services, menu of services, a specification for services or a similar description of the nature, general scope, complexity and purpose of the procurement that will reasonably enable a prospective bidder or Proposer to decide whether to submit a bid or proposal;

(b) Specify whether the Contracting Agency intends to award a Price Agreement to one Consultant or to multiple Consultants. If the Contracting Agency will award a Price Agreement to more than one Consultant, the solicitation document and Price Agreement shall describe the criteria and procedures the Contracting Agency will use to select a Consultant for each individual work order or task order. Subject to the requirements of ORS 279C.110, the criteria and procedures to assign work orders or task orders that only involve or predominantly involve Architectural, Engineering, Photogrammetric Mapping, Transportation Planning or Land Surveying services are at the Contracting Agency's sole discretion; provided, however, in circumstances where a direct contract is not permitted under Rule 137-048-0200, the selection criteria cannot be based on pricing policies, pricing proposals or other pricing information, including the number of hours proposed for the Services required, expenses, hourly rates and overhead. In accordance with Rule 137-048-0130(2) applicable to Related Services procurements, the selection criteria and procedures may be based solely on the qualifications of the Consultants, solely on pricing information, or a combination of both qualifications and pricing information. Pricing information may include the number of hours proposed for the Related Services required, expenses, hourly rates, overhead and other price factors. Work order or task order assignment procedures under Price Agreements may include direct appointments, subject to the requirements of Rule 137-048-0200; and

(c) Specify the maximum term for assigning Architectural, Engineering, Photogrammetric Mapping, Transportation Planning or Land Surveying Services or Related Services under the Price Agreement.

(4) All Architectural, Engineering, Photogrammetric Mapping, Transportation Planning or Land Surveying Services or Related Services assigned under a Price Agreement require a written work order or task order issued by the

Contracting Agency. Any work orders or task orders assigned under a Price Agreement must include, at a minimum, the following:

- (a) A clearly defined statement of work and schedule for any deliverables;
- (b) A maximum, not-to-exceed price or fixed price amount for the Architectural, Engineering, Photogrammetric Mapping, Transportation Planning or Land Surveying Services or Related Services specified and authorized under the work order or task order; and
- (c) Language that incorporates all applicable terms and conditions of the Price Agreement into the work order or task order.

POST-SELECTION CONSIDERATIONS

137-048-0300

Prohibited Payment Methodology; Purchase Restrictions

(1) Except as otherwise allowed by law, Contracting Agency shall not enter into any Contract which includes compensation provisions that expressly provide for payment of:

- (a) Consultant's costs under the Contract plus a percentage of those costs; or
- (b) A percentage of the Project construction costs or total Project costs.

(2) Except as otherwise allowed by law, Contracting Agency shall not enter into any Contract in which:

- (a) The compensation paid under the Contract is solely based on or limited to the Consultant's hourly rates for the Consultant's personnel working on the Project and reimbursable expenses incurred during the performance of work on the Project (sometimes referred to as a "time and materials" Contract); and
- (b) The Contract does not include a maximum amount payable to the Consultant for the Architectural, Engineering, Photogrammetric Mapping, Transportation Planning or Land Surveying Services or Related Services required under the Contract.

(3) Except in cases of Emergency or in the particular instances noted in the subsections below, Contracting Agency shall not purchase any building materials, supplies or equipment for any building, structure or facility constructed by or for Contracting Agency from any Consultant under a Contract with Contracting Agency to perform Architectural, Engineering, Photogrammetric Mapping, Transportation Planning or Land Surveying Services or Related Services, for the building, structure or facility. This prohibition does not apply if either of the following circumstances exists:

- (a) The Consultant is providing Architectural, Engineering, Photogrammetric Mapping, Transportation Planning or Land Surveying Services or Related Services under a Contract with a Contracting Agency to perform Design-Build services or Energy Savings Performance Contract services (see Rules 137-049-0670 and 137-049-0680); or
- (b) That portion of the Contract relating to the acquisition of building materials, supplies or equipment was awarded to the Consultant pursuant to applicable law governing the award of such a Contract.

Expired or Terminated Contracts; Reinstatement

(1) If Contracting Agency enters into a Contract for Architectural, Engineering, Photogrammetric Mapping, Transportation Planning or Land Surveying Services or Related Services and that Contract subsequently expires or is terminated, the Contracting Agency may proceed as follows, subject to the requirements of subsection (2) of this rule:

(a) Expired Contracts. If the Contract has expired as the result of Project delay caused by the Contracting Agency or caused by any other occurrence outside the reasonable control of the Contracting Agency or the Consultant, and if no more than one year has passed since the Contract expiration date, the Contracting Agency may amend the Contract to extend the Contract expiration date, revise the description of the Architectural, Engineering, Photogrammetric Mapping, Transportation Planning or Land Surveying Services or Related Services required under the Contract to reflect any material alteration of the Project made as a result of the delay, and revise the applicable performance schedule. Beginning on the effective date of the amendment, the Contracting Agency and the Consultant shall continue performance under the Contract as amended; or

(b) Terminated Contracts. If Contracting Agency or both parties to the Contract have terminated the Contract for any reason and if no more than one year has passed since the Contract termination date, then the Contracting Agency may enter into a new Contract with the same Consultant to perform the remaining Architectural, Engineering and Land Surveying Services, or Related Services not completed under the original Contract, or to perform any remaining

Architectural, Engineering, Photogrammetric Mapping, Transportation Planning or Land Surveying Services or Related Services not completed under the Contract as adjusted to reflect a material alteration of the Project.

(2) The Contracting Agency may proceed under either subsection (1)(a) or subsection (1)(b) of this rule only after making written findings that amending the existing Contract or entering into a new Contract with the Consultant will:

(a) Promote efficient use of public funds and resources and result in substantial cost savings to the Contracting Agency;

(b) Protect the integrity of the Public Contracting process and the competitive nature of the Procurement process by not encouraging favoritism or substantially diminishing competition in the award of Contracts; and

(c) Result in a Contract that is still within the scope of the final form of the original Procurement document.

Contract Amendments

(1) A Contracting Agency may amend any Contract if the Contracting Agency, in its sole discretion, determines that the amendment is within the scope of the Solicitation Document and that the amendment would not materially impact the field of competition for the Architectural, Engineering, Photogrammetric Mapping, Transportation Planning or Land Surveying Services or Related Services described in the final form of the original Procurement document. In making this determination, the Contracting Agency shall consider potential alternative methods of procuring the services contemplated under the proposed amendment. An amendment would not materially impact the field of competition for the services described in the Solicitation Document if the Contracting Agency reasonably believes that the number of Proposers would not significantly increase if the Procurement document were re-issued to include the additional services.

(2) The Contracting Agency may amend any Contract if the additional services are required by reason of existing or new laws, rules, regulations or ordinances of federal, state or local agencies, which affect performance of the original Contract.

(3) All amendments to Contracts must be in writing, must be signed by an authorized representative of the Consultant and the Contracting Agency and must receive all required approvals before the amendments will be binding on the Contracting Agency.

Emergency Contracts; Bidding and Bonding Exemptions

(1) **Emergency Declaration.** A Contracting Agency may declare that Emergency circumstances exist that require prompt execution of a Public Contract for Emergency construction or repair Work. The declaration shall be made at an administrative level consistent with the Contracting Agency's internal policies, by a written declaration that describes the circumstances creating the Emergency and the anticipated harm from failure to enter into an Emergency Contract. The Emergency declaration shall thereafter be kept on file as a public record.

(2) **Competition for Contracts.** Pursuant to ORS 279C.320(1), Emergency Contracts are regulated under ORS 279B.080, which provides that, for an emergency procurement of construction services, the Contracting Agency shall ensure competition that is reasonable and appropriate under the Emergency circumstances, and may include written requests for Offers, oral requests for Offers or direct appointments without competition in cases of extreme necessity, in whatever solicitation time periods the Contracting Agency considers reasonable in responding to the Emergency.

(3) **Emergency Contract Scope.** Although no dollar limitation applies to Emergency Contracts, the scope of the Contract must be limited to Work that is necessary and appropriate to remedy the conditions creating the Emergency as described in the declaration.

(4) **Emergency Contract Modification.** Emergency Contracts may be modified by change order or amendment to address the conditions described in the original declaration or an amended declaration that further describes additional work necessary and appropriate for related Emergency circumstances.

(5) **Excusing Bonds.** Pursuant to ORS 279C.380(4) and this rule, the Emergency declaration may also state that the Contracting Agency waives the requirement of furnishing a performance bond and payment bond for the Emergency Contract. After making such an Emergency declaration the bonding requirements are excused for the procurement, but this Emergency declaration does not affect the separate Public Works bond requirement for the benefit of the Bureau of Labor and Industries (BOLI) in enforcing prevailing wage rate and overtime payment requirements. See Rule 137-049-0815 and BOLI rules at OAR 839-025-0015.

Intermediate Procurements; Competitive Quotes and Amendments

(1) **General.** Public Improvement Contracts estimated by the Contracting Agency not to exceed \$100,000 may be Awarded in accordance with this rule.

(2) **Selection Criteria.** The selection criteria may be limited to price or some combination of price, experience, specific expertise, availability, project understanding, contractor capacity, responsibility and similar factors.

(3) **Request for Quotes.** Contracting Agencies shall utilize written requests for quotes whenever reasonably practicable. Written request for quotes shall include the selection criteria to be utilized in selecting a Contractor and, if the criteria are not of equal value, their relative value or ranking. When requesting quotations orally, prior to requesting the price quote the Contracting Agency shall state any additional selection criteria and, if the criteria are not of equal value, their relative value. For Public Works Contracts, oral quotations may be utilized only in the event that Written copies of the prevailing wage rates are not required by the Bureau of Labor and Industries.

(4) **Number of Quotes; Record Required.** Contracting Agencies shall seek at least three competitive quotes, and keep a written record of the sources and amounts of the quotes received. If three quotes are not reasonably available the Contracting Agency shall make a written record of the effort made to obtain those quotes.

(5) **Award.** If Awarded, the Contracting Agency shall Award the Contract to the prospective contractor whose quote will best serve the interests of the Contracting Agency, taking into account the announced selection criteria. If Award is not made to the Offeror offering the lowest price, the Contracting Agency shall make a written record of the basis for Award.

(6) **Price Increases.** Intermediate level Public Improvement Contracts obtained by competitive quotes may be increased above the original amount of Award by Contracting Agency issuance of a Change to the Work or Amendment, pursuant to Rule 137-049-0910, within the following limitations:

(a) Up to an aggregate Contract Price increase of 25% over the original Contract amount when a Contracting Agency's contracting officer determines that a price increase is warranted for additional reasonably related Work, and;

(b) Up to an aggregate Contract Price increase of 50% over the original Contract amount, when a Contracting Agency's contracting officer determines that a price increase is warranted for additional reasonably related Work and a Contracting Agency official, board or governing body with administrative or review authority over the contracting officer approves the increase.

(7) **Amendments.** Amendments of intermediate level Public Improvement Contracts that exceed the thresholds stated in section (1) are specifically authorized by the code, when made in accordance with this rule. Accordingly, such amendments are not considered new procurements and do not require an exemption from competitive bidding.

Prequalification of Offerors

(1) **Prequalification.** Pursuant to ORS 279C.430 and this rule, two types of prequalification are authorized:

(a) **Mandatory Prequalification.** A Contracting Agency may require mandatory prequalification of Offerors on forms prescribed by the Contracting Agency's Contract Review Authority. The Contracting Agency shall determine prequalification status in accordance with 279C.430. A Contracting Agency must indicate in the Solicitation Document if it will require mandatory prequalification and establish the time for submitting the prequalification application. Mandatory prequalification is when a Contracting Agency conditions a Person's submission of an Offer upon the Person's prequalification. The Contracting Agency shall not consider an Offer from a Person that is not prequalified if the Contracting Agency required prequalification.

(b) **Permissive Prequalification.** A Contracting Agency may prequalify a Person for the Contracting Agency's Solicitation list on forms prescribed by the Contracting Agency's Contract Review Authority, but in permissive prequalification the Contracting Agency shall not limit distribution of a Solicitation to that list.

(2) **Prequalification Presumed.** If an Offeror is currently prequalified by either the Oregon Department of Transportation or the Oregon Department of Administrative Services to perform Contracts, the Offeror shall be rebuttably presumed qualified to perform similar Work for other Contracting Agencies.

(3) **Standards for Prequalification.** A Person may prequalify by demonstrating to the Contracting Agency's satisfaction:

(a) That the Person's financial, material, equipment, facility and personnel resources and expertise, or ability to obtain such resources and expertise, indicate that the Person is capable of meeting all contractual responsibilities;

(b) The Person's record of performance;

(c) The Person's record of integrity;

(d) The Person is qualified to contract with the Contracting Agency.

(See, Rule 137-049-0390(2) regarding standards of responsibility.)

(4) **Notice Of Denial.** If a Person fails to prequalify for a mandatory prequalification, the Contracting Agency shall notify the Person, specify the reasons under section (3) of this rule and inform the Person of the Person's right to a hearing under ORS 279C.445 and 279C.450.

(2) **Landscape Contracts.** A Contracting Agency shall not consider a Person's Offer to do Work as a landscape contractor as defined in ORS 671.520(2), unless the Person has a current, valid landscape contractors license issued pursuant to ORS 671.560 by the State Landscape Contractors Bd at the time the offer is made.

(3) **Noncomplying Entities.** The Contracting Agency shall deem an Offer received from a Person that fails to comply with this rule nonresponsive and shall reject the Offer as stated in ORS 279C.365(1)(k), unless contrary to federal law or subject to different timing requirements set by federal funding agencies.

Pre-Offer Conferences

(1) **Purpose.** A Contracting Agency may hold pre-Offer conferences with prospective Offerors prior to Closing, to explain the Procurement requirements, obtain information or to conduct site inspections.

(2) **Required attendance.** The Contracting Agency may require attendance at the pre-Offer conference as a condition for making an Offer. Unless otherwise specified in the Solicitation Document, a mandatory attendance requirement is considered to have been met if, at any time during the mandatory meeting, a representative of an offering firm is present.

- (3) **Scheduled time.** If a Contracting Agency holds a pre-Offer conference, it shall be held within a reasonable time after the Solicitation Document has been issued, but sufficiently before the Closing to allow Offerors to consider information provided at that conference.
- (4) **Statements Not Binding.** Statements made by a Contracting Agency's representative at the pre-Offer conference do not change the Solicitation Document unless the Contracting Agency confirms such statements with a Written Addendum to the Solicitation Document.
- (5) **Contracting Agency Announcement.** The Contracting Agency must set forth notice of any pre-Offer conference in the Solicitation Document in accordance with Rule 137-049-0200(1)(a)(B).

Addenda to Solicitation Documents

- (1) **Issuance; Receipt.** The Contracting Agency may change a Solicitation Document only by Written Addenda. - (2) **Notice and Distribution.** The Contracting Agency shall notify prospective Offerors of Addenda consistent with the standards of Notice set forth in Rule 137-049-0210(1). The Solicitation Document shall specify how the Contracting Agency will provide notice of Addenda and how the Contracting Agency will make the Addenda available (see Rule 137-049-0200(1)(a)(N)). For example, "Contracting Agency will not mail notice of Addenda, but will publish notice of any Addenda on Contracting Agency's Web site. Addenda may be downloaded off the Contracting Agency's Web site. Offerors should frequently check the Contracting Agency's Web site until closing, i.e., at least once weekly until the week of Closing and at least once daily the week of the Closing."
- (3) **Timelines; Extensions.** The Contracting Agency shall issue Addenda within a reasonable time to allow prospective Offerors to consider the Addenda in preparing their Offers. The Contracting Agency may extend the Closing if the Contracting Agency determines prospective Offerors need additional time to review and respond to Addenda. Except to the extent required by public interest, the Contracting Agency shall not issue Addenda less than 72 hours before the Closing unless the Addendum also extends the Closing.
- (4) **Request for Change or Protest.** Unless a different deadline is set forth in the Addendum, an Offeror may submit a Written request for change or protest to the Addendum, as provided in Rule 137-049-0260, by the close of the Contracting Agency's next business day after issuance of the Addendum, or up to the last day allowed to submit a request for change or protest under Rule 137-049-0260, whichever date is later. The Contracting Agency shall consider only an Offeror's request for change or protest to the Addendum; the Contracting Agency shall not consider a request for change or protest to matters not added or modified by the Addendum, unless the Offeror submits the request for change or protest before the deadline for the Contracting Agency's receipt of request for change or protests as set forth in Rule 137-049-0260(2) and (3).

- (1) **Clarification.** Prior to the deadline for submitting a Written request for change or protest, an Offeror may request that the Contracting Agency clarify any provision of the Solicitation Document. The Contracting Agency's clarification to an Offeror, whether orally or in Writing, does not change the Solicitation Document and is not binding on the Contracting Agency unless the Contracting Agency amends the Solicitation Document by Addendum.
- (2) **Request for Change.**
- (a) **Delivery.** An Offeror may request in Writing a change to the Specifications or Contract terms and conditions. Unless otherwise specified in the Solicitation Document, an Offeror must deliver the Written request for change to the Contracting Agency not less than 10 Days prior to Closing;

- (ii) Solicitation Document number (or other identification as specified in the Solicitation Document).
- (3) **Protest.**

(a) Delivery. An Offeror may protest Specifications or Contract terms and conditions. Unless otherwise specified in the Solicitation Document, an Offeror must deliver a Written protest on those matters to the Contracting Agency not less than 10 Days prior to Closing;

(b) Content of Protest.

(A) An Offeror's Written protest shall include:

- (i) A detailed statement of the legal and factual grounds for the protest;
- (ii) A description of the resulting prejudice to the Offeror; and
- (iii) A statement of the desired changes to the Contract terms and conditions, including any Specifications.

(B) An Offeror shall mark its protest as follows:

(i) "Contract Provision Protest"; and

(ii) Solicitation Document number (or other identification as specified in the Solicitation Document)

(4) **Contracting Agency Response**. The Contracting Agency is not required to consider an Offeror's request for change or protest after the deadline established for submitting such request or protest. The Contracting Agency shall provide notice to the applicable Person if it entirely rejects a protest. If the Contracting Agency agrees with the Person's request or protest, in whole or in part, the Contracting Agency shall either issue an Addendum reflecting its determination under Rule 137-049-0260 or cancel the Solicitation under Rule 137-049-0270.

(5) **Extension of Closing**. If a Contracting Agency receives a Written request for change or protest from an Offeror in accordance with this rule, the Contracting Agency may extend Closing if the Contracting Agency determines an extension is necessary to consider the request or protest and issue an Addendum, if any, to the Solicitation Document.

Cancellation of Solicitation Document

(1) **Cancellation in the Public Interest**. A Contracting Agency may cancel a Solicitation for good cause if the Contracting Agency finds that cancellation is in the public interest. The Contracting Agency's reasons for cancellation shall be made part of the Solicitation file.

(2) **Notice of Cancellation**. If the Contracting Agency cancels a Solicitation prior to Opening, the Contracting Agency shall provide Notice of cancellation in accordance with Rule 137-049-0210(1). Such notice of cancellation shall:

If the Contracting Agency cancels a Solicitation prior to Offer Opening, the Contracting Agency shall return all Offers it received to Offerors unopened, provided the Offeror submitted its Offer in a hard copy format with a clearly visible return address. If there is no return address on the envelope, the Contracting Agency shall open the Offer to determine the source and then return it to the Offeror.

(b) After Offer Opening. If the Contracting Agency rejects all Offers, the Contracting Agency shall retain all such Offers as part of the Contracting Agency's Solicitation file.

Offer Submissions

(1) **Offer and Acceptance**. The Bid or Proposal is the Bidder's or Proposer's offer to enter into a Contract.

(a) In competitive Bidding, the Offer is always a "Firm Offer," i.e., the Offer shall be held open by the Offeror for the Contracting Agency's acceptance for the period specified in Rule 137-049-0410. The Contracting Agency's Award of the Contract to a Bidder constitutes acceptance of the Offer and binds the Offeror to the Contract.

(b) In competitive Proposals, the Solicitation Document shall describe whether Offers are to be made and considered as "Firm Offers" that may be accepted without negotiation, as in the case of competitive Bidding, or whether Offers are subject to discussion, negotiation or otherwise are not to be considered as final offers. See Rule 137-049-0650 on Requests for Proposals and Rule 137-049-0290 on Bid or Proposal Security.

(2) **Responsive Offer**. A Contracting Agency may Award a Contract only to a Responsible Offeror with a Responsive Offer.

- (3) **Contingent Offers.** Except to the extent that an Offeror is authorized to propose certain terms and conditions pursuant to Rule 137-049-0650, an Offeror shall not make an Offer contingent upon the Contracting Agency's acceptance of any terms or conditions (including Specifications) other than those contained in the Solicitation Document.
- (4) **Offeror's Acknowledgement.** By signing and returning the Offer, the Offeror acknowledges it has read and understands the terms and conditions contained in the Solicitation Document and that it accepts and agrees to be bound by the terms and conditions of the Solicitation Document. If the Request for Proposals permits proposal of alternative terms under Rule 137-049-0650, the Offeror's Offer includes the nonnegotiable terms and conditions and any proposed terms and conditions offered for negotiation upon and to the extent accepted by the Contracting Agency in Writing.
- (5) **Instructions.** An Offeror shall submit and Sign its Offer in accordance with the Solicitation Document. An Offeror shall initial and submit any correction or erasure to its Offer prior to the Opening in accordance with the requirements for submitting an Offer under the Solicitation Document.
- (6) **Forms.** An Offeror shall submit its Offer on the form(s) provided in the Solicitation Document, unless an Offeror is otherwise instructed in the Solicitation Document.
- (7) **Documents.** An Offeror shall provide the Contracting Agency with all documents and descriptive literature required under the Solicitation Document.
- (8) **Facsimile or Electronic Submissions.** If the Contracting Agency permits facsimile or electronic Offers in the Solicitation Document, the Offeror may submit facsimile or electronic Offers in accordance with the Solicitation Document. The Contracting Agency shall not consider facsimile or electronic Offers unless authorized by the Solicitation Document.
- (9) **Product Samples and Descriptive Literature.** A Contracting Agency may require Product Samples or descriptive literature if it is necessary or desirable to evaluate the quality, features or characteristics of the offered items. The Contracting Agency will dispose of Product Samples, or return or make available for return Product Samples to the Offeror in accordance with the Solicitation Document.
- (10) **Identification of Offers**
- (a) To ensure proper identification and handling, Offers shall be submitted in a sealed envelope appropriately marked or in the envelope provided by the Contracting Agency, whichever is applicable.
- (b) The Contracting Agency is not responsible for Offers submitted in any manner, format or to any delivery point other than as required in the Solicitation Document.
- (11) **Receipt of Offers.** The Offeror is responsible for ensuring that the Contracting Agency receives its Offer at the required delivery point prior to the Closing, regardless of the method used to submit or transmit the Offer.

Bid or Proposal Security

- (1) **Security Amount.** If a Contracting Agency requires Bid or Proposal security, it shall be not more than 10% or less than 5% of the Offeror's Bid or Proposal, consisting of the base Bid or Proposal together with all additive alternates. A Contracting Agency shall not use Bid or Proposal security to discourage competition. The Contracting Agency shall clearly state any Bid or Proposal security requirements in its Solicitation Document. The Offeror shall forfeit Bid or Proposal security after Award if the Offeror fails to execute the Contract and promptly return it with any required Performance Bond and Payment Bond and, in the case of Proposal security, with any required proof of insurance. See ORS 279C.365(4) and ORS 279C.385.
- (2) **Requirement for Bid Security (Optional for Proposals).** Unless a Contracting Agency has otherwise exempted a Solicitation or class of Solicitations from Bid security pursuant to ORS 279C.390, the Contracting Agency shall require Bid security for its Solicitation of Bids for Public Improvements. This requirement applies only to Public Improvement Contracts with a value, estimated by the Contracting Agency, of more than \$100,000 or, in the case of Contracts for highways, bridges and other transportation projects, more than \$50,000. See ORS 279C.365(5). The Contracting Agency may require Bid security even if it has exempted a class of Solicitations from Bid security. Contracting Agencies may require Proposal security in RFPs when Award of a Public Improvement Contract may be made without negotiation following receipt of a Firm Offer as described in Rule 137-049-0280(1)(b). See ORS 279C.400(5).
- (3) **Form of Bid or Proposal Security.** A Contracting Agency may accept only the following forms of Bid or Proposal security:
- (a) A surety bond from a surety company authorized to do business in the State of Oregon;
- (b) An irrevocable letter of credit issued by an insured institution as defined in ORS 706.008; or
- (c) A cashier's check or Offeror's certified check.
- (4) **Return of Security.** A Contracting Agency shall return or release the Bid or Proposal security of all unsuccessful Offerors after a Contract has been fully executed and all required bonds and insurance have

been provided, or after all Offers have been rejected. The Contracting Agency may return the Bid or Proposal security of unsuccessful Offerors prior to Award if the return does not prejudice Contract Award and the security of at least the Bidders with the three lowest Bids, or the Proposers with the three highest scoring Proposals, is retained pending execution of a Contract.

Facsimile Bids and Proposals

(1) **Contracting Agency Authorization.** A Contracting Agency may authorize Offerors to submit facsimile Offers. If the Contracting Agency determines that Bid or Proposal security is or will be required, the Contracting Agency shall not authorize facsimile Offers unless the Contracting Agency has established a method for receipt of such security. Prior to authorizing the submission of facsimile Offers, the Contracting Agency shall determine that the Contracting Agency's equipment and personnel are capable of receiving the size and volume of anticipated Offers within a short period of time. In addition, the Contracting Agency shall establish administrative procedures and controls:

- (a) To receive, identify, record and safeguard facsimile Offers;
- (b) To ensure timely delivery of Offers to the location of Opening; and
- (c) To preserve the Offers as sealed.

(2) **Provisions To Be Included in Solicitation Document.** In addition to all other requirements, if the Contracting Agency authorizes a facsimile Offer for Bids or Proposals, the Contracting Agency shall include in the Solicitation Document (other than in a request for quotes) the following:

- (a) A provision substantially in the form of the following: "A 'facsimile Offer', as used in this Solicitation Document, means an Offer, modification of an Offer, or withdrawal of an Offer that is transmitted to and received by the Contracting Agency via a facsimile machine.";
- (b) A provision substantially in the form of the following: "Offerors may submit facsimile Offers in response to this Solicitation Document. The entire response must arrive at the place and by the time specified in this Solicitation Document.";
- (c) A provision that requires Offerors to Sign their facsimile Offers;
- (d) A provision substantially in the form of the following: "The Contracting Agency reserves the right to Award the Contract solely on the basis of the facsimile Offer. However, upon the Contracting Agency's request the apparent successful Offeror shall promptly submit its complete original Signed Offer.";
- (e) The data and compatibility characteristics of the Contracting Agency's receiving facsimile machine as follows:
 - (A) Telephone number; and
 - (B) Compatibility characteristics, e.g., make and model number, receiving speed, communications protocol; and
- (f) A provision that the Contracting Agency is not responsible for any failure attributable to the transmission or receipt of the facsimile Offer including, but not limited to the following:
 - (A) Receipt of garbled or incomplete documents;
 - (B) Availability or condition of the receiving facsimile machine;
 - (C) Incompatibility between the sending and receiving facsimile machine;
 - (D) Delay in transmission or receipt of documents;
 - (E) Failure of the Offeror to properly identify the Offer documents;
 - (F) Illegibility of Offer documents; and
 - (G) Security and confidentiality of data.

Electronic Procurement

(1) **General.** Contracting Agencies may utilize Electronic Advertisement of Public Improvement Contracts in accordance with ORS 279C.360(1), provided that advertisement of such Contracts with an estimated Contract Price in excess of \$125,000 must also be published in a trade newspaper of general statewide circulation, and may post notices of intent to Award electronically as provided by ORS 279C.410(7).

(2) **Alternative Procedures.** In the event that a Contracting Agency desires to direct or permit the submission and receipt of Offers for a Public Improvement Contract by electronic means, as allowed under ORS 279C.365(1)(d), it shall first promulgate supporting procedures substantially in conformance with Rule 137-047-0330 (Electronic Procurement under ORS Chapter 279B), taking into account ORS Chapter 279C

requirements for written bids, opening bids publicly, bid security, first-tier subcontractor disclosure and inclusion of prevailing wage rates.

(3) **Interpretation.** Nothing in this rule shall be construed as prohibiting Contracting Agencies from making procurement documents for Public Improvement Contracts available in electronic format as well as in hard copy when Bids are to be submitted only in hard copy.

Pre-Closing Modification or Withdrawal of Offers

(1) **Modifications.** An Offeror may modify its Offer in Writing prior to the Closing. An Offeror shall prepare and submit any modification to its Offer to the Contracting Agency in accordance with Rule 137-049-0280, unless otherwise specified in the Solicitation Document. Any modification must include the Offeror's statement that the modification amends and supersedes the prior Offer. The Offeror shall mark the submitted modification as follows:

(a) Bid (or Proposal) Modification; and

(b) Solicitation Number (or Other Identification as specified in the Solicitation Document).

(2) Withdrawals

(a) An Offeror may withdraw its Offer by Written notice submitted on the Offeror's letterhead, Signed by an authorized representative of the Offeror, delivered to the location specified in the Solicitation Document (or the place of Closing if no location is specified), and received by the Contracting Agency prior to the Closing. The Offeror or authorized representative of the Offeror may also withdraw its Offer in Person prior to the Closing, upon presentation of appropriate identification and satisfactory evidence of authority.

(b) The Contracting Agency may release an unopened Offer withdrawn under subsection 2(a) to the Offeror or its authorized representative, after voiding any date and time stamp mark.

(c) The Offeror shall mark the Written request to withdraw an Offer as follows:

(A) Bid (or Proposal) Withdrawal; and

(B) Solicitation Number (or Other Identification as specified in the Solicitation Document).

Receipt, Opening and Recording of Offers; Confidentiality of Offers

(1) **Receipt.** A Contracting Agency shall electronically or mechanically time-stamp or hand-mark each Offer and any modification upon receipt. The Contracting Agency shall not open the Offer or modification upon receipt, but shall maintain it as confidential and secure until Opening. If the Contracting Agency inadvertently opens an Offer or a modification prior to the Opening, the Contracting Agency shall return the Offer or modification to its secure and confidential state until Opening. The Contracting Agency shall document the resealing for the Procurement file (e.g. "Contracting Agency inadvertently opened the Offer due to improper identification of the Offer").

(2) **Opening and Recording.** A Contracting Agency shall publicly open Offers including any modifications made to the Offer pursuant to Rule 137-049-0320. In the case of Invitations to Bid, to the extent practicable, the Contracting Agency shall read aloud the name of each Bidder, the Bid price(s), and such other information as the Contracting Agency considers appropriate. In the case of Requests for Proposals or voluminous Bids, if the Solicitation Document so provides, the Contracting Agency will not read Offers aloud.

(3) **Availability.** After Opening, the Contracting Agency shall make Bids available for public inspection, but pursuant to ORS 279C.410 Proposals are not subject to disclosure until after notice of intent to award is issued. In any event Contracting Agencies may withhold from disclosure those portions of an Offer that the Offeror designates as trade secrets or as confidential proprietary data in accordance with applicable law. See ORS 192.501(2); ORS 646.461 to 646.475. To the extent the Contracting Agency determines such designation is not in accordance with applicable law, the Contracting Agency shall make those portions available for public inspection. The Offeror shall separate information designated as confidential from other nonconfidential information at the time of submitting its Offer. Prices, makes, model or catalog numbers of items offered, scheduled delivery dates, and terms of payment are not confidential, and shall be publicly available regardless of an Offeror's designation to the contrary.

Mistakes

(1) **Generally.** To protect the integrity of the competitive Procurement process and to assure fair treatment of Offerors, a Contracting Agency should carefully consider whether to permit waiver, correction or withdrawal of Offers for certain mistakes.

(2) **Contracting Agency Treatment of Mistakes.** A Contracting Agency shall not allow an Offeror to correct or withdraw an Offer for an error in judgment. If the Contracting Agency discovers certain mistakes in an Offer after Opening, but before Award of the Contract, the Contracting Agency may take the following action:

(a) A Contracting Agency may waive, or permit an Offeror to correct, a minor informality. A minor informality is a matter of form rather than substance that is evident on the face of the Offer, or an insignificant mistake that can be waived or corrected without prejudice to other Offerors. Examples of minor informalities include an Offeror's failure to:

(A) Return the correct number of Signed Offers or the correct number of other documents required by the Solicitation Document;

(B) Sign the Offer in the designated block, provided a Signature appears elsewhere in the Offer, evidencing an intent to be bound; and

(C) Acknowledge receipt of an Addendum to the Solicitation Document, provided that it is clear on the face of the Offer that the Offeror received the Addendum and intended to be bound by its terms; or the Addendum involved did not affect price, quality or delivery.

(b) A Contracting Agency may correct a clerical error if the error is evident on the face of the Offer or other documents submitted with the Offer, and the Offeror confirms the Contracting Agency's correction in Writing. A clerical error is an Offeror's error in transcribing its Offer. Examples include typographical mistakes, errors in extending unit prices, transposition errors, arithmetical errors, instances in which the intended correct unit or amount is evident by simple arithmetic calculations (for example a missing unit price may be established by dividing the total price for the units by the quantity of units for that item or a missing, or incorrect total price for an item may be established by multiplying the unit price by the quantity when those figures are available in the Offer). In the event of a discrepancy, unit prices shall prevail over extended prices.

(c) A Contracting Agency may permit an Offeror to withdraw an Offer based on one or more clerical errors in the Offer only if the Offeror shows with objective proof and by clear and convincing evidence:

(A) The nature of the error;

(B) That the error is not a minor informality under this subsection or an error in judgment;

(C) That the error cannot be corrected or waived under subsection (b) of this section;

(D) That the Offeror acted in good faith in submitting an Offer that contained the claimed error and in claiming that the alleged error in the Offer exists;

(E) That the Offeror acted without gross negligence in submitting an Offer that contained a claimed error;

(F) That the Offeror will suffer substantial detriment if the Contracting Agency does not grant the Offeror permission to withdraw the Offer;

(G) That the Contracting Agency's or the public's status has not changed so significantly that relief from the forfeiture will work a substantial hardship on the Contracting Agency or the public it represents; and

(H) That the Offeror promptly gave notice of the claimed error to the Contracting Agency.

(d) The criteria in subsection (2)(c) of this rule shall determine whether a Contracting Agency will permit an Offeror to withdraw its Offer after Closing. These criteria also shall apply to the question of whether a Contracting Agency will permit an Offeror to withdraw its Offer without forfeiture of its Bid bond (or other Bid or Proposal security), or without liability to the Contracting Agency based on the difference between the amount of the Offeror's Offer and the amount of the Contract actually awarded by the Contracting Agency, whether by Award to the next lowest Responsive and Responsible Bidder or the best Responsive and Responsible Proposer, or by resort to a new solicitation.

(3) **Rejection for Mistakes.** The Contracting Agency shall reject any Offer in which a mistake is evident on the face of the Offer and the intended correct Offer is not evident or cannot be substantiated from documents submitted with the Offer.

4) **Identification of Mistakes after Award.** The procedures and criteria set forth above are Offeror's only opportunity to correct mistakes or withdraw Offers because of a mistake. Following Award, an Offeror is bound by its Offer, and may withdraw its Offer or rescind a Contract entered into pursuant to this division 49 only to the extent permitted by applicable law.

First-Tier Subcontractors; Disclosure and Substitution

(1) **Required Disclosure.** Within two working hours after the Bid Closing on an ITB for a Public Improvement having a Contract Price anticipated by the Contracting Agency to exceed \$100,000, all Bidders shall submit to the Contracting Agency a disclosure form as described by ORS 279C.370(2), identifying any first-tier subcontractors (those Entities that would be contracting directly with the prime contractor) that will be furnishing labor or labor and materials on the Contract, if Awarded, whose subcontract value would be equal to or greater than:

- (a) Five percent of the total Contract Price, but at least \$15,000; or
- (b) \$350,000, regardless of the percentage of the total Contract Price.

(2) **Bid Closing, Disclosure Deadline and Bid Opening.** For each ITB to which this rule applies, the Contracting Agency shall:

- (a) Set the Bid Closing on a Tuesday, Wednesday or Thursday, and at a time between 2 p.m. and 5 p.m., except that these Bid Closing restrictions do not apply to an ITB for maintenance or construction of highways, bridges or other transportation facilities, and provided that the two-hour disclosure deadline described by this rule would not then fall on a legal holiday;
- (b) Open Bids publicly immediately after the Bid Closing; and
- (c) Consider for Contract Award only those Bids for which the required disclosure has been submitted by the announced deadline on forms prescribed by the Contracting Agency.

(3) **Bidder Instructions and Disclosure Form.** For the purposes of this rule, a Contracting Agency in its Solicitation shall:

(a) Prescribe the disclosure form that must be utilized, substantially in the form set forth in ORS 279C.370(2); and

(b) Provide instructions in a notice substantially similar to the following:

"Instructions for First-Tier Subcontractor Disclosure"

Bidders are required to disclose information about certain first-tier subcontractors when the contract value for a Public Improvement is estimated by the Contracting Agency to be greater than \$100,000 (see ORS 279C.370). Specifically, when the contract amount of a first-tier subcontractor furnishing labor or labor and materials would be greater than or equal to: (i) 5% of the project Bid, but at least \$15,000, or (ii) \$350,000 regardless of the percentage, the Bidder must disclose the following information about that subcontract either in its Bid submission, or within two hours after Bid Closing:

- (1) The subcontractor's name,
- (2) The category of Work that the subcontractor would be performing, and
- (3) The dollar value of the subcontract.

If the Bidder will not be using any subcontractors that are subject to the above disclosure requirements, the Bidder is required to indicate "NONE" on the accompanying form.

THE CONTRACTING AGENCY MUST REJECT A BID IF THE BIDDER FAILS TO SUBMIT THE DISCLOSURE FORM WITH THIS INFORMATION BY THE STATED DEADLINE (see Rule 137-049-0360)."

(4) **Submission.** A Bidder shall submit the disclosure form required by this rule either in its Bid submission, or within two Working hours after Bid Closing in the manner specified by the ITB.

(5) **Responsiveness.** Compliance with the disclosure and submittal requirements of ORS 279C.370 and this rule is a matter of Responsiveness. Bids that are submitted by Bid Closing, but for which the disclosure submittal has not been made by the specified deadline, are not Responsive and shall not be considered for Contract Award.

(6) **Contracting Agency Role.** Contracting Agencies shall obtain, and make available for public inspection, the disclosure forms required by ORS 279C.370 and this rule. Contracting Agencies shall also provide copies of disclosure forms to the Bureau of Labor and Industries as required by ORS 279C.835. Contracting Agencies are not required to determine the accuracy or completeness of the information provided on disclosure forms.

(7) **Substitution.** Substitution of affected first-tier subcontractors shall be made only in accordance with ORS 279C.585. Contracting Agencies shall accept Written submissions filed under that statute as public records. Aside from issues involving inadvertent clerical error under ORS 279C.585, Contracting Agencies do not have a statutory role or duty to review, approve or resolve disputes concerning such substitutions. See ORS 279C.590 regarding complaints to the Construction Contractors Bd on improper substitution.

Disqualification of Persons

(1) **Authority.** A Contracting Agency may disqualify a Person from consideration of Award of the Contracting Agency's Contracts after providing the Person with notice and a reasonable opportunity to be heard in accordance with sections (2) and (4) of this rule.

(a) Standards for Conduct Disqualification. As provided in ORS 279C.440, a Contracting Agency may disqualify a Person for:

(A) Conviction for the commission of a criminal offense as an incident in obtaining or attempting to obtain a public or private contract or subcontract, or in the performance of such contract or subcontract.

(B) Conviction under state or federal statutes of embezzlement, theft, forgery, bribery, falsification or destruction of records, receiving stolen property or any other offense indicating a lack of business integrity or business honesty that currently, seriously and directly affects the Person's responsibility as a contractor.

(C) Conviction under state or federal antitrust statutes.

(D) Violation of a contract provision that is regarded by the Contracting Agency to be so serious as to justify Conduct Disqualification. A violation under this subsection 1(a)(D) may include but is not limited to material failure to perform the terms of a contract or an unsatisfactory performance in accordance with the terms of the contract. However, a Person's failure to perform or unsatisfactory performance caused by acts beyond the Person's control is not a basis for Disqualification.

(b) Standards for DBE Disqualification. As provided in ORS 200.065, 200.075 or 279A.110, a Contracting Agency may disqualify a Person's right to submit an Offer or to participate in a Contract (e.g. subcontractors) as follows:

(A) For a DBE Disqualification under ORS 200.065, the Contracting Agency may disqualify a Person upon finding that:

(i) The Person fraudulently obtained or retained or attempted to obtain or retain or aided another Person to fraudulently obtain or retain or attempt to obtain or retain certification as a disadvantaged, minority, women or emerging small business enterprise; or

(ii) The Person knowingly made a false claim that any Person is qualified for certification or is certified under ORS 200.055 for the purpose of gaining a Contract or subcontract or other benefit; or

(iii) The Person has been disqualified by another Contracting Agency pursuant to ORS 200.065.

(B) For a DBE Disqualification under ORS 200.075, the Contracting Agency may disqualify a Person upon finding that:

(i) The Person has entered into an agreement representing that a disadvantaged, minority, women, or emerging small business enterprise, certified pursuant to ORS 200.055 ("Certified Enterprise"), will perform or supply materials under a Public Improvement Contract without the knowledge and consent of the Certified Enterprise; or

(ii) The Person exercises management and decision-making control over the internal operations, as defined by ORS 200.075(1)(b), of any Certified Enterprise; or

(iii) The Person uses a Certified Enterprise to perform services under a contract or to provide supplies under a Public Improvement Contract to meet an established Certified Enterprise goal, and such enterprise does not perform a commercially useful function, as defined by ORS 200.075(3), in performing its obligations under the contract.

(iv) If a Person is Disqualified for a DBE Disqualification under ORS 200.075, the affected Contracting Agency shall not permit such Person to participate in that Contracting Agency's Contracts.

(C) For a DBE Disqualification under ORS 279A.110, a Contracting Agency may disqualify a Person if the Contracting Agency finds that the Person discriminated against minority, women or emerging small business enterprises in awarding a subcontract under a contract with that Contracting Agency.

(2) **Notice of Intent to Disqualify.** The Contracting Agency shall notify the Person in Writing of a proposed Disqualification personally or by registered or certified mail, return receipt requested. This notice shall:

(a) State that the Contracting Agency intends to disqualify the Person;

(b) Set forth the reasons for the Disqualification;

(c) Include a statement of the Person's right to a hearing if requested in Writing within the time stated in the notice and that if the Contracting Agency does not receive the Person's Written request for a hearing within the time stated, the Person shall have waived its right to a hearing;

- (d) Include a statement of the authority and jurisdiction under which the hearing will be held;
 - (e) Include a reference to the particular sections of the statutes and rules involved;
 - (f) State the proposed Disqualification period; and
 - (g) State that the Person may be represented by legal counsel.
- (3) **Hearing.** The Contracting Agency shall schedule a hearing upon the Contracting Agency receipt of the Person's timely request. The Contracting Agency shall notify the Person of the time and place of the hearing and provide information on the procedures, right of representation and other rights related to the conduct of the hearing prior to hearing.
- (4) **Notice of Disqualification.** The Contracting Agency will notify the Person in Writing of its Disqualification, personally or by registered or certified mail, return receipt requested. The notice shall contain:
- (a) The effective date and period of Disqualification;
 - (b) The grounds for Disqualification; and
 - (c) A statement of the Person's appeal rights and applicable appeal deadlines. For a Conduct Disqualification or a DBE Disqualification under ORS 279A.110, the disqualified person must notify the Contracting Agency in Writing within three business Days after receipt of the Contracting Agency's notice of Disqualification if the Person intends to appeal the Contracting Agency's decision.

Bid or Proposal Evaluation Criteria

- (1) **General.** A Public Improvement Contract, if Awarded, shall be Awarded to the Responsible Bidder submitting the lowest Responsive Bid, or to the Responsible Proposer submitting the best Responsive Proposal. See Rule 137-049-0390, and Rules for Alternative Contracting Methods at Rules 137-049-0600 to 137-049-0690.
- (2) **Bid Evaluation Criteria.** Invitations to Bid may solicit lump-sum Offers, unit-price Offers or a combination of the two.
- (a) **Lump Sum.** If the ITB requires a lump-sum Bid, without additive or deductive alternates, or if the Contracting Agency elects not to award additive or deductive alternates, Bids shall be compared on the basis of lump-sum prices, or lump-sum base Bid prices, as applicable. If the ITB calls for a lump-sum base Bid, plus additive or deductive alternates, the total Bid price shall be calculated by adding to or deducting from the base Bid those alternates selected by the Contracting Agency, for the purpose of comparing Bids.
- (b) **Unit Price.** If the Bid includes unit pricing for estimated quantities, the total Bid price shall be calculated by multiplying the estimated quantities by the unit prices submitted by the Bidder, and adjusting for any additive or deductive alternates selected by the Contracting Agency, for the purpose of comparing Bids. Contracting Agencies shall specify within the Solicitation Document the estimated quantity of the procurement to be used for determination of the low Bidder. In the event of mathematical discrepancies between unit price and any extended price calculations submitted by the Bidder, the unit price shall govern. See Rule 137-049-0350(2)(b).
- (3) **Proposal Evaluation Criteria.** If the Contracting Agency's Contract Review Authority has exempted the Procurement of a Public Improvement from the competitive Bidding requirements of ORS 279C.335(1), and has directed the Contracting Agency to use an Alternative Contracting Method under ORS 279C.335(4), the Contracting Agency shall set forth the evaluation criteria in the Solicitation Documents. See Rules 137-049-0650, 137-049-0650, ORS 279C.335 and 279C.405.

Offer Evaluation and Award; Determination of Responsibility

- (1) **General.** If Awarded, the Contracting Agency shall Award the Contract to the Responsible Bidder submitting the lowest, Responsive Bid or the Responsible Proposer or Proposers submitting the best, Responsive Proposal or Proposals, provided that such Person is not listed by the Construction Contractors Bd as disqualified to hold a Public Improvement Contract, see ORS 279C.375(3)(a), or is ineligible for Award as a Nonresident (as defined in ORS 279A.120) education service district (ORS 279C.325). The Contracting Agency may Award by item, groups of items or the entire Offer provided such Award is consistent with the Solicitation Document and in the public interest.
- (2) **Determination of Responsibility.** Offerors are required to demonstrate their ability to perform satisfactorily under a Contract. Before Awarding a Contract, the Contracting Agency must have information

that indicates that the Offeror meets the standards of responsibility set forth in ORS 279C.375(3)(b). To be a Responsible Offeror, the Contracting Agency must determine that the Offeror:

- (a) Has available the appropriate financial, material, equipment, facility and personnel resources and expertise, or ability to obtain the resources and expertise, necessary to demonstrate the capability of the Offeror to meet all contractual responsibilities;
- (b) Has completed previous contracts of a similar nature with a satisfactory record of performance. A satisfactory record of performance means that to the extent the costs associated with and time available to perform a previous contract were within the Offeror's control, the Offeror stayed within the time and budget allotted for the procurement and otherwise performed the contract in a satisfactory manner. A Contracting Agency should carefully scrutinize an Offeror's record of contract performance if the Offeror is or recently has been materially deficient in contract performance. In reviewing the Offeror's performance, the Contracting Agency should determine whether the Offeror's deficient performance was expressly excused under the terms of contract, or whether the Offeror took appropriate corrective action. The Contracting Agency may review the Offeror's performance on both private and Public Contracts in determining the Offeror's record of contract performance. The Contracting Agency shall make its basis for determining an Offeror not Responsible under this paragraph part of the Solicitation file;
- (c) Has a satisfactory record of integrity. An Offeror may lack integrity if a Contracting Agency determines the Offeror demonstrates a lack of business ethics such as violation of state environmental laws or false certifications made to a Contracting Agency. A Contracting Agency may find an Offeror not Responsible based on the lack of integrity of any Person having influence or control over the Offeror (such as a key employee of the Offeror that has the authority to significantly influence the Offeror's performance of the Contract or a parent company, predecessor or successor Person). The standards for Conduct Disqualification under Rule 137-049-0370 may be used to determine an Offeror's integrity. A Contracting Agency may find an Offeror non-responsible based on previous convictions of offenses related to obtaining or attempting to obtain a contract or subcontract or in connection with the Offeror's performance of a contract or subcontract. The Contracting Agency shall make its basis for determining that an Offeror is not Responsible under this paragraph part of the Solicitation file;
- (d) Is legally qualified to contract with the Contracting Agency; and
- (e) Has supplied all necessary information in connection with the inquiry concerning responsibility. If the Offeror fails to promptly supply information requested by the Contracting Agency concerning responsibility, the Contracting Agency shall base the determination of responsibility upon any available information, or may find the Offeror not Responsible.

(3) **Documenting Agency Determinations.** Contracting Agencies shall document their compliance with ORS 279C.375(3) and the above sections of this rule on a Responsibility Determination Form substantially as set forth in ORS 279.375(3)(c), and file that form with the Construction Contractors Board within 30 days after Contract Award.

(4) **Contracting Agency Evaluation.** The Contracting Agency shall evaluate an Offer only as set forth in the Solicitation Document and in accordance with applicable law. The Contracting Agency shall not evaluate an Offer using any other requirement or criterion.

(5) **Offeror Submissions.**

(a) The Contracting Agency may require an Offeror to submit Product Samples, descriptive literature, technical data, or other material and may also require any of the following prior to Award:

(A) Demonstration, inspection or testing of a product prior to Award for characteristics such as compatibility, quality or workmanship;

(B) Examination of such elements as appearance or finish; or

(C) Other examinations to determine whether the product conforms to Specifications.

(b) The Contracting Agency shall evaluate product acceptability only in accordance with the criteria disclosed in the Solicitation Document to determine that a product is acceptable. The Contracting Agency shall reject an Offer providing any product that does not meet the Solicitation Document requirements. A Contracting Agency's rejection of an Offer because it offers nonconforming Work or materials is not Disqualification and is not appealable under ORS 279C.445.

(6) **Evaluation of Bids.** The Contracting Agency shall use only objective criteria to evaluate Bids as set forth in the ITB. The Contracting Agency shall evaluate Bids to determine which Responsible Offeror offers the lowest Responsive Bid.

(a) **Nonresident Bidders.** In determining the lowest Responsive Bid, the Contracting Agency shall, in accordance with Rule 137-046-0310, add a percentage increase to the Bid of a nonresident Bidder equal to the percentage, if any, of the preference given to that Bidder in the state in which the Bidder resides.

(b) **Clarifications.** In evaluating Bids, a Contracting Agency may seek information from a Bidder only to clarify the Bidder's Bid. Such clarification shall not vary, contradict or supplement the Bid. A Bidder must submit Written and Signed clarifications and such clarifications shall become part of the Bidder's Bid.

(c) **Negotiation Prohibited.** The Contracting Agency shall not negotiate scope of Work or other terms or conditions under an Invitation to Bid process prior to Award.

(7) **Evaluation of Proposals.** See Rule 137-049-0650 regarding rules applicable to Requests for Proposals.

Notice of Intent to Award

(1) **Notice.** At least seven days before the Award of a Public Improvement Contract, unless otherwise specified in the Solicitation Documents, the Contracting Agency shall issue to each Bidder (pursuant to ORS 279C.375(2)) and each Proposer (pursuant to ORS 279C.410(7)), or post, electronically or otherwise, a notice of the Contracting Agency's intent to Award the Contract. This requirement does not apply to Award of a small (under \$5,000), intermediate (informal competitive quotes) or emergency Public Improvement Contract awarded under ORS 279C.335(1)(c) or (d) or (6).

(2) **Form and Manner of Posting.** The form and manner of posting notice shall conform to customary practices within the Contracting Agency's procurement system, and may be made electronically.

(3) **Finalizing Award.** The Contracting Agency's Award shall not be final until the later of the following:

(a) Seven Days after the date of the notice, unless the Solicitation Document provided a different period for protest; or

(b) The Contracting Agency provides a Written response to all timely-filed protests that denies the protest and affirms the Award.

(4) **Prior Notice Impractical.** Posting of notice of intent to award shall not be required when the Contracting Agency determines that it is impractical due to unusual time constraints in making prompt Award for its immediate procurement needs, documents the Contract file as to the reason for the determination, and posts notice of that action as soon as reasonably practical.

Time for Contracting Agency Acceptance; Extension

(1) **Time for Offer Acceptance.** An Offeror's Bid, or Proposal submitted as a Firm Offer (see Rule 137-049-0280), is irrevocable, valid and binding on the Offeror for not less than 30 Days from Closing unless otherwise specified in the Solicitation Document.

(2) **Extension of Acceptance Time.** A Contracting Agency may request, orally or in Writing, that Offerors extend, in Writing, the time during which the Contracting Agency may consider and accept their Offer(s). Negotiation With Bidders Prohibited

(1) **Bids.** Except as permitted by ORS 279C.340 and Rule 137-049-0430 when all bids exceed the cost estimate, a Contracting Agency shall not negotiate with any Bidder prior to Contract Award. After Award of the Contract, the Contracting Agency and Contractor may modify the Contract only by change order or amendment to the Contract in accordance with Rule 137-049-0910.

(2) **Requests for Proposals.** A Contracting Agency may conduct discussions or negotiations with Proposers only in accordance with the requirements of Rule 137-049-0650.

Negotiation When Bids Exceed Cost Estimate

(1) **Generally.** In accordance with ORS 279C.340, if all Responsive Bids from Responsible Bidders on a competitively Bid Project exceed the Contracting Agency's Cost Estimate, prior to Contract Award the Contracting Agency may negotiate Value Engineering and Other Options with the Responsible Bidder submitting the lowest, Responsive Bid in an attempt to bring the Project within the Contracting Agency's Cost Estimate. The subcontractor disclosure and substitution requirements of Rule 137-049-0360 do not apply to negotiations under this rule.

(2) **Definitions.** The following definitions apply to this administrative rule:

(a) **"Cost Estimate"** means the Contracting Agency's most recent pre-Bid, good faith assessment of anticipated Contract costs, consisting either of an estimate of an architect, engineer or other qualified professional, or confidential cost calculation Worksheets, where available, and otherwise consisting of formal planning or budgetary documents.

(b) **"Other Options"** means those items generally considered appropriate for negotiation in the RFP process, relating to the details of Contract performance as specified in Rule 137-049-0650, but excluding any material requirements previously announced in the Solicitation process that would likely affect the field of competition.

(c) **"Project"** means a Public Improvement.

(d) **"Value Engineering"** means the identification of alternative methods, materials or systems which provide for comparable function at reduced initial or life-time cost. It includes proposed changes to the plans, Specifications, or other Contract requirements which may be made, consistent with industry practice, under the original Contract by mutual agreement in order to take advantage of potential cost savings without impairing the essential functions or characteristics of the Public Improvement. Cost savings include those resulting from life cycle costing, which may either increase or decrease absolute costs over varying time periods.

(3) **Rejection of Bids.** In determining whether all Responsive Bids from Responsible Bidders exceed the Cost Estimate, only those Bids that have been formally rejected, or Bids from Bidders who have been formally disqualified by the Contracting Agency, shall be excluded from consideration.

(4) **Scope of Negotiations.** Contracting Agencies shall not proceed with Contract Award if the scope of the Project is significantly changed from the original Bid. The scope is considered to have been significantly changed if the pool of competition would likely have been affected by the change; that is, if other Bidders would have been expected by the Contracting Agency to participate in the Bidding process had the change been made during the Solicitation process rather than during negotiation. This rule shall not be construed to prohibit resolicitation of trade subcontracts.

(5) **Discontinuing Negotiations.** The Contracting Agency may discontinue negotiations at any time, and shall do so if it appears to the Contracting Agency that the apparent low Bidder is not negotiating in good

faith or fails to share cost and pricing information upon request. Failure to rebid any portion of the project, or to obtain subcontractor pricing information upon request, shall be considered a lack of good faith.

(6) **Limitation.** Negotiations may be undertaken only with the lowest Responsive, Responsible Bidder pursuant to ORS 279C.340. That statute does not provide any additional authority to further negotiate with Bidders next in line for Contract Award.

(7) **Public Records.** To the extent that a Bidder's records used in Contract negotiations under ORS 279C.340 are public records, they are exempt from disclosure until after the negotiated Contract has been awarded or the negotiation process has been terminated, at which time they are subject to disclosure pursuant to the provisions of the Oregon Public Records Law, ORS 192.410 to 192.505.

Rejection of Offers

(1) Rejection of an Offer.

(a) A Contracting Agency may reject any Offer upon finding that to accept the Offer may impair the integrity of the Procurement process or that rejecting the Offer is in the public interest.

(b) The Contracting Agency shall reject an Offer upon the Contracting Agency's finding that the Offer:

(A) Is contingent upon the Contracting Agency's acceptance of terms and conditions (including Specifications) that differ from the Solicitation Document;

(B) Takes exception to terms and conditions (including Specifications);

(C) Attempts to prevent public disclosure of matters in contravention of the terms and conditions of Solicitation Document or in contravention of applicable law;

(D) Offers Work or goods that fail to meet the Specifications of the Solicitation Document;

(E) Is late;

(F) Is not in substantial compliance with the Solicitation Documents;

(G) Is not in substantial compliance with all prescribed public Solicitation procedures.

(c) The Contracting Agency shall reject an Offer upon the Contracting Agency's finding that the Offeror:

(A) Has not been prequalified under ORS 279C.430 and the Contracting Agency required mandatory prequalification;

(B) Has been Disqualified;

(C) Has been declared ineligible under ORS 279C.860 by the Commissioner of Bureau of Labor and Industries and the Contract is for a Public Work;

(D) Is listed as not qualified by the Construction Contractors Bd, if the Contract is for a Public Improvement;

(E) Has not met the requirements of ORS 279A.105 if required by the Solicitation Document;

(F) Has not submitted properly executed Bid or Proposal security as required by the Solicitation Document;

(G) Has failed to provide the certification required under section 3 of this rule;

(H) Is not Responsible. See Rule 137-049-0390(2) regarding Contracting Agency determination that the Offeror has met statutory standards of responsibility.

(2) **Form of Business.** For purposes of this rule, the Contracting Agency may investigate any Person submitting an Offer. The investigation may include that Person's officers, Directors, owners, affiliates, or any other Person acquiring ownership of the Person to determine application of this rule or to apply the Disqualification provisions of ORS 279C.440 to 279C.450 and Rule 137-049-0370.

(3) **Certification of Non-Discrimination.** The Offeror shall certify and deliver to the Contracting Agency Written certification, as part of the Offer that the Offeror has not discriminated and will not discriminate against minority, women or emerging small business enterprises in obtaining any required subcontracts. Failure to do so shall be grounds for disqualification.

(4) **Rejection of all Offers.** A Contracting Agency may reject all Offers for good cause upon the Contracting Agency's Written finding it is in the public interest to do so. The Contracting Agency shall notify all Offerors of the rejection of all Offers, along with the good cause justification and finding.

(5) **Criteria for Rejection of All Offers.** The Contracting Agency may reject all Offers upon a Written finding that:

(a) The content of or an error in the Solicitation Document, or the Solicitation process unnecessarily restricted competition for the Contract;

(b) The price, quality or performance presented by the Offerors is too costly or of insufficient quality to justify acceptance of the Offer;

(c) Misconduct, error, or ambiguous or misleading provisions in the Solicitation Document threaten the fairness and integrity of the competitive process;

(d) Causes other than legitimate market forces threaten the integrity of the competitive Procurement process. These causes include, but are not limited to, those that tend to limit competition such as

restrictions on competition, collusion, corruption, unlawful anti-competitive conduct and inadvertent or intentional errors in the Solicitation Document;
(e) The Contracting Agency cancels the Solicitation in accordance with Rule 137-049-0270; or
(f) Any other circumstance indicating that Awarding the Contract would not be in the public interest.

Protest of Contractor Selection, Contract Award

(1) **Purpose.** An adversely affected or aggrieved Offeror must exhaust all avenues of administrative review and relief before seeking judicial review of the Contracting Agency's Contractor selection or Contract Award decision. These administrative remedies apply to all public contracts awarded by Contracting Agency, including those awarded pursuant to an intermediate procurement.

(2) **Notice of Competitive Range.** Unless otherwise provided in the RFP, under Rule 137-049-0650, the Contracting Agency shall provide Written notice to all Proposers of the Contracting Agency's determination of the Proposers included in the Competitive Range. The Contracting Agency's notice of the Proposers included in the Competitive Range shall not be final until the later of the following:

(a) Seven (7) Days after the date of the notice, unless otherwise provided therein; or

(b) Until the Contracting Agency provides a Written response to all timely-filed protests that denies the protest and affirms the notice of the Proposers included in the Competitive Range.

(3) **Notice of Intent to Award.** The Contracting Agency shall provide Written notice to all Offerors of the Contracting Agency's intent to Award the Contract, as provided in Rule 137-049-0395.

(4) Right to Protest Award.

(a) An adversely affected or aggrieved Offeror must submit to the Contracting Agency a Written protest within seven (7) Days after issuance of the notice of intent to Award the Contract, or Award of a Contract, whichever occurs first, unless a different protest period is provided under the Solicitation Document.

(b) The Offeror's protest must be in Writing and must specify the grounds upon which the protest is based.

(c) An Offeror is adversely affected or aggrieved only if the Offeror is eligible for Award of the Contract as the Responsible Bidder submitting the lowest Responsive Bid or the Responsible Proposer submitting the best Responsive Proposal and is next in line for Award, i.e., the protesting Offeror must claim that all lower Bidders or higher-scored Proposers are ineligible for Award:

(A) Because their Offers were nonresponsive; or

(B) The Contracting Agency committed a substantial violation of a provision in the Solicitation Document or of an applicable Procurement statute or administrative rule, and the protesting Offeror was unfairly evaluated and would have, but for such substantial violation, been the Responsible Bidder offering the lowest Bid or the Responsible Proposer offering the highest-ranked Proposal.

(d) The Contracting Agency shall not consider a protest submitted after the time period established in this rule or such different period as may be provided in the Solicitation Document. A Proposer may not protest a Contracting Agency's decision not to increase the size of the Competitive Range above the size of the Competitive Range set forth in the RFP.

(5) Right to Protest Competitive Range.

(a) An adversely affected or aggrieved Proposer may submit to the Contracting Agency a Written protest of the Contracting Agency's decision to exclude the Proposer from the Competitive Range within seven Days after issuance of the notice of the Competitive Range, unless a different protest period is provided under the Solicitation Document. (See procedural requirements for the use of RFPs at Rule 137-049-0650.)

(b) The Proposer's protest shall be in Writing and must specify the grounds upon which the protest is based.

(c) A Proposer is adversely affected only if the Proposer is responsible and submitted a Responsive Proposal and is eligible for inclusion in the Competitive Range, i.e., the protesting Proposer must claim it is eligible for inclusion in the Competitive Range if all ineligible higher-scoring Proposers are removed from consideration, and that those ineligible Proposers are ineligible for inclusion in the Competitive Range because:

(A) Their Proposals were not responsive; or

(B) The Contracting Agency committed a substantial violation of a provision in the RFP or of an applicable Procurement statute or administrative rule, and the protesting Proposer was unfairly evaluated and would have, but for such substantial violation, been included in the Competitive Range.

(d) The Contracting Agency shall not consider a protest submitted after the time period established in this rule or such different period as may be provided in the Solicitation Document. A Proposer may not protest a Contracting Agency's decision not to increase the size of the Competitive Range above the size of the Competitive Range set forth in the RFP.

(6) **Authority to Resolve Protests.** The head of the Contracting Agency, or such Person's designee, may settle or resolve a Written protest submitted in accordance with the requirements of this rule.

(7) **Decision.** If a protest is not settled, the head of the Contracting Agency, or such Person's designee, shall promptly issue a Written decision on the protest. Judicial review of this decision will be available if provided by statute.

(8) **Award.** The successful Offeror shall promptly execute the Contract after the Award is final. The Contracting Agency shall execute the Contract only after it has obtained all applicable required documents and approvals.

Performance and Payment Security; Waiver

(1) **Public Improvement Contracts.** Unless the required performance bond is waived under ORS 279C.380(1)(a), excused in cases of emergency under ORS 279C.380(4), or unless the Contracting Agency's Contract Review Authority exempts a Contract or classes of contracts from the required performance bond and payment bond pursuant to ORS 279C.390, the Contractor shall execute and deliver to the Contracting Agency a performance bond and a payment bond each in a sum equal to the Contract Price for all Public Improvement Contracts. This requirement applies only to Public Improvement Contracts with a value, estimated by the Contracting Agency, of more than \$100,000 or, in the case of Contracts for highways, bridges and other transportation projects, more than \$50,000. See ORS 279C.380(5). Under ORS 279C.390(3)(b) the Director of the Oregon Department of Transportation may reduce the performance bond amount for contracts financed from the proceeds of bonds issued under ORS 367.620(3)(a). Also see Rule 137-049-0815 and BOLI rules at OAR 839-025-0015 regarding the separate requirement for a Public Works bond.

(2) **Other Construction Contracts.** A Contracting Agency may require performance security for other construction Contracts that are not Public Improvement Contracts. Such requirements shall be expressly set forth in the Solicitation Document.

(3) **Requirement for Surety Bond.** The Contracting Agency shall accept only a performance bond furnished by a surety company authorized to do business in Oregon unless otherwise specified in the Solicitation Document (i.e., the Contracting Agency may accept a cashier's check or certified check in lieu or all or a portion of the required performance bond if specified in the Solicitation Document). The payment bond must be furnished by a surety company authorized to do business in Oregon, and in an amount equal to the full contract price.

(4) **Time for Submission.** The apparent successful Offeror must promptly furnish the required performance security upon the Contracting Agency's request. If the Offeror fails to furnish the performance security as requested, the Contracting Agency may reject the Offer and Award the Contract to the Responsible Bidder with the next lowest Responsive Bid or the Responsible Proposer with the next highest-scoring Responsive Proposal, and, at the Contracting Agency's discretion, the Offeror shall forfeit its Bid or Proposal security.

ALTERNATIVE CONTRACTING METHODS

137-049-0600

Purpose

Rules 137-049-0600 to 137-049-0690 are intended to provide guidance to Contracting Agencies regarding the use of Alternative Contracting Methods for Public Improvement Contracts, as may be directed by a Contracting Agency's Contract Review Authority under ORS 279C.335. Those methods include, but are not limited to, Design-Build, and Construction Manager/General Contractor (CM/GC) forms of contracting.

Definitions for Alternative Contracting Methods

The following definitions shall apply to these 137-049-0600 to 137-049-0690 rules, unless the context requires otherwise:

(1) **Alternative Contracting Methods** means innovative Procurement techniques for obtaining Public Improvement Contracts, utilizing processes other than the traditional method of Design-Bid-Build (with Award based solely on price, in which a final design is issued with formal Bid documents, construction services are obtained by sealed Bid Awarded to the lowest Responsive, Responsible Bidder, and the project is built in accordance with those documents). In industry practice, such methods commonly include variations of Design-Build contracting *and* CM/GC forms of contracting, which are specifically addressed in these 137-049-0600 to 137-049-0690 rules, as well as other developing techniques such as general "performance contracting" and "cost plus time" contracting, for which procedural requirements are identified under these 137-049-0600 to 137-049-0690 rules.

(2) **Construction Manager/General Contractor (or "CM/GC")** means a form of Procurement that results in a Public Improvement Contract for a Construction Manager/General Contractor to undertake project team involvement with design development; constructability reviews; value engineering, scheduling, estimating and subcontracting services; establish a Guaranteed Maximum Price to complete the Contract Work; act as General Contractor; hold all subcontracts, self-perform portions of the Work as may be allowed by the Contracting Agency under the CM/GC Contract; coordinate and manage the building process; provide general Contractor expertise; and act as a member of the project team along with the Contracting Agency, architect/engineers and other consultants. CM/GC also refers to a Contractor under this form of Contract, sometimes known as the "Construction Manager at Risk."

(3) **Design-Build** means a form of Procurement that results in a Public Improvement Contract in which the construction Contractor also provides or obtains specified design services, participates on the project team with the Contracting Agency, and manages both design and construction. In this form of Contract, a single Person provides the Contracting Agency with all of the services necessary to both design and construct the project.

(4) **Guaranteed Maximum Price (or "GMP")** means the total maximum price provided to the Contracting Agency by the Contractor, and accepted by the Contracting Agency, that includes all reimbursable costs of and fees for completion of the Contract Work, as defined by the Public Improvement Contract, except for material changes in the scope of Work. It may also include particularly identified contingency amounts.

Use of Alternative Contracting Methods

(1) **Competitive Bidding Exemptions.** ORS Chapter 279C requires a competitive Bidding process for Public Improvement Contracts unless a statutory exception applies, a class of Contracts has been exempted or an individual Contract has been exempted in accordance with ORS 279C.335 and any applicable Contracting Agency rules. Use of Alternative Contracting Methods may be directed by a Contracting

Agency's Contract Review Authority as an exception to the prescribed Public Contracting practices in Oregon, and their use must be justified in accordance with the Code and these 137-049-0600 to 137-049-0690 rules. See Rule 137-049-0630 regarding required Findings and restrictions on class exemptions.

(2) **Post-Project Evaluation.** Per ORS 279C.355 the Contracting Agency *shall* prepare a formal post-project evaluation of Public Improvement projects in excess of \$100,000 for which the competitive Bidding process was not used. The purpose of this evaluation is to determine whether it was actually in the Contracting Agency's best interest to use an Alternative Contracting Method. The evaluation must be delivered to the Contracting Agency's Contract Review Authority within 30 Days of the date the Contracting Agency "accepts" the Public Improvement project, as defined in the Contract. In the absence of such definition, acceptance of the Project occurs on the later of the date of final payment or the date of final completion of the Work. The evaluation shall address:

(a) Financial information, consisting of cost estimates, any Guaranteed Maximum Price, changes and actual costs;

(b) A narrative description of successes and failures during design, engineering and construction; and

(c) An objective assessment of the use of the Alternative Contracting Method as compared to the exemption Findings.

Findings, Notice and Hearing

(1) **"Cost Savings" Findings.** The "substantial cost savings" criterion at ORS 279C.335(2)(b) for exemption of a contract or class of contracts from competitive bidding requirements allowing consideration of the type, cost, amount of the Contract, number of Entities available to Bid, and "such other factors as may be deemed appropriate," in conjunction with the statutory definition of "Findings" at ORS 279C.330 including, "but not limited to," information regarding eight identified areas may be addressed for Alternative Contracting Method exemptions by a combination of:

(a) Specified Findings that address the above factors, including an analysis or reasonable forecast of future cost savings as well as present cost savings; and

(b) Additional Findings that address industry practices, surveys, trends, past experiences, evaluations of completed projects required by ORS 279C.355 and related information regarding the expected benefits and drawbacks of particular Alternative Contracting Methods. To the extent practicable, such Findings shall relate back to the specific characteristics of the project or projects at issue in the exemption request.

(2) **Favoritism and Competition.** The criteria at ORS 279C.335(2)(a) that it is "unlikely" that the exemption will "encourage favoritism" or "substantially diminish competition" may be addressed for Alternative Contracting Methods by specifying: (a) the manner in which an RFP process will be utilized; (b) that the Procurement will be formally advertised with public notice and disclosure of the planned Alternative Contracting Method; (c) that competition will be encouraged; and (d) that Award will be made based upon identified selection criteria and an opportunity to protest that Award provided.

(3) **Class Exemptions.** In making the findings supporting a class exemption for Alternative Contracting Methods, in addition to statutory findings, the Contracting Agency shall clearly identify the class with respect to its defining characteristics. Those characteristics shall include some combination of Project descriptions or locations, time periods, contract values, method of procurement, or other factors that distinguish the limited and related class of Projects from a Contracting Agency's overall construction program. The Contracting Agency may not identify a class solely by funding source, such as a particular bond fund, or by the method of procurement, but shall identify the class using characteristics that reasonably relate to the exemption criteria of ORS 279C.335(2).

(4) **Public Hearing.** Before final adoption of Findings exempting a Public Improvement Contract from the requirement of competitive bidding, a Contracting Agency shall give notice and hold a public hearing as required by ORS 279C.335(4). The hearing shall be for the purpose of receiving public comment on the Contracting Agency's draft Findings.

General Alternative Bidding Procedures

(1) **Proposal Evaluation.** Factors in addition to price may be considered in the selection process, but only as set forth in the RFP. Proposal evaluation shall be as objective as possible. Evaluation factors need not be precise predictors of future costs and performance, but to the extent possible such evaluation factors shall:

- (a) Be reasonable estimates based on information available to the Contracting Agency;
- (b) Treat all Proposals equitably; and
- (c) Recognize that public policy requires that Public Improvements be constructed at the least overall cost to the Contracting Agency. See ORS 279C.305.

(2) Evaluation Factors.

(a) In basic negotiated construction contracting, where the only reason for an RFP is to consider factors other than price, those factors may consist of firm and personnel experience on similar projects, adequacy of equipment and physical plant, sources of supply, availability of key personnel, financial capacity, past performance, safety records, project understanding, proposed methods of construction, proposed milestone dates, references, service, and related matters that affect cost or quality.

(b) In CM/GC contracting, in addition to (a) above, those factors may also include the ability to respond to the technical complexity or unique character of the project, analyze and propose solutions or approaches to complex project problems, coordination of multiple disciplines, the time required to commence and complete the improvement, and related matters that affect cost or quality.

(c) In Design-Build contracting, in addition to (a) and (b) above, those factors may also include design professional qualifications, specialized experience, preliminary design submittals, technical merit, design-builder team experience and related matters that affect cost or quality.

(3) Contract Negotiations. Contract terms may be negotiated to the extent allowed by the RFP and Rules 137-049-0600 to 137-049-0690, provided that the general Work scope remains the same and that the field of competition does not change as a result of material changes to the requirements stated in the Solicitation Document. See Rule 137-049-0650. Terms that may be negotiated consist of details of Contract performance, methods of construction, timing, assignment of risk in specified areas, fee, and other matters that affect cost or quality.

Requests for Proposals (RFP)

(1) Generally. (a) Contracting Agency may utilize the following RFP process for public improvement contracts to allow flexibility in both proposal evaluation and contract negotiation, subject to ORS 279C.400 to 279C.410, Rules 137-049-0200 to 137-049-0480, and 137-049-0640 to 137-049-0660, unless other applicable statutes or rules control a Contracting Agency's use of competitive proposals for public improvement contracts.

(b) Contracting Agency may issue a request for information, a request for interest, a request for qualifications or other preliminary documents to obtain information useful in the preparation or distribution of a Request for Proposals. ORS 279C.410(9).

(2) Solicitation Documents. In addition to the Solicitation Document requirements of Rule 137-049-0200, Public Improvement Contract Requests for Proposals shall include:

(a) All evaluation factors that will be considered by the Contracting Agency when evaluating the proposals, including the relative importance of price and any other evaluation factors. Evaluation factors may include, but are not limited to, such considerations as price or cost, quality of a product or service, past performance, management, capability, personnel qualification, prior experience, compatibility, reliability, operating efficiency, expansion potential, experience of key personnel, adequacy of equipment or physical plant, financial wherewithal, sources of supply, references and warranty provisions.

(b) The method of contractor selection, which may include, but is not limited to, Award without negotiation, negotiation with the highest ranked Proposer, competitive negotiations, multiple-tiered competition designed to either identify a class of Proposers that fall within a competitive range or to otherwise eliminate from consideration a class of lower ranked Proposers, or any combination of these methods;

(c) All required contractual terms and conditions. The Request for Proposals also may: (i) identify those contractual terms or conditions that Contracting Agency reserves, in the Request for Proposals, for negotiation with Proposers; (ii) request that Proposers propose contractual terms and conditions that relate to subject matter reasonably identified in the Request for Proposals; and (iii) contain or incorporate the form and content of the contract that the Contracting Agency will accept, or suggested contract terms and conditions that nevertheless may be the subject of negotiations with Proposers.

(3) Evaluation of Proposals.

(a) Evaluation. The Contracting Agency shall evaluate Proposals only in accordance with criteria set forth in the RFP and applicable law. The Contracting Agency shall evaluate Proposals to determine the Responsible Proposer or Proposers submitting the best Responsive Proposal or Proposals.

(A) Clarifications. In evaluating Proposals, a Contracting Agency may seek information from a Proposer to clarify the Proposer's Proposal. A Proposer must submit Written and Signed clarifications and such clarifications shall become part of the Proposer's Proposal.

(B) Limited Negotiation. If the Contracting Agency did not permit negotiation in its Request for Proposals, the Contracting Agency may, nonetheless, negotiate with the highest-ranked Proposer, but may then only negotiate the:

(i) Statement of Work; and

(ii) Contract Price as it is affected by negotiating the statement of Work.

(iii) The process outlined in subsections (5)(b) and (6) of this rule do not apply to this limited negotiation.

(b) Discussions; Negotiations. The Contracting Agency shall evaluate Proposals and, if applicable, establish the Competitive Range, before conducting discussions or negotiations in accordance with this rule.

(A) If the Solicitation Document provided that discussions or negotiations may occur at Contracting Agency's discretion, the Contracting Agency may forego discussions and negotiations and evaluate all Proposals in accordance with this rule.

(B) If the Contracting Agency proceeds with discussions or negotiations, the Contracting Agency may establish a negotiation committee which may include members with legal, technical or negotiating expertise.

(c) Cancellation/Rejection. Cancellation of the Solicitation or rejection of proposals shall be in accordance with ORS 279C.395.

(4) Competitive Range; Protest; Award.

(a) Determining Competitive Range.

(A) If the Contracting Agency does not cancel the Solicitation, after the Opening the Contracting Agency will evaluate all Proposals in accordance with the evaluation criteria set forth in the Request for Proposals *and* rank the Proposers in the Competitive Range.

(B) The Contracting Agency may increase the number of Proposers in the Competitive Range if the Contracting Agency's evaluation of Proposals establishes a natural break in the scores of Proposers indicating that a number of Proposers greater than the initial Competitive Range are closely competitive, or have a reasonable chance of being determined the best Proposer after the Contracting Agency's evaluation of revised Proposals submitted in accordance with the process described in this rule.

(b) Notice/Protests. Notice of Competitive Range and Award, and associated protest rights will be as established in Rule 137-049-0450.

(c) After the protest period provided in accordance with Rule 137-049-0450 expires, or after the Contracting Agency has provided a final response to any protest, whichever date is later, the Contracting Agency *may* commence final Contract negotiations with the highest-ranked Proposer in the Competitive Range; or engage in discussions with Proposers in the Competitive Range and accept revised Proposals from them, and, following such discussions and receipt and evaluation of revised Proposals, conduct negotiations with the Proposers in the Competitive Range.

(5) **Discussions; Revised Proposals**. If the Contracting Agency chooses to enter into discussions with and receive revised Proposals from the Proposers in the Competitive Range, the Contracting Agency shall proceed as follows:

(a) Initiating Discussions. The Contracting Agency shall initiate oral or Written discussions with all of the Proposers in the Competitive Range regarding their Proposals with respect to the provisions of the RFP that the Contracting Agency identified in the RFP as the subject of discussions. The Contracting Agency may conduct discussions for the following purposes:

(A) Informing Proposers of deficiencies in their initial Proposals;

(B) Notifying Proposers of parts of their Proposals for which the Contracting Agency would like additional information; and

(C) Otherwise allowing Proposers to develop revised Proposals that will allow the Contracting Agency to obtain the best Proposal based on the requirements and evaluation criteria set forth in the Request for Proposals.

(b) Conducting Discussions. The Contracting Agency may conduct discussions with each Proposer in the Competitive Range necessary to fulfill the purposes of this section, but need not conduct the same amount of discussions with each Proposer. The Contracting Agency may terminate discussions with any Proposer in the Competitive Range at any time. However, the Contracting Agency shall offer all Proposers in the Competitive Range the opportunity to discuss their Proposals with Contracting Agency before the Contracting Agency notifies Proposers of the date and time pursuant to this section that revised Proposals will be due.

(A) In conducting discussions, the Contracting Agency:

(i) Shall treat all Proposers fairly and shall not favor any Proposer over another;

(ii) Shall not discuss other Proposers' Proposals;

(iii) Shall not suggest specific revisions that a Proposer should make to its Proposal, and shall not otherwise direct the Proposer to make any specific revisions to its Proposal.

(B) At any time during the time allowed for discussions, the Contracting Agency may:

- (i) Continue discussions with a particular Proposer;
 - (ii) Terminate discussions with a particular Proposer and continue discussions with other Proposers in the Competitive Range; or
 - (iii) Conclude discussions with all remaining Proposers in the Competitive Range and provide notice to the Proposers in the Competitive Range to submit revised Proposals.
- (c) Revised Proposals. If the Contracting Agency does not cancel the Solicitation at the conclusion of the Contracting Agency's discussions with all remaining Proposers in the Competitive Range, the Contracting Agency shall give all remaining Proposers in the Competitive Range notice of the date and time by which they must submit revised Proposals. This notice constitutes the Contracting Agency's termination of discussions, and Proposers must submit revised Proposals by the date and time set forth in the Contracting Agency's notice.
- (A) Upon receipt of the revised Proposals, the Contracting Agency shall score the revised Proposals based upon the evaluation criteria set forth in the Request for Proposals, and rank the revised Proposals based on the Contracting Agency's scoring.
- (B) The Contracting Agency may conduct discussions with and accept only one revised Proposal from each Proposer in the Competitive Range unless otherwise set forth in the Request for Proposals.
- (d) Intent to Award; Protest. Written notice of intent to Award and associated protest rights are as established in Rule 137-049-0450. After the protest period expires, or after the Contracting Agency has provided a final response to any protest, whichever date is later, the Contracting Agency may commence final Contract negotiations.
- (6) **Negotiations**.
- (a) Initiating Negotiations. The Contracting Agency may determine to commence negotiations with the highest-ranked Proposer in the Competitive Range following the:
- (A) Initial determination of the Competitive Range; or
 - (B) Conclusion of discussions with all Proposers in the Competitive Range and evaluation of revised Proposals.
- (b) Conducting Negotiations.
- (A) Scope. The Contracting Agency may negotiate:
- (i) The statement of Work;
 - (ii) The Contract Price as it is affected by negotiating the statement of Work; and
 - (iii) Any other terms and conditions reasonably related to those authorized for negotiation in the Request for Proposals.
- (c) Terminating Negotiations. The Contracting Agency may terminate negotiations with any Proposer at any time, if the Contracting Agency reasonably believes that:
- (A) The Proposer is not discussing or negotiating in good faith; or
 - (B) Further discussions or negotiations with the Proposer will not result in the parties agreeing to the terms and conditions of a final Contract in a timely manner.
- (d) Continuing Negotiations. If the Contracting Agency terminates negotiations with a Proposer, the Contracting Agency may then commence negotiations with the next highest scoring Proposer in the Competitive Range, and continue the process described in this rule until the Contracting Agency has either:
- (A) Determined to Award the Contract to the Proposer with whom it is currently negotiating; or
 - (B) Completed at least one round of negotiations with all Proposers in the Competitive Range.
- (7) **Post Project Evaluation**. For projects over \$100,000, Contracting Agency shall complete a post project evaluation in compliance with ORS 279C.355 and Rule 137-049-0620(3).

RFP Pricing Mechanisms

- (1) A Request for Proposals may result in a lump sum Contract Price, as in the case of competitive Bidding. Alternatively, a cost reimbursement Contract may be negotiated.
- (2) Economic incentives or disincentives may be included to reflect stated Contracting Agency purposes related to time of completion, safety or other Public Contracting objectives, including total least cost mechanisms such as life cycle costing.
- (3) A Guaranteed Maximum Price (GMP) *may be* used as the pricing mechanism for CM/GC where a total Contract Price is provided in the design phase in order to assist the Contracting Agency in determining whether the project scope is within the Contracting Agency's budget, and allowing for design changes during preliminary design rather than after final design Work has been completed.
 - (a) If this collaborative process is successful, the Contractor shall propose a final GMP, which may be accepted by the Contracting Agency and included within the Contract.

(b) If this collaborative process is not successful, and no mutually agreeable resolution on GMP can be achieved with the Contractor, then the Contracting Agency shall terminate the Contract. The public Contracting Agency may then proceed to negotiate a new Contract (and GMP) with the firm that was next ranked in the original selection process, or employ other means for continuing the project under ORS Chapter 279C.

(4) When cost reimbursement Contracts are utilized, regardless of whether a GMP is included, the Contracting Agency shall provide for audit controls that will effectively verify rates and ensure that costs are reasonable, allowable and properly allocated.

Design-Build Contracts

(1) **General.** The Design-Build form of contracting, as defined at Rule 137-049-0610(3), has technical complexities that are not readily apparent. Contracting Agencies shall use this contracting method only with the assistance of knowledgeable staff or consultants who are experienced in its use. In order to use the Design-Build process, the Contracting Agency must be able to reasonably anticipate the following types of benefits:

(a) Obtaining, through a Design-Build team, engineering design, plan preparation, value engineering, construction engineering, construction, quality control and required documentation as a fully integrated function with a single point of responsibility;

(b) Integrating value engineering suggestions into the design phase, as the construction Contractor joins the project team early with design responsibilities under a team approach, with the potential of reducing Contract changes;

(c) Reducing the risk of design flaws, misunderstandings and conflicts inherent in construction Contractors building from designs in which they have had no opportunity for input, with the potential of reducing Contract claims;

(d) Shortening project time as construction activity (early submittals, mobilization, subcontracting and advance Work) commences prior to completion of a "Biddable" design, or where a design solution is still required (as in complex or phased projects); or

(e) Obtaining innovative design solutions through the collaboration of the Contractor and design team, which would not otherwise be possible if the Contractor had not yet been selected.

(2) **Authority.** Contracting Agencies shall utilize the Design-Build form of contracting only in accordance with the requirements of these 137-049-0600 to 137-049-0690 rules. See particularly Rule 137-049-0620 on "Use of Alternative Contracting Methods" and Rule 137-049-0680 pertaining to ESPCs.

(3) **Selection.** Design-Build selection criteria may include those factors set forth above in Rule 137-049-0640(2)(a), (b) and (c).

(4) **QBS Inapplicable.** Because the value of construction services predominates the Design-Build form of contracting, the qualifications based selection (QBS) process mandated by ORS 279C.110 for State Contracting Agencies in obtaining certain consultant services is not applicable.

(5) **Licensing.** If a Design-Build Contractor is not an Oregon licensed design professional, the Contracting Agency shall require that the Design-Build Contractor disclose in its Written Offer that it is not an Oregon licensed design professional, and identify the Oregon licensed design professional(s) who will provide design services. See ORS 671.030(5) regarding the offer of architectural services, and ORS 672.060(11) regarding the offer of engineering services that are appurtenant to construction services.

(6) **Performance Security.** ORS 279C.380(1)(a) provides that for Design-Build Contracts the surety's obligation on performance bonds, or the Bidder's obligation on cashier's or certified checks accepted in lieu thereof, includes the preparation and completion of design and related professional services specified in the Contract. This additional obligation, beyond performance of construction services, extends only to the provision of professional services and related design revisions, corrective Work and associated costs prior to final completion of the Contract (or for such longer time as may be defined in the Contract). The obligation is not intended to be a substitute for professional liability insurance, and does not include errors and omissions or latent defects coverage.

(7) **Contract Requirements.** Contracting Agencies shall conform their Design-Build contracting practices to the following requirements:

(a) **Design Services.** The level or type of design services required must be clearly defined within the Procurement documents and Contract, along with a description of the level or type of design services previously performed for the project. The services to be performed shall be clearly delineated as either design Specifications or performance standards, and performance measurements must be identified.

(b) Professional Liability. The Contract shall clearly identify the liability of design professionals with respect to the Design-Build Contractor and the Contracting Agency, as well as requirements for professional liability insurance.

(c) Risk Allocation. The Contract shall clearly identify the extent to which the Contracting Agency requires an express indemnification from the Design-Build Contractor for any failure to perform, including professional errors and omissions, design warranties, construction operations and faulty Work claims.

(d) Warranties. The Contract shall clearly identify any express warranties made to the Contracting Agency regarding characteristics or capabilities of the completed project (regardless of whether errors occur as the result of improper design, construction, or both), including any warranty that a design will be produced that meets the stated project performance and budget guidelines.

(e) Incentives. The Contract shall clearly identify any economic incentives and disincentives, the specific criteria that apply and their relationship to other financial elements of the Contract.

(f) Honoraria. If allowed by the RFP, honoraria or stipends may be provided for early design submittals from qualified finalists during the Solicitation process on the basis that the Contracting Agency is benefited from such deliverables.

137-049-0680

Energy Savings Performance Contracts (ESPC)

(1) Generally. These 137-049-0600 to 137-049-0690 rules include a limited, efficient method for Contracting Agency to enter into ESPCs outside the competitive bidding requirements of ORS 279C.334 for existing buildings or structures, but not for new construction. See ORS 279C.335(1)(f). If a Contracting Agency chooses not to utilize the ESPC Procurement method provided for by these 137-049-0600 to 137-049-0690 rules, the Contracting Agency may still enter into an ESPC by complying with the competitive bidding exemption process set forth in ORS 279C.335, or by otherwise complying with the Procurement requirements applicable to any Contracting Agency not subject to all the requirements of ORS 279C.335.

(2) ESPC Contracting Method. The ESPC form of contracting, as defined at Rule 137-049-0610(6), has unique technical complexities associated with the determination of what ECMs are feasible for the Contracting Agency, as well as the additional technical complexities associated with a Design-Build Contract. Contracting Agencies shall only utilize the ESPC contracting method with the assistance of knowledgeable staff or consultants who are experienced in its use. In order to utilize the ESPC contracting process, the Contracting Agency must be able to reasonably anticipate on or more of the following types of benefits:

(a) Obtaining, through an ESCO, the following types of integrated Personal Services and Work: facility profiling, energy baseline studies, ECMs. Technical Energy Audits, project development planning, engineering design, plan preparation, cost estimating, life cycle costing, construction administration, project management, construction, quality control, operations and maintenance staff training, commissioning services, M & V services and required documentation as a fully integrated function with a single point of responsibility;

(b) Obtaining through an ESCO, an Energy Savings Guarantee;

(c) Integrating the Technical Energy Audit phase and Project Development Plan phase into the design and construction phase of Work on the project;

(d) Reducing the risk of design flaws, misunderstandings and conflicts inherent in the construction process, through the integration of ESPC Personal Services and Work;

(e) Obtaining innovative design solutions through the collaboration of the members of the ESCO integrated ESPC team;

(f) Integrating cost-effective ECMs into an existing building or structure, so that the ECMs pay for themselves through savings realized over the useful life of the ECMs;

(g) preliminary design, development, implementation and an Energy Savings Guarantee of ECMs into an existing building or structure that is being performed under a separate remodeling Contract; and

(h) Satisfying local energy efficiency design criteria or requirements.

(3) Authority. Contracting Agencies desiring to pursue an exemption from the competitive bidding requirements of ORS 279C.335 (and, if applicable, ORS 351.086), shall utilize the ESPC form of contracting only in accordance with the requirements of these 137-049-0600 to 137-049-0690 rules.

(4) No Findings Required. A Contracting Agency is only required to comply with the ESPC contracting procedures set forth in these 137-049-0600 to 137-049-0690 rules in order for the ESPC to be exempt from the competitive bidding process of ORS 279C.335. No Findings are required for an ESPC to be exempt from the competitive bidding process for Public Improvement Contracts pursuant to ORS 279C.335, unless the Contracting Agency is subject to the requirements of ORS 279C.335 and chooses not to comply with the ESPC contracting procedures set forth in 137-049-0600 to 137-049-0690 of these rules.

(5) Selection. ESPC selection criteria may include those factors set forth above in Rule 137-049-0640(2)(a), (b), (c) and (d). Since the Energy Savings Guarantee is such a fundamental component in the ESPC contracting process, Proposers must disclose in their Proposals the identity of any Person providing (directly or indirectly) any Energy Savings Guarantee that may be offered by the successful ESCO during the course of the performance of the ESPC, along with any financial statements and related information pertaining to any such Person.

(6) QBS Inapplicable. Because the value of construction Work predominates in the ESPC method of contracting, the qualifications based selection (QBS) process mandated by ORS 279C.110 for State Contracting Agencies in obtaining certain consultant services is not applicable.

(7) Licensing. If the ESCO is not an Oregon licensed design professional, the Contracting Agency shall require that the ESCO disclose in the ESPC that it is not an Oregon licensed design professional, and identify the Oregon licensed design professional(s) who will provide design services. See ORS 671.030(5) regarding the offer of architectural services, and ORS 672.060(11) regarding the offer of engineering services that are appurtenant to construction Work.

(8) Performance Security. At the point in the ESPC when the parties enter into a binding Contract that constitutes a Design-Build Contract, the ESCO must provide a performance bond and a payment bond, each for 100% of the full Contract Price, including the construction Work and design and related Personal Services specified in the ESPC Design-Build Contract, pursuant to ORS 279C.380(1)(a). For ESPC Design-Build Contracts, these "design and related services" include conventional design services, commissioning services, training services for the Contracting Agency's operations and maintenance staff, and any similar Personal Services provided by the ESCO's Energy Savings Guarantee are not included in these 279C.380(1)(a) "design and related services." Nevertheless, a Contracting Agency may require that the ESCO provide performance security for M & V services and any Personal Services or Work associated with the ESCO's Energy Savings Guarantee, if the Contracting Agency so provides in the RFP.

(9) Contracting Requirements. Contracting Agencies shall conform their ESPC contracting practices to the following requirements:

(a) General ESPC Contracting Practices. An ESPC involves a multi-phase project, which includes the following contractual elements:

(A) A contractual structure which includes general Contract terms describing the relationship of the parties, the various phases of the Work, the contractual terms governing the Technical Energy Audit for the project, the contractual terms governing the final design and construction of the project, the contractual terms governing the performance of the M & V services for the project, and the detailed provisions of the ESCO's Energy Savings Guarantee for the project.

(B) The various phases of the ESCO's Work will include the following:

(i) The Technical Energy Audit phase of the Work;

(ii) The Project Development Plan phase of the Work;

(iii) A third phase of the Work that constitutes a Design-Build Contract, during which the ESCO completes any plans and Specifications required to implement the ECMs that have been agreed to by the parties to the ESPC, and the ESCO performs all construction, commissioning, construction administration and related Personal Services or Work to actually construct the project; and

(iv) A final phase of the Work, whereby the ESCO, independently or in cooperation with an independent consultant hired by the Contracting Agency, performs M & V services to ensure that the Energy Savings Guarantee identified by the ESCO in the earlier phases of the Work and agreed to by the parties has actually been achieved.

(b) Design-Build Contracting Requirements in ESPCs. At the point in the ESPC when the parties enter into a binding Contract that constitutes a Design-Build Contract, the Contracting Agency shall conform its Design-Build contracting practices to the Design-Build contracting requirements set forth in Rule 137-040-0560(7) above.

(c) Pricing Alternatives. The Contracting Agency may utilize one of the following pricing alternatives in an ESPC:

(A) A fixed price for each phase of the Personal Services and Work to be provided by the ESCO;

(B) A cost reimbursement pricing mechanism, which a maximum not-to-exceed price or a GMP; or

(C) A combination of a fixed fee for certain components of the Personal Services to be performed, a cost reimbursement pricing mechanism for the construction Work to be performed with a GMP, a single or annual fixed fee for M & V services to be performed for an identified period after final completion of the construction Work, and a single or annual Energy Savings Guarantee fixed fee payable for an identified time period after final completion of the construction Work that is conditioned on certain energy savings being achieved at the facility by the ECMs that have been implemented by the ESCO during the project (in the event an annual M & V services fee and annual Energy Savings Guarantee fee is utilized by the parties, the parties may provide in the Design-Build Contract that, at the sole option of the Contracting Agency, the ESCO's M & V services may be terminated prior to the completion of the M & V/ Energy Savings Guarantee period and the

Contracting Agency's future obligation to pay the M & V services fee and Energy Savings Guarantee fee will likewise be terminated, under terms agreed to by the parties).

(d) Permitted ESPC Scope of Work. The scope of Work under the ESPC is restricted to implementation and installation of ECMs, as well as other Work on building systems or building components that are directly related to the ECMs, and that, as an integrated unit, will pay for themselves over the useful life of the ECMs installed. The permitted scope of Work for ESPCs resulting from a solicitation under these 137-049-0600 to 137-049-0690 rules does not include maintenance services for the project facility.

Construction Manager/General Contractor (CM/GC)

(1) **General.** The CM/GC form of contracting, as defined at Rule 137-049-0610(2), is a technically complex project delivery system. Contracting Agencies shall use this contracting method only with the assistance of knowledgeable staff or consultants who have a demonstrated capability of managing the CM/GC process in the necessary disciplines of engineering, construction scheduling and cost control, accounting, legal, Public Contracting and project management. Unlike the Design-Build form of contracting, the CM/GC form of contracting does not contemplate a "single point of responsibility" under which the Contractor is responsible for successful completion of all Work related to a performance Specification. The CM/GC has defined contract obligations, including responsibilities as part of the project team along with the Contracting Agency and design professional, although in CM/GC there is a separate contract between the Contracting Agency and design professional. In order to utilize the CM/GC method, the Contracting Agency must be able to reasonably anticipate the following types of benefits:

(a) **Time Savings.** The Public Improvement has significant schedule ramifications, such that concurrent design and construction are necessary in order to meet critical deadlines and shorten the overall duration of construction. The Contracting Agency may consider operational and financial data that show significant savings or increased opportunities for generating revenue as a result of early completion, as well as less disruption to public facilities as a result of shortened construction periods;

(b) **Cost Savings.** Early Contractor input during the design process is expected to contribute to significant cost savings. The Contracting Agency may consider value engineering, building systems analysis, life cycle costing analysis and construction planning that lead to cost savings. The Contracting Agency shall specify any special factors influencing this analysis, including high rates of inflation, market uncertainty due to material and labor fluctuations or scarcities, and the need for specialized construction expertise due to technical challenges; or

(c) **Technical Complexity.** The Public Improvement presents significant technical complexities that are best addressed by a collaborative or team effort between the Contracting Agency, design professionals and Contractor, in which the Contractor will assist in addressing specific project challenges through pre-construction services. The Contracting Agency may consider the need for Contractor input on issues such as operations of the facility during construction, tenant occupancy, public safety, delivery of an early budget or GMP, financing, historic preservation, difficult remodeling projects and projects requiring complex phasing or highly coordinated scheduling.

(2) **Authority.** Contracting Agencies shall use the CM/GC form of contracting only in accordance with the requirements of these rules. See particularly Rule 137-049-0620 on "Use of Alternative Contracting Methods".

(3) **Selection.** CM/GC selection criteria may include those factors set forth above in Rule 137-049-0640(2)(b).

(4) **Basis for Payment.** The CM/GC process adds specified Construction Manager services to traditional General Contractor services, requiring full Contract performance within a negotiated Guaranteed Maximum Price (GMP). The basis for payment is reimbursable direct costs as defined under the Contract, plus a fee constituting full payment for Work and services rendered, which together shall not exceed the GMP. See GMP definition at Rule 137-049-0610(7) and Pricing Mechanisms at Rule 137-049-0660.

(5) **Contract Requirements.** Contracting Agencies shall conform their CM/GC contracting practices to the following requirements:

(a) **Setting the GMP.** The GMP shall be set at an identified time consistent with industry practice, after supporting information reasonably considered necessary to its use has been developed, and the supporting information shall define with particularity both what is included and excluded from the GMP. A set of drawings and Specifications shall be produced establishing the GMP scope.

(b) **Adjustments to the GMP.** The Contract shall clearly identify the standards or factors under which changes or additional Work will be considered outside of the Work scope that warrants an increase in the

GMP, as well as criteria for decreasing the GMP. The GMP shall not be increased without a concomitant increase to the scope defined at the establishment of the GMP or most recent GMP amendment.

(c) Cost Savings. The Contract shall clearly identify the disposition of any cost savings resulting from completion of the Work below the GMP; that is, under what circumstances, if any, the CM/GC might share in those cost savings, or whether they accrue only to the Contracting Agency's benefit. (Note that unless there is a clearly articulated reason for sharing such cost savings, they should accrue to the Contracting Agency.)

(d) Cost Reimbursement. The Contract shall clearly identify what items or categories of items are eligible for cost reimbursement within the GMP, including any category of "General Conditions" (a general grouping of direct costs that are not separately invoiced, subcontracted or included within either overhead or fee), and may also incorporate a mutually-agreeable cost-reimbursement standard.

(e) Audit. Cost reimbursements shall be made subject to final audit adjustment, and the Contract shall establish an audit process to ensure that Contract costs are allowable, properly allocated and reasonable.

(f) Fee. Compensation for the CM/GC's services shall be paid on the basis of a fee that is inclusive of profit, overhead and all other indirect or non-reimbursable costs. Costs determined to be included within the fee should be expressly defined wherever possible. The fee, first expressed as a proposed percentage of all reimbursable costs, shall be identified during and become an element of the selection process. It shall subsequently be expressed as a fixed amount when the GMP is established.

(g) Incentives. The Contract shall clearly identify any economic incentives, the specific criteria that apply and their relationship to other financial elements of the Contract (including the GMP).

(h) Controlled Insurance Programs. For projects anticipated to exceed \$75 Million, the Contract shall clearly identify whether an Owner Controlled or Contractor Controlled Insurance Program is anticipated or allowable. If so, the Contract shall clearly identify (1) anticipated cost savings from reduced premiums, claims reductions and other factors, (2) the allocation of cost savings, and (3) safety responsibilities and/or incentives.

(i) Early Work. The RFP shall clearly identify, whenever feasible, the circumstances under which any of the following activities may be authorized and undertaken for compensation prior to establishing the GMP:

- (A) Early Procurement of materials and supplies;
- (B) Early release of Bid packages for such things as site development; and
- (C) Other advance Work related to critical components of the Contract.

(j) Subcontractor Selection. The Contract shall clearly describe the methods by which the CM/GC shall publicly receive, open and record Bids or price quotations, and competitively select subcontractors to perform the Contract Work based upon price, as well as the mechanisms by which the Contracting Agency may waive those requirements. The documents shall also describe completely the methods by which the CM/GC and its affiliated or subsidiary entities may compete to perform the Work, including, at a minimum, advance notice to the public of the CM/GC's intent to compete and a public Opening of Bids or quotations by an independent party.

(k) Subcontractor Approvals and Protests. The Contract shall clearly establish whether the Contracting Agency must approve subcontract awards, and to what extent, if any, the Contracting Agency will resolve Procurement protests of subcontractors and suppliers. The related procedures and reporting mechanisms shall be established with certainty, including whether the CM/GC acts as the Contracting Agency's representative in this process and whether the CM/GC's subcontracting records are considered to be public records. In any event, the Contracting Agency shall retain the right to monitor the subcontracting process in order to protect Contracting Agency's interests.

(l) CM/GC Self-Performance. Whenever feasible, the Contract shall establish the elements of Work the CM/GC may self-perform without competition, including, for example, the Work of the job-site general conditions. In the alternative, the Contract shall include a process for Contracting Agency approval of CM/GC self-performance.

(m) Socio-Economic Programs. The Contract shall clearly identify conditions relating to any required socio-economic programs (such as Affirmative Action or Prison Inmate Labor Programs), including the manner in which such programs affect the CM/GC's subcontracting requirements, the enforcement mechanisms available, and the respective responsibilities of the CM/GC and Contracting Agency.

BOLI Public Works Bond

Pursuant to ORS 279C.830(3), the specifications for every Public Works Contract shall contain a provision stating that the Contractor and every subcontractor must have a Public Works bond filed with the Construction Contractors Board before starting Work on the project, unless otherwise exempt. Retainage

(1) **Withholding of Retainage.** Except to the extent a Contracting Agency's enabling laws require otherwise, a Contracting Agency shall not retain an amount in excess of five percent of the Contract Price for Work completed. If the Contractor has performed at least 50 percent of the Contract Work and is progressing satisfactorily, upon the Contractor's submission of Written application containing the surety's Written approval, the Contracting Agency may, in its discretion, reduce or eliminate retainage on any remaining progress payments. The Contracting Agency shall respond in Writing to all such applications within a reasonable time. When the Contract Work is 97-1/2 percent completed, the Contracting Agency may, at its discretion and without application by the Contractor, reduce the retained amount to 100 percent of the value of the remaining unperformed Contract Work. A Contracting Agency may at any time reinstate retainage. Retainage shall be included in the final payment of the Contract Price.

(2) **Form of Retainage.** Unless a Contracting Agency that reserves an amount as retainage finds in writing that accepting a bond or instrument described in part (a) or (b) of this section poses an extraordinary risk that is not typically associated with the bond or instrument, the Contracting Agency, in lieu of withholding moneys from payment, shall accept from the Contractor:

(a) Bonds, securities or other instruments that are deposited and accepted as provided in subsection (4)(a) of this rule; or

(b) A surety bond deposited as provided in subsection (4)(b) of this rule.

(3) **Deposit in interest-bearing accounts.** Upon request of the Contractor, a Contracting Agency shall deposit cash retainage in an interest-bearing account in a bank, savings bank, trust company, or savings association, for the benefit of the Contracting Agency. Earnings on such account shall accrue to the Contractor.

(4) **Alternatives to cash retainage.** In lieu of cash retainage to be held by a Contracting Agency, the Contractor may substitute one of the following:

(a) Deposit of bonds, securities or other instruments:

(A) The Contractor may deposit bonds, securities or other instruments with the Contracting Agency or in any bank or trust company to be held for the benefit of the Contracting Agency. If the Contracting Agency accepts the deposit, the Contracting Agency shall reduce the cash retainage by an amount equal to the value of the bonds and securities, and reimburse the excess to the Contractor.

(B) Bonds, securities or other instruments deposited or acquired in lieu of cash retainage must be of a character approved by the Oregon Department of Administrative Services, which may include, without limitation:

(i) Bills, certificates, notes or bonds of the United States.

- (ii) Other obligations of the United States or agencies of the United States.
 - (iii) Obligations of a corporation wholly owned by the Federal Government.
 - (iv) Indebtedness of the Federal National Mortgage Association.
 - (v) General obligation bonds of the State of Oregon or a political subdivision of the State of Oregon.
 - (vi) Irrevocable letters of credit issued by an insured institution, as defined in ORS 706.008.
- (C) Upon the Contracting Agency's determination that all requirements for the protection of the Contracting Agency's interests have been fulfilled, it shall release to the Contractor all bonds and securities deposited in lieu of retainage.
- (b) Deposit of surety bond. A Contracting Agency, at its discretion, may allow the Contractor to deposit a surety bond in a form acceptable to the Contracting Agency in lieu of all or a portion of funds retained or to be retained. A Contractor depositing such a bond shall accept surety bonds from its subcontractors and suppliers in lieu of retainage. In such cases, retainage shall be reduced by an amount equal to the value of the bond, and the excess shall be reimbursed.
- (5) **Recovery of costs.** A Contracting Agency may recover from the Contractor all costs incurred in the proper handling of retainage by reduction of the final payment.
- (6) **Additional Retainage When Certified Payroll Statements Not Filed.** Pursuant to ORS 279C.845(7), if a Contractor is required to file certified payroll statements and fails to do so, the Contracting Agency shall retain 25 percent of any amount earned by the Contractor on a Public Works Contract until the Contractor has filed such statements with the Contracting Agency. The Contracting Agency shall pay the Contractor the amount retained under this provision within 14 days after the Contractor files the certified statements, regardless of whether a subcontractor has filed such statements (but see ORS 279C.845(1) regarding the requirement for both contractors and subcontractors to file certified statements with the Contracting Agency). See BOLI rule at OAR 839-025-0010.

Contractor Progress Payments

- (1) **Request for progress payments.** Each month the Contractor shall submit to the Contracting Agency its Written request for a progress payment based upon an estimated percentage of Contract completion. At the Contracting Agency's discretion, this request may also include the value of material to be incorporated in the completed Work that has been delivered to the premises and appropriately stored. The sum of these estimates is referred to as the "value of completed Work." With these estimates as a base, the Contracting Agency will make a progress payment to the Contractor, which shall be equal to: (i) the value of completed Work; (ii) less those amounts that have been previously paid; (iii) less other amounts that may be deductible or owing and due to the Contracting Agency for any cause; and (iv) less the appropriate amount of retainage.
- (2) **Progress payments do not mean acceptance of Work.** Progress payments shall not be construed as an acceptance or approval of any part of the Work, and shall not relieve the Contractor of responsibility for defective workmanship or material.

Interest

- (1) **Prompt payment policy.** A Contracting Agency shall pay promptly all payments due and owing to the Contractor on Contracts for Public Improvements.
- (2) **Interest on progress payments.** Late payment interest shall begin to accrue on payments due and owing on the earlier of 30 Days after receipt of invoice or 15 Days after Contracting Agency approval of payment (the "Progress Payment Due Date"). The interest rate shall equal three times the discount rate on 90-day commercial paper in effect on the Progress Payment Due Date at the Federal Reserve Bank in the Federal Reserve district that includes Oregon, up to a maximum rate of 30 percent.
- (3) **Interest on final payment.** Final payment on the Contract Price, including retainage, shall be due and owing no later than 30 Days after Contract completion and acceptance of the Work. Late-payment interest on such final payment shall thereafter accrue at the rate of one and one-half percent per month until paid.
- (4) **Settlement or judgment interest.** In the event of a dispute as to compensation due a Contractor for Work performed, upon settlement or judgment in favor of the Contractor, interest on the amount of the settlement or judgment shall be added to, and not made part of, the settlement or judgment. Such interest, at the discount rate on 90-day commercial paper in effect at the Federal Reserve Bank in the Federal Reserve District that includes Oregon, shall accrue from the later of the Progress Payment Due Date, or

thirty Days after the Contractor submitted a claim for payment to the Contracting Agency in Writing or otherwise in accordance with the Contract requirements.

Final Inspection

(1) **Notification of Completion; inspection.** The Contractor shall notify the Contracting Agency in Writing when the Contractor considers the Contract Work completed. Within 15 Days of receiving Contractor's notice, the Contracting Agency will inspect the project and project records, and will either accept the Work or notify the Contractor of remaining Work to be performed.

(2) **Acknowledgment of acceptance.** When the Contracting Agency finds that all Work required under the Contract has been completed satisfactorily, the Contracting Agency shall acknowledge acceptance of the Work in Writing.

(2) **Required Contract Conditions.** As detailed in the above statutes and rules, every Public Works Contract must contain the following provisions:

(a) Contracting Agency authority to pay certain unpaid claims and charge such amounts to Contractors, as set forth in ORS 279C.515(1).

(b) Maximum hours of labor and overtime, as set forth in ORS 279C.520(1).

(2) **Equivalents.** A Contracting Agency may identify products by brand names so long as the following language: "approved equal"; "or equal"; "approved equivalent" or "equivalent," or similar language is included in the Solicitation Document. (1) **Records Maintenance; Access.** Contractors and subcontractors shall maintain all fiscal records relating to Contracts in accordance with generally accepted accounting principles ("GAAP"). In addition, Contractors and subcontractors shall maintain all other records necessary to clearly document (i) their performance; and (ii) any claims arising from or relating to their performance under a Public Contract. Contractors and subcontractors shall make all records pertaining to their performance and any claims under a Contract (the books, fiscal records and all other records, hereafter referred to as "Records") accessible to the Contracting Agency at reasonable times and places, whether or not litigation has been filed as to such claims.

(2) **Inspection and Audit.** A Contracting Agency may, at reasonable times and places, have access to and an opportunity to inspect, examine, copy, and audit the Records of any Person that has submitted cost or pricing data according to the terms of a Contract to the extent that the Records relate to such cost or pricing data. If the Person must provide cost or pricing data under a Contract, the Person shall maintain such Records that relate to the cost or pricing data for 3 years from the date of final payment under the Contract, unless a shorter period is otherwise authorized in Writing.

(3) **Records Inspection; Contract Audit.** The Contracting Agency, and its authorized representatives, shall be entitled to inspect, examine, copy, and audit any Contractor's or subcontractor's Records, as provided in section 1 of this rule. If a Contracting Agency chooses to make such a payment as provided in ORS 279C.515(1), the Contractor and the Contractor's surety shall not be relieved from liability for unpaid claims.

(2) **Contract completed.** If the Contract has been completed and all funds disbursed to the prime Contractor, all claims shall be referred to the Contractor's surety for resolution. The Contracting Agency shall not make payments to subcontractors or suppliers for Work already paid for by the Contracting Agency.

137-049-0900**Contract Suspension; Termination Procedures**

(1) **Suspension of Work.** In the event a Contracting Agency suspends performance of Work for any reason considered by the Contracting Agency to be in the public interest other than a labor dispute, the Contractor shall be entitled to a reasonable extension of Contract time, and to reasonable compensation for all costs, including a reasonable allowance for related overhead, incurred by the Contractor as a result of the suspension.

(2) **Termination of Contract by mutual agreement for reasons other than default.**

- (a) Reasons for termination. The parties may agree to terminate the Contract or a divisible portion thereof if:
- (A) The Contracting Agency suspends Work under the Contract for any reason considered to be in the public interest (other than a labor dispute, or any judicial proceeding relating to the Work filed to resolve a labor dispute); and
 - (B) Circumstances or conditions are such that it is impracticable within a reasonable time to proceed with a substantial portion of the Work.
- (b) Payment. When a Contract, or any divisible portion thereof, is terminated pursuant to this section (2), the Contracting Agency shall pay the Contractor a reasonable amount of compensation for preparatory Work completed, and for costs and expenses arising out of termination. The Contracting Agency shall also pay for all Work completed, based on the Contract Price. Unless the Work completed is subject to unit or itemized pricing under the Contract, payment shall be calculated based on percent of Contract completed. No claim for loss of anticipated profits will be allowed.
- (3) **Public interest termination by Contracting Agency.** A Contracting Agency may include in its Contracts terms detailing the circumstances under which the Contractor shall be entitled to compensation as a matter of right in the event the Contracting Agency unilaterally terminates the Contract for any reason considered by the Contracting Agency to be in the public interest.
- (4) **Responsibility for completed Work.** Termination of the Contract or a divisible portion thereof pursuant to this rule shall not relieve either the Contractor or its surety of liability for claims arising out of the Work performed.
- (5) **Remedies cumulative.** The Contracting Agency may, at its discretion, avail itself of any or all rights or remedies set forth in these rules, in the Contract, or available at law or in equity.
- (6) Application of this rule does not apply to suspension of the work or termination of the Contract as a result of Contractor's violation of any provision of law or Contract term.

Changes to the Work and Contract Amendments

(1) **Definitions for Rule.** As used in this rule:

- (a) **"Amendment"** means a Written modification to the terms and conditions of a Public Improvement Contract, other than by Changes to the Work, within the general scope of the original Procurement that requires mutual agreement between the Contracting Agency and the Contractor.
 - (b) **"Changes to the Work"** means a mutually agreed upon change order, or a construction change directive or other Written order issued by the Contracting Agency or its authorized representatives to the Contractor requiring a change in the Work within the general scope of a Public Improvement Contract and issued under its changes provisions in administering the Contract and, if applicable, adjusting the Contract Price or contract time for the changed work.
- (2) **Changes Provisions.** Changes to the Work are anticipated in construction and, accordingly, Contracting Agencies shall include changes provisions in all Public Improvement Contracts that detail the scope of the changes clause, provide pricing mechanisms, authorize the Contracting Agency or its authorized representatives to issue Changes to the Work and provide a procedure for addressing Contractor claims for additional time or compensation. When Changes to the Work are agreed to or issued consistent with the Contract's changes provisions they are not considered to be new Procurements and an exemption from competitive bidding is not required for their issuance by Contracting Agencies.
- (3) **Change Order Authority.** Contracting Agencies may establish internal limitations and delegations for authorizing Changes to the Work, including dollar limitations. Dollar limitations on Changes to the Work are not set by these Rules, but such changes are limited by the above definition of that term.
- (4) **Contract Amendments.** Contract Amendments within the general scope of the original Procurement are not considered to be new Procurements and an exemption from competitive bidding is not required in order to add components or phases of Work reasonably related to the work described in the Solicitation Document. Amendments to a Public Improvement Contract may be made only when:
- (a) They are within the general scope of the original Procurement;
 - (b) The field of competition and Contractor selection would not likely have been affected by the Contract modification. Factors to be considered in making that determination include similarities in Work, project site, relative dollar values, differences in risk allocation and whether the original Procurement was accomplished through Competitive Bidding, Competitive Proposals, competitive quotes, sole source or Emergency contract;
 - (c) In the case of a Contract obtained under an Alternative Contracting Method, any additional Work was specified or reasonably implied within the findings supporting the competitive bidding exemption; and
 - (d) The Amendment is made consistent with applicable legal requirements.

USED PERSONAL PROPERTY

E-15 Used Personal Property, Purchase of

- (1) Subject to the provisions of this rule, Contracting Agency may purchase used property or equipment without competitive bidding and without obtaining competitive quotes, if it has determined that the purchase will be unlikely to encourage favoritism or substantially diminish competition, and will either result in cost savings to Contracting Agency or the public, or otherwise promote the public interest in a manner that could not be realized by a formal competitive solicitation process.
- (2) "Used personal property or equipment" is property or equipment which has been placed in its intended use by a previous owner or user for a period of time recognized in the relevant trade or industry as qualifying the personal property or equipment as "used," at the time of Contracting Agency purchase. (c) Contracting Agency may arrange for any or all interested prospective contractors to be interviewed for the assignment by an appropriate Contracting Agency employee or by an interview committee.

(d) Following a review of the qualifications and interview, where conducted, of the interested prospective contractors, Contracting Agency may select the prospective contractor, and shall prepare a personal service contract.

(10) Contracting Agency or its designee is authorized to sign all personal service contracts, unless otherwise established by Contracting Agency policy.

(11) Nothing contained in this section shall preclude Contracting Agency from complying with provisions of Federal or State law that require Contracting Agency to utilize a different selection or contracting procedure.

(1) Agent of Record: Contracting Agency may appoint a licensed insurance agent ("agent of record") to perform insurance services in connection with more than one insurance contract. Among the services to be provided is the securing of competitive proposals from insurance carriers for all coverages for which the agent of record is given responsibility.

(a) Prior to the selection of an agent of record, Contracting Agency shall make reasonable efforts to inform known insurance agents in the competitive market area that it is considering such selection. These efforts shall include a public advertisement in at least one newspaper of general circulation in the area where the contract is to be performed. The advertisement shall generally describe the nature of the insurance that the public contracting agency will require. If the amount of the annual premium for insurance, other than employee benefits insurance, is likely to exceed \$20,000 per year, such notice shall also include a public advertisement in at least one insurance trade publication of general circulation in the state.

(b) Any appointment period shall not exceed five years. Agents may serve more than one appointment period. Agents must qualify for appointment prior to each period as if each appointment period were the first.

(c) In selecting an agent of record, Contracting Agency shall select the agent(s) most likely to perform the most cost-effective services.

(2) Specific Proposals for Insurance Contracts: Contracting Agency may solicit proposals from licensed insurance agents for the purpose of acquiring specific insurance contracts subject to the following conditions:

Such efforts shall include public advertisements in at least one newspaper of general circulation in the area where Contracting Agency is located. If the amount of annual premium for insurance, other than employee benefits insurance, is likely to exceed \$20,000 per year, such notice shall also include a public advertisement in at least one insurance trade publication of general circulation in the state.

(b) Contracting Agency shall select an agent on the basis of the most competitive offer considering coverage, premium cost, and service to be provided.
