

# CLACKAMAS FIRE DISTRICT #1 FIRE PREVENTION AND SAFETY ACTIVITIES - COME VISIT US!

CLACKAMAS FIRE DISTRICT #1

## Look!

Look for places that fire could start. Take a good look around your home and identify potential fire hazards and work to make the situation safer.

## Listen!

Listen for the sound of the smoke alarm. You could have only minutes to escape safely once the smoke alarm sounds. Go to your outside meeting place, which should be a safe distance from the home and where everyone should meet.

## Learn!

Learn two ways out of every room and make sure all doors and windows leading outside open easily and are free of clutter.

- Draw a floor plan or a map of your home. Show all doors and windows.
- Mark two ways out of each room.
- Mark all of the smoke alarms with SA. Smoke alarms should be in each sleeping room, outside each sleeping area, and on every level of the home.
- Pick a family meeting place outside where everyone can meet.
- Remember, practice your plan at least twice a year!
